Rotate with vigor thru the night.
And flash both warning and good

To passing planes that heed your light,
But we who dwell beneath the sweep

Will nod our weary heads and sleep.
Wallo' you stand sentry of the sky,

MANY NEVER
SUSPECT CAUSE
OF BACKACHES

This Old Treatment Often
Brings Happy Relief Of Pain

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are one of Nature's chief ways of taking the acids and waste out of the blood. If they don't pass it out a day and so get rid of more than 3 pounds of waste matter, your 15 miles of kidney tubes may need flushing.

If you have trouble with frequent bladder passages with scanty amount which often smart and burn, the 15 miles of kidney tubes may need flushing, etc. This danger signal may be the beginning of nagging backache, leg pains, loss of pep and energy, getting up at night, swelling, puffiness under the eyes, headaches and dizziness.

Ask your druggist for Doan's Pills—used successfully by millions for over 40 years. They give happy relief and will help flush out the 15 miles of kidney tubes.
