

LEAGUE UNDERDOGS HAVE THEIR DAY

Athletics Defeat Yankees and St. Louis Browns Tounce Tigers.

By ANDY CLARKE (Associated Press Staff Writer) The Philadelphia Athletics and the St. Louis Browns, American league underdogs, are crowding today after having tumbled into the win column for the first time in the new season.

Each with five straight defeats against them, they took the field yesterday to topple two of the mightiest powers of the circuit, the Athletics, defeating artillery reminiscent of a better day, downed the New York Yankees 12-11, while the Browns defeated the champion Detroit Tigers 9-6, both in the process.

These uprisings were the prime features of a day on which the Pittsburgh Pirates at last ended the jinx that Henshaw held over them and Dixie Dean, although touched for nine hits, recorded his first victory of the season.

A home run clout by Suhr, captain and first baseman of the Pirates, was necessary to banish the jinx that has seen Henshaw win seven straight games against the Pirates.

Suhr's homer, the fourth of the game, came with two aboard and two out in the last half of the ninth and gave the Pirates a 9-8 margin over the Cubs.

Dean has Manager Frankie Frisch to thank for his first victory, an 8-7 win over the Cincinnati Reds. The Cards scored five runs in a ninth-inning rally that was started by Frisch when he belted a double to send home three runs. An error and a single by Medwick accounted for two more and the victory.

In the first doubleheader of the season the Washington Senators and the Boston Red Sox broke even the Sox winning the first game 6-5 and losing the second 6-2.

The four-hit pitching of Kennedy was the feature of the White Sox's 5-1 win over the Indians while the Boston Bees drove Earnshaw from the mound as they took an 8-4 decision from the Brooklyn Dodgers. The Giants dropped their first game in six starts to the Phillies 7-8, despite Ott's homer with two on in the ninth.

Oakland high defeated Yoncalla high in the first league baseball game of the season Friday by the score of 7-4. The game was played on the Oakland diamond.

The game was nip and tuck during the early innings, with excellent support given both pitchers. Oakland scored in the first inning when Morris, Oakland pitcher, lined out a triple over third base, and was brought home with a single by Miller. Yoncalla filled the bases in the fourth inning, due to mental lapses by the Oakland infield, and three runs were scored before the side was retired. The fifth was turned into an Oakland rally which netted four runs. They added two more runs in the sixth to finish the scoring for the day. Turpin of Yoncalla was knocked from the box during the Oakland uprising, Uphaw replacing him.

Morris led the Oakland batsmen with three hits out of four times up.

Roberts of Yoncalla was the only man on his team to get an extra base hit, a two-bagger in the fourth.

Friday of this week Oakland journeys to Sutherlin for its second league game and will attempt to maintain its hold on first place.

Score summary: R H E Oakland 7 8 3 Yoncalla 4 6 5 Batteries: Morris and F. Stearns; Turpin, Uphaw and Dodd.

COUNCIL CONSENTS TO HIGHWAY CHANGE (Continued from page 1) given. The council instructed the recorder to communicate with the California Oregon Power company relative to patching streets and sidewalks torn up to make repairs to water mains.

A committee composed of Councilmen W. F. Harris, C. O. Jones and E. R. Metzger was appointed to investigate the cost of painting fire hydrants and lawn posts, and also to fix a scale of prices for use of the street decorations recently purchased by the city for display during conventions.

A monthly appropriation of \$15 was voted to support the work of the Salvation Army during the summer season.

The annual city cleanup was set for May 4 and 5. The city will provide free handling and disposal for all rubbish which is collected by residents and placed in containers at curb lines of paved streets during the two days.

A request from the police department for the issuance of a fingerprint outfit was related.

City Attorney B. L. Eddy reported that he had examined the draft of the proposed new city charter and that he was prepared to report it was decided that the consideration of the revised charter would be given at the next regular meeting.

Councilman Croft proposed to the council that the city file on a water right on the North Umpqua river as a safeguard in case of future need, and the matter was referred to a special committee consisting of Councilmen Croft, Metzger and A. J. Young.

Mr. Croft also raised the question of providing police service at library park during Sunday night union church services during the summer months to prevent automobiles from racing through the block. Mayor Clark said he would be willing to have the street blocked off and all traffic eliminated if such action were requested by the churches.

STEIWER NAMED G.O.P. KEYNOTER (continued from page 1) the AAA amendments. He opposed the work relief bill, the utilities bill, the tax bill and the Guffey coal bill. Steiwer has been active in soldier legislation, including the bonus.

Members of the committee said they understood he would be satisfactory to the supporters of the presidential candidacy of Senator William E. Borah of Idaho.

WASHINGTON, April 21.—(AP)—The only comment of Senator Steiwer of Oregon, when notified today of his selection as keynoter for the republican national convention, was: "That's fine. Now I'll have to get busy and write a speech."

BARKLEY LIKELY TO BE KEYNOTER FOR DEMOS WASHINGTON, April 21.—(AP)—Selection of Senator Barkley of Kentucky as keynoter and Senator Robinson of Arkansas as permanent chairman of the democratic national convention is definitely expected when the committee on arrangements meets at Philadelphia Saturday.

REPUBLICAN POLITICAL FIGURES IN MUTNOMAH COUNTY CLASHED TODAY

over the protest of one, C. C. Chapman, candidate for state representative, against a 19-point program. Chapman, criticizing Chairman Ed R. Campbell, of the county central committee, said candidates were being offered the program on a reject-or-accept basis, with no choice as to any individual point.

Campbell replied that in the past each candidate had prepared his own program, resulting in a mass of them. The committee merely attempted to work out a uniform program, the chairman said.

"It proposes to inflict the obsolete ward system on Portland for the election of legislators, a step back into politics which was no torious for corruption," asserted Chapman.

Chapman charged that Campbell "has gone grossly beyond warrant of law" and "is entitled to no consideration by candidates so far as his unlawful demands are concerned."

Victims Growing Weak No one knew the exact physical condition of the two prisoners. Dr. Robertson would only say "we are fine." But they did not walk over the 125-foot tube through which they received yesterday their first nourishment in seven days.

"We are too weak," Robertson said over a one-way telephone. Dr. H. K. Macdonald, the Halifax physician who brought an emergency hospital unit here, said both were suffering from heavy colds, and that Scadding has a "bad case of trench feet." He agreed with what Dr. Robertson said last night about being "able to last another 24 hours or so."

Far down in the pit, scooping earth by hand and passing big rocks along the human chain, the miners worked in relays. When their "trick" was up they staggered to the fresh air, received nourishment and went back.

Dr. Robertson, speaking through the tube, asked early today for a pen to write instructions concerning what should be done if he and his single surviving companion were not rescued soon.

EUGENE WATER AND LIGHT RATES CUT

EUGENE, April 21.—(AP)—Substantial reductions in water and light rates will become effective here June 15. It was announced today by J. W. McArthur, superintendent of Eugene public utilities.

Water rate reductions will be effective through meter readings of October 15 and are expected to enable residents to keep lawns and gardens well watered throughout the summer months. Electric rates will be permanent.

The water rate cuts start with the use of 1,000 cubic feet where the rate will be five cents per 100 cubic feet as against the former rate of 11 cents. Over 1,000 cubic feet, users will pay four cents as against the former rate of five cents. This rate applies to virtually 98 per cent of all residential users while those with larger meters get proportionate reductions.

The rate reduction in the electric utility amounts to 15 per cent for residential and commercial users and ten per cent for power users. The reductions will cut the utility approximately \$60,000 annually, McArthur said.

CAMP BRADFORD BRADFORD, April 18.—Seven Camp Bradford enrollees have been drafted into the state forestry service since April 1st. The instruction received by these men along with the courses of educational work equipped them to creditably fill the positions. Gene Sarty went as a Caterpillar instructor; Oscar Hull and Robert Patterson as forestry clerks; Herbert Buzzard as a "cat" operator; Lloyd Bickford as a mechanic; Ray Ayers as camp auditor; Ernest Connell as forestry foreman.

Joseph Campbell has been appointed assistant educational advisor at this camp. Campbell is a University of Kansas man. Training for the Medford district CCC Olympiad in June is under way. Leo Gandolph, project superintendent, is constructing a fifth-mile track.

A "kitten ball league" comprised of six teams selected from camp members has opened the season here. Capt. Meiring, Medford district quartermaster, visited camp this week. W. C. Bravender, educational adviser, returned from San Francisco this week. He has been on leave.

Clellie McAulry, an enrollee, was seriously injured in an auto accident Sunday last. He was removed to the veterans facility hospital in Roseburg.

Twelve new eight-men barracks are nearing completion. These will house all the men remaining at the main camp during the summer. It is anticipated "Buck Springs" side camp will open early in May. A zone educational conference will be held at Camp Bradford

APRIL 22ND AND 23RD FORESTRY OFFICIALS AND COMMANDING OFFICERS OF CCC CAMPS ARE PARTICIPATING TO THE END OF IMPROVING EDUCATIONAL PROGRAMS IN THE CAMPS

Crafts, vocations and hobbies are being introduced into the camps by experts in the field.

The past week this camp has received sixteen new enrollees from Roseburg. There are a few more enrollees expected from Portland and vicinity in a few days. These members are being chosen to fill vacancies caused by former enrollees accepting steady employment.

With the new enrollment adjustment, Bradford has finished its class registration and the new spring school term is in full swing.
