

OAKLAND BEAVERS SPLIT TWO GAMES

Sactus End Losing Streak By Defeating Seattle; Missions Halted.

(By the Associated Press) Through fights, protests and the season's longest game, the Oakland ball club stood sturdily at the head of the Pacific coast league pennant race.

The Accorns and the Portland Beavers saw-sawed through 11 weary innings lasting a full three hours before the Beavers took yesterday's opener 11 to 7. Olds started the visitors on their fourteenth-inning rally by walking four men. Six pitchers yielded 22 hits including a homer by Hartje, Oakland catcher.

A three-run, seventh-inning rally, which the fans thought worth a great shower of pillows, gave the Oaks the relatively short nightcap, 8-7. Oakland won 6-5 Saturday.

Trked by "the poorest umpiring I have ever seen in my 18 years of baseball," Manager Max Bishop of the Beavers protested to League President W. C. Tuttle. Portland lost the series five games to two, dropping most of the games by one-run margins.

Fine four-hit pitching by Rippen stopped Sacramento's 7-game losing streak and ended Seattle's successive wins at 9 games. He hurled the Senators to a 2-1 win Saturday. His teammates repented in the Sunday opener 5-3, making all their runs off three hits in the first frame. Pickrelt allowed the Senators only three hits and one unearned run as he took the second-inning second game for the Tribe 4-1.

Casey Halts Missions

The third fine pitching job of the week-end was turned in by Casey of Los Angeles, when he stopped the Missions 5-1 in the Sunday opener. He set the Reds up with one run without a hit in the first frame then bore down to allow only five singles. Beck, stung once of the Mission mound staff, finally broke into the win column in the afternoon as the Reds won 8-4.

The Missions won 8 to 7 Saturday and the series 4 games to 3. San Diego came out with its first series, 4 to 3, by taking all three week-end games from a Let San Francisco Seals. They won Saturday's track meet, 23-4, and Sunday's opener, 6 to 5. Folman's four-ply swat in the sixth decided the nightcap 3-2.

Worthy of mention is the return of Sacramento Shortstop Sid Stringfellow to the error column after two perfect days. He booted three over the week end, leaving him two shy of an error a game for the season.

The standings:

	W.	L.	Pct.
Oakland	12	4	.750
Seattle	11	6	.647
Missions	10	6	.625
San Francisco	7	7	.500
San Diego	7	10	.412
Portland	6	10	.375
Los Angeles	6	10	.375
Sacramento	4	10	.286

SPORTS HIT FULL STRIDE IN OREGON

(By the Associated Press.) Spring sports hit their full stride in Oregon over the week-end. Auto racing, baseball, swimming, golf, tennis and trapshooting held the limelight.

The University of Oregon baseball nine defeated Linfield college at McMinnville 5 to 2 and the University golf team at Eugene defeated the Washington Huskies 21 to 6 for the first time in several seasons.

Oregon State college rowing crews divided honors with the University of Washington at Corvallis. The Staters' 150-pound crew won by half a length. The Huskies' 160-pounders defeated the Beavers by nearly five lengths.

Oregon State's baseball team lost its seventh consecutive game in three seasons to Willamette university. Willamette took both ends of the doubleheader at Corvallis Saturday 8 to 0 and 9 to 7 for a clean sweep of the three-game series.

Willamette's net men fell before Oregon State tennis stars, however, 5 matches to 2.

The University of Oregon freshmen fared poorly in baseball, losing to Grant high 9 to 2 and Milwaukie high 8 to 5.

Oregon State freshmen swimmers defeated the tank team of University high of Eugene 48 to 27.

In the state-wide telegraphic trapshoot, teams from Medford, Tillamook and Bend turned in perfect scores of 75. Runners-up with 74 were Corvallis and Klamath Falls.

Frank Wearne, veteran Los Angeles racing driver, won top honors in the first auto racing program of the season at the Portland speedway. Les Anderson of Vancouver, Wash., was injured in a crack-up.

MYRTLE CREEK HIGH BEATS GRANTS PASS

In the initial baseball game of the season, Myrtle Creek high school defeated Grants Pass high school 26 to 8.

The winners showed better at the bat than the losers, in that they collected nineteen hits, seven walks, and only four strikeouts in forty-eight times at bat off Powers and Gray the pitchers for Grants Pass.

PEACE AND STRIFE MINGLE ON EASTER

Religious Rites, Parades of Fashions, Mishaps and Riots Occur.

(By the Associated Press) Impressive religious rites and resplendent fashion parades marked Christendom's observation of Easter.

Millions of the faithful participated in traditional ceremonies. But the peace of the holy festival was disrupted by riotous scenes in Dublin and the bombing of an Ethiopian settlement.

Priests and pilgrims of many faiths joined in a colorful procession to the holy sepulchre at Jerusalem.

The Vatican observed its quietest Easter in many years. Thousands of Romans repaired to St. Peter's but the state of Pope Pius' health prevented him from celebrating mass there. Sanctions kept tourists from Italy.

President and Mrs. Roosevelt went to St. Thomas Episcopal church at Washington. The first lady wore a sky-blue Easter suit and dark blue hat set off with a purple pom pom and red flowers.

Intermittent drizzles dampened New York's annual fashion parade along Fifth avenue but bright sunshine favored promenaders along Chicago's Michigan boulevard.

Rites Held in Moscow

Overflow crowds, estimated at 60,000, attended services in the 28 churches at Moscow, capital of the soviet nation where religious instruction for youth is banned by the government.

A section of the boardwalk at Ashbury Park, N. J., collapsed under the weight of Easter strollers. Eight persons were injured.

Sunrise services attracted thousands. Chicago's Soldier field was jammed. An estimated 46,000 witnessed the Moravian rites at Winston-Salem, N. C. More than 2,000 participated in a similar ritual at Bethlehem, Pa. A congregation of 25,000 gathered in the Hollywood, Calif., bowl, 7,000 assembled in the Los Angeles coliseum and another throng visited at Mt. Rubidoux at Riverside.

A chorus of 10,000 voices rang through the Garden of the Gods at Colorado Springs. An estimated 100,000 persons viewed a dramatized version of the resurrection near Lawton, Okla.

Down in Gainesville, Ga., the faithful knelt in storm-battered churches to offer thanks that they had been spared in the tornado that resulted in the death of more than 200 of their neighbors earlier in the week.

McGAUGHEY'S MILE RUN TOPS CONTEST

EGGENSE, Ore., April 13.—(AP)—Sam McGaughey ran the mile in four minutes, 22.6 seconds to lead a team of varsity and freshman trackmen of University of Oregon to victory over other Oregon track stars led by Captain George Scharrif, in practice meet. The score was 82 to 61.

Frank "Squeak" Lloyd, sophomore transfer, was the sensation of the meet, winning firsts in the low hurdles and broad jump, seconds in the 50 and 100-yard dashes, and a third in the high jump.

PRISONERS' TRY FOR FREEDOM IS FUTILE

(continued from page 1) ant co-prisoner. No Resistance Offered

When the bus reached Crescent City Sheriff Austin Huffman was notified and a posse formed. All roads were blocked and the sheriff said the prisoners' recapture would be but a matter of hours because of the rugged terrain and sparsely settled country.

Meanwhile, Dr. Flint gave himself up to the sheriff, explaining the handcuff links were severed with a hatchet obtained at a deserted camp. He turned over the pistol taken from Sheriff Howell, saying Ford agreed to its return to ameliorate punishment in the event of recapture.

Blood stains on the weapon's stock he ascribed to injuries Ford incurred in an attempt to shoot the links apart.

Ford, he said, had taken flight southward. Two hours before midnight last night, Undersheriff Frank Blackie and Deputy Ray Plaister of Del Norte county espied Ford walking along the highway. He submitted readily, and said he had had nothing to eat for 24 hours.

Both prisoners remained here overnight and continued their northward journey today in Sheriff Howell's custody.

Officers said Dr. Flint once had been a physician at a CCC camp near Medford, Ore. His father was once was president, pro tem, of the state senate. He now is ill in his home at Hollister.

FEHL'S LIBERTY UP TO GOV. MARTIN

SALEM, April 13.—(AP)—Action on a parole for Earl H. Fehl, former Jackson county judge serving four years for complicity in the Medford ballot theft, will await the return of Governor Martin, expected back from Bremerton, Wash., tomorrow.

W. L. Gossin, secretary to the governor and member of the parole board, said he believed the board would recommend a parole, effective April 15, the expiration of Fehl's minimum sentence of 32 months.

A parole for Fehl, who is eligible next Wednesday because of time off for good behavior, has been protested by District Attorney Coding of Jackson county, unless the parole would be conditioned upon Fehl's not returning to the county.

Fehl was to have been automatically released from the prison under the interpretation of a 1923 act rendered Saturday held paroles were mandatory for release prior to the termination of a maximum sentence. The attorney general's office stated prison officials had been releasing prisoners automatically on minimum sentences under a misinterpretation of the 1923 opinion. All paroles must be approved by the governor before executed.

ROSEBURG AGAIN ON CASH BASIS

(continued from page 1) aims of this administration," he declared, "to lower the interest charges which have constituted one of our major financial problems."

"For the past few years it has been necessary to include in the city budget items of from \$3,500 to \$4,000 for payment of interest on outstanding warrants.

"We have lowered the interest rate from six to three per cent on \$72,000 of these old warrants, by putting them under a serial refunding bond, and have now caught up with the more recent warrants and will have but little interest to pay for the balance of the year."

Payment of warrants now outstanding was made possible by a turnover of \$8,574 from the county treasurer Saturday, representing the city's share of the recent tax collections.

The city has reduced the interest rates on all new warrants, issued since January 1, from six to five per cent.

County Status Better

Douglas county's financial situation is also showing some improvement, according to D. H. Leno, county treasurer. While the county has approximately \$120,000 still outstanding in warrants, its bonded indebtedness will be eliminated after May 1. The final payment on the county's road bonds is due May 1 and money is on hand to retire the bonds, both principal and interest.

Since the first of the year the county warrants have been reduced in interest rate from six to five per cent. The county is about six months behind in the payment of warrants.

AGED COUPLE FOUND SLASHED BY RAZOR

PORTLAND, Ore., April 13.—(AP)—Hospital attendants said today that William B. Hays, 65, Green Acres, Wash., rancher, and his wife, Cora, 63, were in "fairly good condition" and spent a "good night."

The couple was taken to the hospital Sunday after being found in a hotel bathroom with their wrists slashed.

A patrolman, F. O. Hutchins, said he found a note to an undertaker parlor, letters to friends and another note ordering a \$50 draft and some cash given to a son, Bernard B. Hays, of Seattle.

A hotel clerk said the couple registered last Thursday. Neighbors at Spokane related that Mr. and Mrs. Hays had been in poor health and one, L. H. Cobb, said they sold all their household goods last Monday, explaining they were going to visit their son and a daughter, Mrs. Paul Fajola, Buckley, Wash.

Hospital attendants said a son and daughter had arrived here. The police report said the couple placed a call with the clerk for 5:30 a. m. Sunday. When they failed to answer, the clerk went to the room and upon entering he found the bathroom door closed and a note on it reading "open door."

The clerk called police, who said they opened the door and found Mrs. Hays sitting on a chair and her husband on the floor. Nearby was an open razor.

TOWNSENDER SEEKS CONVENTION SPOT

KANSAS CITY, April 13.—(AP)—Dr. Frank Dyer of Los Angeles, chairman of the Townsend plan national convention committee, inspected Kansas City's new municipal auditorium today and then conferred with its manager, George Goldman.

Dyer and Kansas City Townsend club officials said they were inspecting convention halls in several cities.

They informed Goldman the national Townsend convention was scheduled for July 15 to 19.

Dyer told chamber of commerce officials the Townsend organization would have to have convention hall facilities supplied free of charge.

He said Dallas, Tex., had offered \$35,000 if the convention would be held in that city. There would be 15,000 "actual delegates." Dyer asserted, at the summer convention, about twice the number that attended the meeting in Chicago last fall.

Dyer said each club would be allowed two delegates for the first 100 members and one delegate for each additional 100 members.

Another Townsend stipulation in selecting the convention city would be a cordial invitation from the host community, Dyer said.

Dyer said he would go to Denver tonight to discuss convention plans with officials there.
