

G. O. P. TREASURER GATHERING SHEKELS

CHICAGO, June 24.—(AP)—In a downtown office there sits a tall, smiling man who until a few days ago was known for giving money away, but now possesses an itching palm.

FLUSH OUT 15 MILES OF KIDNEY TUBES

Medical authorities agree that your kidneys contain 15 miles of tiny tubes or filters which help to purify the blood and keep you healthy. Kidneys should empty 3 pints a day and so get rid of more than 3 pounds of waste.
