F. R. SIGNS BILL TO REDUCE WINE TAX

WASHINGTON, June 26.—(AP)—The liquor tax administration act, revising wine tax rates sharply downward, was signed into law today by President Roosevelt.

Among other things, the act:

Reduces by 50 per cent the taxes on still wines, champagne, sparkling wine, brandy used for fortifying purposes and liquers and cordials; removes a first withdrawal tax of 20 cents per gallon and a rectifying tax of 30 cents per proof gallon on vermouth; repeals the tax on grape concentrates; permits American vintners to designate their product by wine-type names of foreign origin, provided they carry a prefix indicating the place of geographical origin, such as California, in this country.

STANLEY KIDDER TO HEAD SCOUT CAMP

Stanley Kidder of Roseburg will be in charge of the Skyline trail mountain trips to be conducted in connection with the Boy Scout Lucky Boy summer camp on Blue river. The camp will open on July 5 and continue through three two-week periods, closing on August 16.

Mr. Kidder has had six years experience in Roseburg Boy Scout camps and is considered an expert in mountaineering. The Skyline trips are for scouts who are about 15 years old or older and are experienced campers. These scouts while in camp will occupy two new block house type cabins. The first two days of the period will be spent in preparing equipment and the grub stake for the ten day pack horse trip which will start on the third day. The last two days of the period will be spent in camp also.

Three very interesting routes have been outlined for the trips. The first period trip will be northward from scout camp across the Santiam basin to the base of Three Fingered Jack mountain and thence down the Skyline trail to the McKenzie Pass and back to camp. For the second period the trail will lead south up the south fork of the McKenzie, east by way of the Elk creek trail to the Skyline trail and then north to the McKenzie pass. The third trip will be through territory similar to that of the second, but will be over different trails. The trips average about 75 miles.

The first period of camp is filled and only a few places remain in the second period is the report received from Boy Scout headquarters in Eugene. The leaders at the camp will be H. B. Sallee, camp director; William Wirt, assistant camp director; Dr. A. L. Alderman, nature study program; Jack Stafford, handicraft program; Edwin Christie, first aid director; Alfred Tingle, trading post manager, and Stanley Kidder, leader Skyline Trail trips.

BYRD AIRPLANE TO HOLD OVER SUNDAY

On account of the unusual "air-mindedness" of the people of Roseburg, the Byrd "South Pole" airplane, now flying at the local airport, will be held over until 11 p. m. Sunday night carrying passengers on night and day flights, the management announced today. A trip over Crater lake will be made at 9 a. m. Sunday requiring an hour and a half. If sufficient reservations are made, an additional trip over the famous lake in the famous plane will be made Monday morning at the same hour before the plane leaves for Salem, its next stop.

This is the same plane that Admiral Byrd used on both of his expeditions to the Antarctic continent and has just been reconditioned at the factory for a two-year tour before being placed in the Smithsonian museum at Washington, according to Alton Walker, manager of Western Airplane Distributors, Kansas City, Mo., who is here in charge of the local tour. R. L. Myrick of Kansas City is the pilot. He has had some 4,000 flying hours' experience.

The ship is a 6-passenger Fairchild cabin airplane, powered with a 500-horsepower Pratt & Whitney Wasp motor, using 30 gallons of gasoline per hour and cost $23,000.

WILLIS MAHONEY TO SPEAK HERE JULY 4

According to announcement this morning by a group of Townsend leaders here, Willis Mahoney of Klamath Falls, nominated on the democratic ticket to oppose Senator McNary in the senatorial race in the November election, will address a county-wide mass meeting in this city Saturday afternoon, July 4. Arrangements are being perfected for a Fourth of July demonstration of Townsend followers here at that time. It is expected that county clubs will be on hand with floats to take part in a gigantic parade on July 4, and an all-day program will be announced soon for that occasion. Speakers will be present from Portland and other cities to help entertain the crowd expected, and Mr. Mahoney, who is billed to speak at another point north in the Willamette valley, will be here in the afternoon. A basket dinner will be served at noon. Details of this gathering of Townsendites will be made in a few days, and Roseburg is promised an interesting affair for all day July 4th.

NOTICE

Beginning Tuesday night, June 30th, the Kroeker family, west coast Eyeographic Evangelists, will hold meetings every night at 7:30 at the North Methodist church. The word of God in music, song, pictures and heart to heart talks. Special singing accompanied by vibra harp and guitar by the Kroeker sisters. Everybody welcome.—Adv.
