When a customer of ours steps in a pair of Friendlies we like to know his feet look well — in case he's asked where he got his shoes.

We take extra care on little points of fit — around the ankle, across the instep. These help make him a satisfied customer. Stop in and see our new line — you will be surprised at such values at \$5.00.

Make Her A Bloomer Frock That Teaches Her "Self Help" PATTERN 2414

by Anne Adams

Simple frocks look best, wear best, and launder best—three good reasons for making this cunning coat-frock for the two-to-eight year old. It's a "self-help" style that helps mother, too, for any child between those ages can do and undo buttons by herself. An added feature lies in the accompanying bloomers, elastic-topped, which youngsters can pull on by themselves. Making the frock and bloomers of gaily checked or printed cotton will be just fun for mother, for the Anne Adams instructor is such an easy guide to follow. Finish off the sleeves with a tiny cuff, or let them flare, but be sure to choose a color-fast cotton, and bright buttons for trim.

Send FIFTEEN CENTS (15c) in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly name, address and style number. BE SURE TO STATE SIZE.

Be sure to order OUR SPRING PATTERN BOOK for smart new clothes that'll fit you and your needs to a "T". Gay, practical frocks to cheer you at work. Lovely party frocks and sports clothes to flatter you at play. Collars, blouses, skirts for multiplying costumes. Chic slendering styles. Patterns for tots. Fabric and accessory news.
