Mocking Birds Taboo

LOS ANGELES, April 29.—(AP)—Mocking birds are not always romantic.

One of them so annoyed a sleepy citizen he demanded police take measures.

In North Hollywood the citizens didn't wait for police. Seeing one

pluck hair from the backs of cats and dogs to build a nest, they started shooting. Leo C. Pappa complained one shot almost struck an innocent bystander and another crashed through the windshield of Pappa's car.
