11 INITIATED INTO NAT. HONOR ORDER

The national honor society initiation was conducted at Roseburg Senior high school yesterday for 11 candidates, who were elected to membership on records for leadership, character, scholastics and service.

Paul Geddes, a charter member of the society, addressed the assembly, while talks on the ideals of the club were given by Theresa Conn, Jean Geddes, Kathryn Bensenbark and Jean Banning. Clair Shirey, president of the club, presided over the initiation. Leroy Hiatt, faculty adviser, introduced Mr. Geddes, the principal speaker.

The neophytes were presented with their certificates of membership by Mary Ellen Darby, secretary.

The new members are Lee Wells, Joan Murphy, Ethel Kinney, Mary Julia Miller, Lois Updike, Burton Laird, Frank Wells, Fanny Lu Wimberly, Dorothy Germond, Elizabeth Campbell and Beverly Winston.

Members of the society plan to attend the meeting of honor societies at Reed college, Portland, Saturday, May 2.

AWARD FOR SAFE DRIVING AGAIN WON

Presentation of 13 one, two and three-year safe driving awards to employees of the Oregon division of the General Petroleum corporation has just been completed as part of the firm's safety program.

At the same time, a total of \$41 awards were presented to 40 employees in all divisions of the firm. Included among those receiving second year awards was Ted Snyder, Roseburg branch manager.

OREGON EVENTS FLASHED FROM WIRE SERVICE

ALBANY, Ore., April 22.—(AP)—Buyers took 96 of nearly 500 pieces of property placed on the block at a sheriff's sale.

The sale prices, little more than enough to cover delinquent taxes and interest due, totaled \$4500, the sheriff's office reported.

PORTLAND, April 22.—(AP)—Forest service officials said the first fire of the season in the Mt. Hood forest cost J. S. Hoover, of Cascade Locks, a \$20 fine. A report said he started a clearing fire on his land but failed to take proper precautions to control it, the flames spreading over two acres of other lands.

EUGENE, April 22.—(AP)—The University of Oregon summer school, under the direction of Dr. Dan E. Clark, will open June 28. Courses offered will include those in business administration, music, languages, science, journalism, architecture and allied arts, economics, education, physics, anthropology, literature, chemistry, law, mathematics, political science, physical education and coaching.

PORTLAND, April 22.—Foot-

pads snatched the purse of Mrs. Maybelle Rich, took a coin purse containing \$8 and fled, discarding the purse. They overlooked \$15 she had secreted in a trick pocket.

BANDON, April 22.—R. T. Moore, president of the Moore Mill and Lumber company, termed threatening letters, received by officials of the sawmill and timber workers' union, the work of "cranks."

Sheriff William Howell ordered homes of the men guarded but said he expected no trouble. The Moore mill has been picketing during a jurisdictional controversy between a company union and the A. F. of L. affiliate.

PORTLAND, April 22.—Miss Letha Humphrey, president of the Oregon board for the examination and registration of nurses, said today Miss Ruth Squier, graduate of a Dallas, Tex., nursing school, will succeed Miss Jane Gavin as executive secretary of the board.

THE DALLES, April 22.—The Dalles post of the Veterans of Foreign Wars called upon the works progress administration today to give native-born citizens preference on relief jobs.

An excessive number of aliens is employed, the veterans declared. The post inaugurated a survey to ascertain the number.

ALBANY, April 22.—A collision with a train cost the life of Frank Laux, driver for a fuel company, here. A witness said Laux was driving slowly and his truck apparently stalled on the tracks.

PORTLAND, Ore., April 23.—(AP)—A. W. Muir, executive officer of the United Brotherhood of Carpenters and Joiners, said today 30,000 men in British Columbia would strike May 4 unless wages are placed on par with those in

the lumber and sawmill industry of Oregon and Washington.

He said the British Columbia council of loggers and mill men voted the strike at Vancouver Monday.

NORTH BEND, Ore., April 23.—(AP)—North Bend joined with its neighbor city, Marshfield, in barring walkathons. Mayor L. A. Cutlip said the council, in closed session, decided to refuse an application for a permit for a proposed contest here.

PORTLAND, Ore., April 23.—(AP)—Seattle is maintaining its reverse lead in its "sudden death" contest with Portland. The Washington city has had 10 traffic fatalities to Portland's five since March 1, but is in the winning bracket for accidents and injuries. The contests to date: Accidents, Portland 2,095, Seattle 1,820; injuries, Portland 395, Seattle 280.

MARSHFIELD, Ore., April 23.—(AP)—Mrs. Carrie Goss, mother of the late Coss county senator, died at Hudson, Wis., at the age of 101, friends here learned. Senator John D. Goss, who visited his mother in Wisconsin on her 100th

Thanks to her new
Electric Range.

The DICTATOR

THE NEW 1936 WESTINGHOUSE COOKING MARVEL

What a blessing to the modern housewife the electric ranges are. It is no longer necessary to arise at six in the morning, clean, scrub, scour and pot-watch until nine or nine-thirty at night in a hot, stuffy kitchen, bending over a boiling hot stove. No, indeed, the modern housewife spends only a small portion of her time in a clean, wholesome kitchen. Relieved from kitchen drudgery, she has time to enjoy the companionship of her family and give more time to the training of her children.

Be sure to see this new range which is now on sale. No description of ours could possibly convey an idea of the exceptional beauty of design and finish, the symmetry of line, the masterly way in which this range is designed and built. The most careful workmanship and finest of high grade materials assure a product of the very best. **SAVE \$50.00 AT THIS PRICE.** Astounding as it may seem, **TOTAL PRICE DURING THIS SALE, ONLY \$99.75 CASH, or \$5.00 down and very easy monthly terms.**
