Demure Ruffles Add to the Chic of An Attractive Summer Frock  
PATTERN 4012  
by Anne Adams

You'll meet summer more than half way in this attractive dainty frock with its engaging ruffles edging the wide sleeves and adorable triangular pockets. Anne Adams has cleverly designed the sleeve on a semi-raglan line and inserted a cunning round yoke on the bodice front—all of which is most effective and very easy to cut and sew. Four waistline tucks both front and back insure a well fitted bodice and skirt, and we mustn't forget to call your attention to the smart button accents either. Make it up in gingham, percale or a sheer tub cotton for morning hours; then have a feminine version in swiss or voile.
