pla, a victim of unjustified aggression, and Italy, an aggressor wantonly condemned by the league.

The Ethiopian government asked: "Is a correct interpretation of world public to make no distinction between an aggressor and a victim, and merely to make one more platonic appeal to both belligerents as though this were a conflict in which the league was not itself concerned?"

To Block Hitler

Diplomats of the Locarno powers, simultaneously, resumed their consideration of the present problem of the Rhineland situation.

A four-power political and military front against Germany was proclaimed by a French spokesman.

man to be the aim of France today France insisted upon satisfactory guarantees against any German fortification of the Rhineland, the spokesman said.

The French, holding that Adolf Hitler had made no gesture toward conciliation in the Rhineland, considered that conciliation of the crisis had failed.

ROTATION FOR GAME BODY TENURE SOUGHT

PORTLAND, Ore., April 10.—(AP)—Ed Averill, chairman of the Oregon conservation council, said he would file with the secretary of state today an initiative measure to prevent removal of state game commission members for political reasons.

The measure unanimously approved by the council and supported by numerous groups of sportsmen, provides for rotating five-year terms for the five game commissioners.

The governor would retain the appointive power.

SEATTLE DEFEATS SENATORS IN 13TH

Seals Win Over San Diego in 10th; Beavers Lose to Oaks in Ninth.

(By the Associated Press)
It took two extra inning games to do it, but the first division rolled solidly ahead of the second section in the Pacific Coast league's baseball offerings yesterday.

Sacramento's cellar Senators put up a game and valiant fight for 13 innings before letting the Seattle Indians win 5-4 for their eighth consecutive victory. Four ply swats by Miller, Seattle second sacker, in the second inning, and Vezelich, Senator outfielder, in the eighth, each with two men on, were largely responsible for the extra innings.

Coscarart fell in the last of the ninth and the pace-setting Oakland A's ran away with a 4-3 victory over the Portland Beavers. With the Oaks trailing 2 to 3 and two men on, Bolyard lined one out to deep centerfield. It looked like an easy catch or at best a simple Coscarart took a step forward, whirled to run back and fell flat on his face. The hit went for a triple and the game.

Seals Win in 10th.
Out-hobbled and out-hit, San Diego's Padres lost 7-6 to San Francisco's Seals in ten innings. Six Seal errors and three by the Padres helped pile up the score and stretch out the game, even if they didn't add to the reputation of so-called class AA ball.

Little, left handed Lamsanki was way too big for the once mighty Los Angeles batters and he shut them out 5-0, allowing only five hits. The Mission got twice that many off Gabbler and Campbell. A beautiful peg by Hightfielder West caught the only Angel who dared to run for home. Only one other of Lelievit's men reached second.

CANZONERI AGAIN DEFEATS JADICK

NEW YORK, April 10.—(AP)—Tony Canzoneri, the lightweight king and one of the greatest of the little fighting men, had another victory to his credit today, a ten-round decision over an old foe, Johnny Jadick of Philadelphia.

Weighing 126½ to 140½ for Jadick, Canzoneri had plenty to contend with in the non-title go and caused some of the experts who picked him to defeat Jimmy McLarnin in their May 8 fight to wrinkle their brows.

Jadick, who captured Tony's junior welterweight title in 1930, used a left jab to advantage. Canzoneri put the Philadelphia down for counts of four and nothing in the eighth and tenth rounds. Jadick was tired and battered when the fight ended.
