U. S. V. HOSPITAL

By Ottilia K. Ashton
We were happy to have as visitors last Sunday ten members of the American Legion post and their auxiliary of Toledo, Oregon. They distributed to the veterans as a special treat home made candy and gum. This group also brought Easter favors which will be placed on the tables and trays for the evening meal Easter Sunday.

Easter Sunday promises to be a well remembered, cheerful day. Mrs. Ruth Schaeffer, state hospital chairman for the V. F. W. auxiliary, has charge of all decorations for the tables and trays for our Easter Sunday dinner. Flowers, baskets with candy Easter eggs and a chicken and appropriate napkins will be placed on all the tables and trays.

Mrs. George Canaday, hospital chairman for the Montana Federation of Women's clubs, sent a beautiful plant for each Montana man as an Easter gift.

Mrs. Delia Denny, local V. F. W. hospital chairman, presented to our library a one year subscription to the "Oregon Farmer." Many requests had been made by the patients for this particular magazine. Mrs. Denny also purchased a table tennis set for our new recreational building with funds from the World War post 907 V. F. W., of Portland, Oregon.

Poppy making time has started in earnest and the patients have been very busy making the V. F. W. poppies this week. The American Legion auxiliary equipment is expected some time next week, which will enable the poppy making to be carried on continuously for the next few weeks.

We are looking forward with joy to hearing the junior choir of the Episcopal church, who will sing through the wards on Easter Sunday morning.
