SALEM, May 15.—(AP)—A proposal for the gradual reduction of Oregon taxes, which sponsors say would not disrupt governmental affairs, will be presented Oregon voters at the November election.

An initiative petition was filed by Carl T. Pape, secretary of the Oregon Taxpayers' association, which would amend the constitution, in five chief particulars limiting the taxing powers of the various political divisions of the state. The provisions would be:

Starting in 1937 the levy on real and personal property for state purposes shall not be in excess of 6 mills, with a gradual yearly reduction until 1942 when the levy shall be 4.8 mills as a permanent maximum. The state levy this year was 4.83 mills.

The 1935 tax levy shall be the base upon which reductions shall be computed for all other purposes, and starting in 1938 the levy shall be 56 per cent of that for 1935 and 1937, and a yearly gradual reduction until 1942 when the property tax shall be 80 per cent of the base.

Increased tax levies above the maximum must be approved by a

NORTH SEA AWAITS
AID THROUGH FOG

SEATTLE, May 15.—(AP)—Wireless messages today said the steamship Victoria was fogbound behind treacherous Cape Chacon, Prince of Wales island, on her errand to take off the 121 passengers of the crippled steamship North Sea.

The North Sea, safe in the shelter of Hunter bay, informed her owner, The Northland Transportation Co., that pumps, sent from Ketchikan, about 90 miles away, arrived during the night, had been installed and were rapidly drying her holds.

She ran aground on Marsh point,

southwest corner of Prince of Wales island, in a dense fog early yesterday, but refloated. Marsh point is about eight miles south of Hunter point.
