Novel Shoulders A Chic Highlight of A Crisp, Young Sports Frock PATTERN 2623

by Anne Adams

Laced Shoulders? Of course! And trust Anne Adams to incorporate this last word in smartness in her newest of snappy sports frocks, which may be worn on many occasions throughout the summer. Of lacy effect is the rounded skirt yoke, this line also followed out in the curved shoulder yoke which continues right down the short cool sleeves. Plenty of bodice fullness, too, made by gathers of the blouse at the yoke, while the center skirt panel contributes its share to the graceful flare. This bright and refreshing model would be very good in any of the gay new cottons—try pique, linen, crash, or sports silk.

Pattern 2623 is available in sizes 12, 14, 16, 18, 20, 22, 24, 26, 28 and 30. Size 16 takes 24 yards 36 inch fabric. Illustrated step-by-step sewing instructions included.

Send FIFTEEN CENTS (15c) in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly name, address and style number.

BE SURE TO STATE SIZE. Order our NEW ANNE ADAMS PATTERN BOOK and learn how easily you can make a smart summer wardrobe that's just your style! The latest frocks, suits, blouses; beach and vacation clothes; bridal outfits. Lovely clothes for children, too. Smart styles for stunts. And a full picture-story of summer fashions and accessories.
