

ZIONCHECK CENTER OF SAN JUAN ROW

SAN JUAN, P. R., May 12.—(AP)—The national guard was mobilized in San Juan, and all public and private schools were closed today by the department of education to calm student independence uprisings.

Governor Blanton Winship said all steps would be taken to preserve law and order.

The administration's move followed accidental entanglement of Representative Marion Zioncheck, the homesmoothing American congressman, with the student "freedom" demonstrations.

Neither the nationalist party nor the other party, apparently, had

any desire to continue the misalliance.

Zioncheck, here on a honeymoon, attained island-wide interest Monday by a series of automobile mishaps. Last night he found himself in the center of a riot of high school children who were demonstrating in favor of the establishment of Puerto Rico as an independent nation, outside the jurisdiction of the United States.

Neither the congressman's driving, nor the independence movement had any relationship with the other, but before last night's demonstration was ended Zioncheck asked that the United States marines be called out.

Quite apart from Zioncheck's worries, the situation among the school pupils was becoming serious.

After their destructive demonstration in the central high school, they massed again before the school building today and police

QUADRUPLETS DOING NICELY FIFTH DAY

PASSAIC, N. J., May 12.—(AP)—The quadruplet situation at a glance today:

The four football-size babies entered their fifth day of life with a firmer grip on it.

Mama Elsie Kasper, suffering from a bronchial cold, cannot as yet see her Frances, Frank, Ferdinand and Felix.

Papa Emil Kasper, blissfully happy, doesn't know when he will return to that \$22-a-week job in a railroad roundhouse.

Dr. Frank J. Jani, the family doctor, disclosed that Dr. Allan Dufoe, deliverer of the Dionne quintuplets, had sent him an encouraging telegram, and added that he was profiting by the Canadian physician's experience.

Mayor Benjamin F. Turner, the Kaspers' business manager, rejoiced that "God saw fit to bestow this blessing on these people in Passaic."

The Kasper treasury grew, with \$600 in cash and a newspaper syndicate contract calling for \$750, plus \$10 a week the first year, \$50 a week the second year, and half of any motion picture profits.

Mrs. Kasper hinted that a round trip to Germany, her homeland, aboard the dirigible Hindenburg would be much more desirable. She would take the quadruplets with her.

The morning weigh-in showed that three of the four babies had gained weight over night. Frances was up a half ounce to 3 pounds, 10 ounces. Ferdinand also gained a half ounce to 3 pounds, 8 ounces. Felix made a quarter-ounce gain to 2 pounds, 14 ounces. Frank was unchanged at 3 pounds, 1 ounce. Nurses said the quartet had a good night and their temperatures were normal for premature babies.

STRIKE OF FISHERMEN DELAYS BOAT'S SAILING

ASTORIA, Ore., May 12.—(AP)—A strike of fishermen today on the floating cannery ship Mennon indefinitely delayed its sailing for Alaska fishing banks.

Packers and the Alaska fishermen's union failed to reach wage agreement. Many of the fishermen carried their luggage from the boat.

The vessel was fully loaded with supplies for all-summer operations and also carried supplies for the shore cannery at Nushagak. Vote of the union on the packers' offer was expected to be taken in San Francisco Friday.

Musicians and those who take up flying as a business when they are between 18 and 29 make the best pilots, says Harold Wilson, a Vancouver, B. C., aviation instructor.

PAINT HEADQUARTERS

Nearly all of the precincts have two election boards, one to count the ballots as they are cast, a count being permitted whenever there are 10 ballots in the box.

KRNR to Broadcast

Through special authority given by the federal communications commission, the News-Review's radio station, KRNR, will remain on the air Friday night to broadcast election returns until midnight.

Precinct reports will be received directly at the KRNR studio and will be broadcast immediately, together with all election news from which will remain open until midnight. The Associated Press leased wire, night to furnish state results.

Frequent bulletins will be given listing the accumulated totals of the respective candidates.

No precinct tabulation will be bulletined at the News-Review office, due to the large number of candidates on the ballots.

All election information available, however, will be broadcast by KRNR from 9 p. m. to midnight.

COURT PROTECTS F. R. ICKES NOTES

WASHINGTON, May 12.—(AP)—Chief Justice Alfred A. Wheat ruled today that confidential correspondence between President Roosevelt and Secretary Ickes could not be introduced as evidence in the District of Columbia supreme court.

He upheld Jerome Frank, PWA attorney, who refused to produce the letters in response to a subpoena by Dean Acheson, counsel for private utility companies.

Acheson contended that the letters would disclose a scheme of two officials to regulate local power rates without due authority.

"I am surprised that there should be so much controversy over this point," Chief Justice Wheat said. "This is not a question of the personality of the president; it is a question of the president's office itself. I can see no conceivable reason why communications between the president and his cabinet members should be opened to public discussion."

Chief Justice Wheat made this ruling after more than an hour of debate between Frank and Newton D. Baker, joint counsel for the utility companies. Baker cited Chief Justice John Marshall, the trial of Aaron Burr, and ancient English law in his attempt to bring the letters before the court.

BORAH TRAILS IN OHIO'S PRIMARY

(Continued from page 1)

writing a platform uncompromisingly opposed to President Roosevelt and the new deal."

Landon Favored

In West Virginia, Roosevelt was given 47,816 votes in 534 out of 2,347 precincts. No tabulation of those for his only opponent, Joseph A. Contromarsh of New Hampshire, had been made.

First returns there gave supporters of Landon the better of it in the republican primary. Ten delegates favoring his nomination were ahead.

Of the 37 candidates for the 16 places on the state's delegation, 24 had announced they would abide by the preference primary result. Borah had this count practically to himself, but the promise of support was not binding.

Ralph M. Hiner conceded his defeat by Senator Neely in the contest for the democratic senatorial nomination. Hugh I. Shott of Wheeling led Frank Nesbitt of the republican senatorial nomination.

The Landon cause also appeared helped in Vermont, where nine unopposed delegates were picked.

Delaware and North Dakota democrats, as expected, selected six and eight delegates respectively to advocate a Roosevelt re-nomination at Philadelphia.

OKLAHOMA PRISON SCENE OF BREAK

(Continued from page 1)

the prison brick yard.

Truck and Sedan Taken.

The fleeing convicts, none of whom was identified at once, stole a prison truck and a guard's sedan.

Two guards were reported wounded. One, Bob Gossett, was in a McAlester hospital with several bullet wounds. The name of the other was not learned.

Warden Kenney said his first reports were the prisoners drew knives on one foreman, used him as a shield, and forced the guard at the gate to turn over his gun. Then guards on the walls were forced to throw down their guns.

"The prisoners took the guns and opened fire," the warden said. "They then took a guard's car and a prison ice truck and fled."

Nine possees, including nearly 20 guards, took out in pursuit and nine operatives of the Oklahoma crime bureau were sent from Oklahoma City.

The fugitives were reported seen heading toward Seale, 15 miles northwest of McAlester.

CHILD FALLS OFF BRIDGE, DROWNS

BAKER, Ore., May 12.—(AP)—Romona Craig, 7, fell from a swinging bridge across Pine creek at Cornucopia, mining town 75 miles northeast of Baker, Tuesday afternoon and was drowned. The girl is survived by her parents, Mr. and Mrs. Elvin Craig and two sisters.

Mr. and Mrs. I. Larson, of Lookingglass, were business visitors in this city yesterday.

LOGGERS' STRIKE HITS COLUMBIA AREA

(Continued from page 1)

fusal to discharge two non-union men.

The Longview, Wash., area will not be affected by the closure order, due to a previous agreement, Crosby said.

Garage Strike Weakens

Garages continued to operate on a limited basis here today in face of a strike by the automobile mechanics union for standard wage scales and union recognition.

More than half of some 500 mechanical workers here answered the strike call Monday but the Automobile Dealers' association stated that "fear and uncertainty" kept part of the men from working and "these men are now returning to work."

"The present strike has but one real objective—closed shop," said a statement from employers. "Car dealers will not submit to this monopolistic and arbitrary dictation."

J. R. Reardon, business agent of the workers' union, answered that employers opposed the closed shop so they could keep wages low and fight the mechanics' union with company unions.

The strikers demanded a 40-hour week and minimum wages of 50 cents an hour for journeymen.

RABIES LEAD TO DOG QUARANTINE

SALEM, May 12.—(AP)—Strict enforcement of the recent quarantine regulations for dogs in the rabies district in east Portland and Oregon City was ordered by the state department of agriculture here today as the result of reports of additional cases of the infectious disease.

The territory placed under quarantine includes the portion of Portland bounded on the north by the Columbia river, on the west by the Willamette river, on the east by the Sandy river, and as far south through Oregon City.

W. H. Lytle, state veterinarian, stated that all dogs must be restrained from running at large and must be held by chain or muzzled unless they have been treated with anti-rabies vaccination.

WANTED TO MURDER, NOW FACES NOOSE

LONDON, May 12.—(AP)—Frederick H. Field, a deserter from the British army, was convicted today of killing a 48-year-old woman "just because I wanted to murder someone." He was sentenced to death on the gallows.

There's one low-price car that's in a class by itself

Get that V-8 Feeling and See!

FORD

YOU can size up some cars by their "features." But you can't size up a Ford until you drive this great new 1936 V-8. For here is performance of the only V-8 engine in any car below \$1045. Here is roadability made possible by a unique spring and chassis construction. Here is riding quality based on 123" springbase—almost a foot longer than wheelbase.

Twenty minutes in a Ford V-8 begins to tell you how much these mean. You get an entirely different "feel." You get around quicker in traffic. You drive with less effort. You find a car in the class by itself for sheer modern performance.

Yet the V-8 has proved the most economical type of car Ford ever built—and the 1936 car the most economical of V-8's. Before you decide on any new car, drive this 1936 Ford V-8.

PERFORMANCE WITH ECONOMY
Terms as low as \$23 a month, after down-payment, under new UCC 1/2 per cent a month plans. Prices \$510 and up, FOB Detroit, including Safety Glass throughout in every body type. Standard accessory group extra.

BORROW A CAR FROM YOUR FORD DEALER TODAY AND GET THAT V-8 FEELING!
