

Our Waking Testimonial "FRIENDLY" SHOES

When a customer of ours steps out in a pair of Friendlies we like to know his feet look well—in case he's asked where he got his shoes.

Then, too—we know little points of fit—around the ankle, across the instep help make him a satisfied customer. Stop in and see our new line. We have them in wingtips, straight tips and plain toes—in black and tan.
