Today's Pattern

LOOSE, EASILY-FITTING LINES FLATTER YOU WHILE YOU WORK
PATTERN 2691

by Anne Adams

There's no escaping housework, even in summer, so the next best thing is to dress so you'll enjoy it. You can, too, in a jiffy wrap around frock which slips on and adjusts almost by itself. This has no collar (for you know how hot they are) and only the simplest and roomiest of sleeves, which are cut together with a brief yoke. You'll find the petticoat question too, is settled in having a double-panel shadow-proof skirt and that's SOMETHING—in summer. Bright buttons will, of course, dress it up while a pre-trunk gingham, broadcloth, percale or cool, non-iron sweater would make it indispensable and right for long service.

Pattern 2691 is available in sizes 14, 16, 18, 20, 22, 24, 26, 28, 30, 32 and 34. Size 16 takes 44 yards 36 inch fabric. Illustrated step-by-step sewing instructions included with each pattern.

Send FIFTEEN CENTS (15c) in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly name, address and style number. BE SURE TO STATE SIZE.

Send for your copy of our ANNE ADAMS PATTERN BOOK! You'll like its foresighted advice on the latest patterns, fabrics, accessories, fashion trends. You'll like the way it helps you plan a whole smart wardrobe. You'll like its slenderizing styles, its delightful patterns for misses and children. A book that's brimming with good ideas. Send for it today. PRICE OF BOOK FIFTEEN CENTS. BOOK AND A PATTERN TOGETHER, TWENTY-FIVE CENTS.

Address orders to Roseburg News-Review, pattern department, Roseburg, Oregon.

ONLY FORD OFFERS SUCH VALUE AT THE PRICE!

BECAUSE of Ford's basic design of engine, brakes, and chassis—only Ford can give you so much fine car performance in an economical, easy-handling car.

Because of Ford's economy in making and selling cars—only Ford can give you so many fine-car features at anywhere near the low Ford price.

Figures on this page show that in black and white. Over 2,500,000 Ford V-8's now on the road prove it. And fifteen minutes at the wheel of the 1936 Ford V-8 will prove it even more clearly.
