Farmers Busy at Winter Plowing

This isn't a geyser in the act of performing, but a miniature blizzard staged near the Minnesota-Iowa line when a huge rotary snow plow went into action, throwing snow for several hundred feet as it cut through the mountainous drifts which tested the combined forces of emergency crews of farmers and state highway workers.

TALMADGE CARRIES BATTLE TO COURTS

ATLANTA, Feb. 28.—(AP)—Governor Eugene Talmadge, ignoring talk of impeachment, started court action today to open mail channels to his two defacto fiscal officers.

The governor already had arranged for \$2,000,000 in ready cash to run the state.

An injunction to force Postmaster Lon Livingston to release letters addressed to the officers whom Talmadge ousted Monday—Treasurer George B. Hamilton and Comptroller General William B. Harrison—was asked of Federal Judge E. Marvin Underwood.

Judge Underwood denied an immediate, direct order, but issued a rule nisi requiring Livingston to show cause why an injunction should not be granted. The hearing was set for tomorrow.

Tax remittances are among the impounded letters.

Talmadge took no cognizance of talk of impeachment and an exchange of views among state legislators relative to convening themselves in special session to untangle the financing affairs which resulted from their failure to enact an appropriations bill last year.

F. R. TO AUTHORIZE SEED LOAN MONEY

WASHINGTON, Feb. 28.—(AP)—President Roosevelt said today he will issue an executive order in the next day or so authorizing use of \$30,000,000 for 1936 seed and loan to farmers.

Individual loans will be limited to \$200. Mr. Roosevelt earlier this week vetoed a \$50,000,000 loan bill containing a \$500 limit on the grounds, among others, that the measure provided no taxes for the extra-budget outlay. He said at that time that he would make provision for the loans out of work relief funds.

In making loans the government takes a first lien on the crop.

Shortly after Mr. Roosevelt's statement, the senate agriculture committee named a subcommittee of four to discuss the vetoed measure with the president.

HAGOOD REMOVAL PROBERS NAMED

WASHINGTON, Feb. 28.—(AP)—The senate military committee today named a subcommittee of three to consider the Metcalf resolution proposing an investigation of the removal of Major General Johnson Hagood from command of the 8th corps area after he had criticized federal spending policies.

Senator Logan (D., Ky.), was given the chairmanship. The other members are Senators Duffy (D., Wis.), and Carey (R., Wyo.).

P. T. A. HAS MEETING AT SUTHERLIN

SUTHERLIN, Feb. 28.—The newly organized Sutherlin Parent Teachers' association held its regular monthly meeting at the school house Monday evening. A short program was enjoyed, including a tap dance by little Miss Betty Lou Vogel, with Miss Helen Allen at the piano; a solo, "When the Trees Bid the Leaves Goodbye," by Lloyd Dickerson, accompanied at the piano by Miss Arla Jenkins; and a humorous article on athletics read by John Muskgrove. L. L. Cameron gave an interesting talk on "Founder's Day," giving the history and purpose of the P. T. A. organization.

During the business meeting, with Miss Lillian Lindhe, president, several reports of officers and committees were heard and discussed. The vice-president, Mrs. Floyd Thompson, read several letters from state P. T. A. officials, welcoming the local group into the state organization. The treasurer, Mrs. J. Flory, read the financial report showing \$4.50 has been received to date. The committee reports were mostly concerned with the purchase of new play ground equipment. After considerable discussion, it was voted that a specified set of swings be purchased for the school, the payment of which be met by the local P. T. A. through a series of entertainments and social functions. A committee was appointed to buy the swing equipment, and a committee was also appointed to make arrangements for the first entertainment, which is to be a program and dance, with the tentative date set at March 20th.

FELLOWSHIP DINNER AND EVENING ENJOYED

MYRTLE CREEK, Feb. 23.—One of the most enjoyable week night services held at the Myrtle Creek Christian church in recent months, was the fellowship meeting on Thursday night, when the members and friends of the congregation gathered for a potluck supper in the basement, and later a special program in the church auditorium.

Owing to the fifty fifth birthday of the founder of the first Christian Endeavor society, in Portland, Me., by Dr. Francis E. Clark, the recent fellowship supper was held in honor of the local Christian Endeavor society, of which Mr. Elbert Naas is the president. The local thirty Endeavorers were seated around a special table decorated in red and white decorations and place cards with Christian Endeavor monogram. Following the supper, a large birthday cake with 55 candles was presented to the Endeavor society by Clayton Wood, chairman of the church board, with appropriate remarks. Mr. Naas responded in a pleasing way for the Endeavor society. Following the presentation of the birthday cake, the entire company of people, assembled in the church auditorium, where a very stirring song service led by Harley Naas was held. The climax of the evening's enjoyment and pleasant fellowship came with a splendid Gospel message brought by Rev. J. Frank Cunningham, pastor of the Roseburg Christian church. Rev. Frank W. Zook, pastor of the Myrtle Creek Christian church, and Clayton Wood, chairman of the church board, were in charge of the program and arrangements.
