

DEAN DUO KEEPING CARDINALS AT TOP

Entire Team Plays Better
as Hurling Stars Show
Their Best Stuff.

By SID FEDER
Associated Press Sports Writer.

Say what you want about those Dean boys—their big talk and off-time astonishing antics—but when it comes to their pitching, they are as good as they go, so goes the gas-house gang from St. Louis.

Stealing a page from the history of Babe Ruth's leaping, with the New York Yankees, Dizzy and Daffy are just about the backbone of the National League leaders right now.

Of course, there are such men as Medwick, Martin, and the others whose batting has been keeping the Cards up there in the pennant chase, but even they seem to go better when one or the other of the Arkansas brothers is in action.

To date, the Cardinals have won 28 games and half of those victories are credited to Paul and Dizzy, yet the Deans represent only one third of the six starting hurlers. Franco Frisch has on his bench.

Paul never looked better than he did for eight and a third innings in a 5-4 victory over the Brooklyn Dodgers yesterday. They got to him finally in the ninth, but by that time his mates had the battle sewed up.

In allowing the boys from Brooklyn only six hits and one run in eight innings, he was one of the few throwers who weren't belted all over the lot in yesterday's big time bill.

Briggs, leading the Tizers to a 5-4 win over the Athletics, was the only winning hurler to go the route. For the rest, the boys with the bats had all the say—and they spoke up loud, with extra base blows.

GATE MONEY GOES UP IN COAST LOOP

By the Associated Press.

Prosperity is coming back to the baseball diamonds of the Pacific Coast League.

Existence of the boom in gate receipts was officially announced today by President Wilbur Tuttle after he watched the San Francisco Missionaries nose out the San Francisco Seals 1-0 last night.

The victory put the Reds just half a game back of the leading Seattle and Oakland clubs, as wet grounds kept them out of Seattle and Portland parks.

Salveson won the only other game yesterday for himself and Los Angeles, 3-4 with a sixth inning double that drove in the tying and winning runs.

Spitz scored the long run at San Francisco in the fifth. He singled, advanced on a fumble and a sacrifice and scored on Leishman's single. Three double plays backed-stop Osborn, who allowed the Seals eight hits and four walks. And he helped himself with nine strike outs. Gibson was hit six times.

Tuttle announced the financial revival after a tour which took him to Seattle where he said the horsehide boom is at its highest. And that's good news to all of the coast league heads, for in years past the coast league has been a financial failure.

Baseball and polo games, together with an exhibition by a trick mule will be features of programs each day.

Sunday at 3 p. m. on Finlay field the 20-30 club will meet the Tired Business Men in the first game of Donkey baseball.

Under the rules of the game all players are mounted except the pitcher, catcher and batter. The batter, after hitting the ball must mount and ride around the bases, providing his burro decides to go in that direction.

Fielders may dismount to recover the ball, but must mount again before making the throw.

The game offers nothing in the way of skill, but provides plenty of amusement.

Polo games are played with a rubber ball and brooms by players mounted on burros. Out of town players are being organized for the polo chukkers.

Monday at 7 p. m., the Firemen will meet the Lions club in the baseball game.

FRANCE IN CLUTCH
OF GENERAL STRIKE

Continued from page 1

Employees quit work in the munitions factory at Valenciennes.

Others quit work at the shipyards in Marseilles.

Paralysis Looms

Industrial regions around Paris and in northern France showed promise of being paralyzed.

French issues sagged on the Bourse and the franc reacted heavily.

The value of the British pound, in terms of French currencies rose to 76.20 francs as compared to yesterday's quotations of 75.96 francs.

The branches of several American firms were occupied by strikers today.

Among these firms were the Richard Hadnot perfumery, the Matford Automobile company, which is related to the Ford company, and the Crane plumbing fixture company.

The United States embassy said none of the company officials was molested and no assistance had been asked.

BOWLES DAMAGE CASE PROGRESSES

are disputed.

In view of anticipated lengthy arguments and possible lengthy instructions from the court, it was possible, court observers said, that the action may not reach the jury until early tomorrow.

Not Diogenes' Ghost

TRENTON, N. J., June 3.—(AP)—An excited woman's complaint that a demented man was tashing about her neighborhood was relayed to a police radio car.

She explained the man must be a lunatic because he went about with a bird cage on head and a torch in hand.

Back came this report from the police car:

"Supposed demented man is here-keeper. Have escaped and he equipped himself with headnet and smudge torch to recapture bees. He has recovered here."

"Clothes cleaned by us are insured against moths for 6 months!"
