Today's Pattern

Wise Matrons Will Make Their Own Slimming Frocks for Warm Days
PATTERN 4013
by Anne Adams

A tall story and a slim one, is told by Anne Adams in this dainty summer frock of becoming lines. You'll be delighted with this cool, all-occasion style and the ease with which it can be made, for the simple pattern is so easy to follow that it takes but a little while to cut and stitch. Choose a few yards of cotton or tub silk—either printed or plain. The cape sleeves are on the popular ruffled style which give smooth shoulders and detract from the hip-line. You may puff the sleeves, if you wish. The half-way sash and tucks assure you a smoothly fitted waistline, and have you noticed the U-shaped neckline?—nevel, cool and flattering, we think.

Pattern 4013 is available in sizes 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38, 40, 42, 44, 46 and 48. Size 36 takes 3 1/2 yards 36 inch fabric. Illustrated step-by-step sewing instructions included.

Send FIFTEEN CENTS (15c) in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly name, address and style number.

COUZENS BIDDEN TO PRIMARY OF DEMOS

GRAND RAPIDS, Mich., May 21.—(AP)—United States Senator James Couzens, a republican, who faces vigorous opposition for re-nomination within his own party, had an invitation today to enter the democratic primary next September.

In Washington, Senator Couzens received without comment the news that the state democratic primary convention had endorsed him, along with five democrats, for the senatorial nomination. He has made no announcement of his plans.

The implied invitation to the republican senator was contained in a blanket endorsement of all who have been mentioned as possible candidates.

The democrats, who will hold their formal state convention today to elect eight delegates at large, each with a half vote, to the national convention, heard Postmaster General James A. Farley present in an address last night that "the governor of a typical prairie state" would be the republican presidential nominee.

He did not name the candidate, but Governor Alf M. Landon, of Kansas, is the only midwestern state executive prominently mentioned now as a possible presidential nominee.

Farley said the candidate to whom he referred was "destitute of experience and devoid of practice in national, still less in international matters," and that his election would be a "reckless experiment in government."

One faction of Michigan democrats has insisted that the national administration seeks the nomination by the democrats of Couzens for senator and Frank Murphy, former Detroit mayor and now United States commissioner to the Philippines, for governor. Farley disclaimed such an intention in an interview yesterday.

The blanket endorsement of all senatorial possibilities, and of Murphy, along with three others, for governor averted an expected convention battle.

MOTHER SEES HER "QUADS" FIRST TIME

PASSAIC, N. J., May 21.—(AP)—Mrs. Emil Kasper was left speechless today on first seeing her quadruplets.

Before she left St. Mary's hospital for her home in Little Ferry, she was taken to the children's special nursery just as Frank, second-born of the four, was having his minute ration of milk.

Mrs. Kasper put one hand to her forehead and stared, saying not a word until attendants led her away.

Then she turned to Dr. Frank F. Jani, who delivered the quadruplets 12 days ago, and said: "Thank you ever so much, doctor. I'm sorry for all the trouble I caused you."

The quadruplets, all pronounced in good physical condition, weighed today as follows: Frank, 3 pounds 6 1/2 ounces; Ferdinand 3 pounds 12 ounces; Felix 3 pounds 1 1/2 ounces; Frances 3 pounds 11 1/2 ounces. This was a 1 ounce gain for each of the boys and a 1 ounce gain for the girl since yesterday.

J. L. Dodson to be held to the grand jury on a charge of contributing to the delinquency of a minor. Rodgers was arrested upon a complaint made by parents of girls in the house where Rodgers was a boarder, the sheriff's officers report, and was ordered held for the grand jury after waiving examination in the Gardner Justice court. He was unable to furnish bail, fixed in the sum of \$1,000.

CALIFORNIAN BUYS BUCK FORK FARM

Sam Thackeray, resident of Buck Fork, was in Roseburg today and reported that he is preparing to deed his 10-acre farm to G. W. Cox, a California resident, who has purchased the property. The new owner will not take possession until September, when Mr. Thackeray and his family will move to nearby property which he is preparing to purchase.

JOBLESS INSURANCE PAYMENTS ROLL IN

SALEM, May 21.—(AP)—Payment of \$136,500 from 3,000 employers under the unemployment insurance act, representing a monthly payroll of almost \$4,000,000, was received by the unemployment commission here up to last night, but today's mail included more than 400 letters from others as the final date for payment ended last night.

The commission announced it would be unable to compute the total figures for several days, as well as the number of employees represented by the payments, since the office was swamped with work. The cashier of the department estimated more than 2,000 employers were yet to be heard from, and a 30-day grace period would be allowed for the payments for the first four months.

Most of the larger firms are making payments under protest, announcing they believed the federal social security act, under which the state law was enacted, was unconstitutional. No action was contemplated in Oregon, but firms were awaiting final disposition of several cases in eastern states, the commission announced.

CLOSE ELECTION CONTESTS SHOWN

PORTLAND, May 21.—(AP)—After the election was over: Jack Allen, Pendleton, and U. S. Burt, Corvallis, found themselves 50 votes apart in the race for the democratic nomination for state treasurer, with Allen in the lead at 141 votes.

A. Ray Martin, Lane county, and R. R. Turner, Polk county, were 65 votes apart in the contest for the first congressional district, with Martin leading.

Joe E. Dunne, Portland, sent a letter to republican convention delegates asking their votes for him as delegate chairman inasmuch as he received the largest vote, 45,006, in 1937 out of 1625 precincts. But competition is in sight. Walter Tooez, Portland, and Harvey H. DeArmond, Bend, also have their eyes on it.

Victor Oliver, Albany Justice of the peace, only republican candidate for renomination, received 32 write-in votes on the democratic ticket and Lee Rohrbough's name was written in by 31 voters, one short of forcing Oliver into a November election contest.

Gov. Alf Landon received 2,843 write-in votes in Portland, Senator Steiwer 1,971, and Publisher Knox 318.

KELLY AND ARTHUR LOW ON BLDG. BID

The office is to be erected on the department's property in the south part of town and will house the division office and bridge department, now located in the courthouse.

U. S. P. XI

Advertising will never be outdated as long as we have NEW AND BETTER things to sell.

"NEW AND BETTER REMEDIES" is no idle talk.

On June 1, 1936, the new edition of the United States Pharmacopoeia, "U. S. P. XI" becomes the official and legal standard. Also the new National Formula VI becomes OFFICIAL. Thus the standards which have prevailed for the past ten years are now OUTDATED.

A review of the new legal standards states: "Three hundred twenty-one articles have been discontinued and in their places two hundred thirty-two new and better remedies have been included."

Therefore we advertise to let you know that we keep in step in the March of Science and we are able to give you up-to-date drugs, remedies and prescription service.
