Why I Switched to Dodge" by GEORGE DEWITT SHEETS, Cranford, N. J.

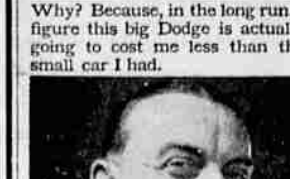

I traded in my small car to get a big Dodge "Beauty Winner." It was one of the best moves I ever made.

Why? Because, in the long run, I figure this big Dodge is actually going to cost me less than the small car I had.

For example, I'm getting 21 miles per gallon of gasoline—and I haven't added any oil between changes. And Dodge is so easy to buy! One can get a Dodge for not much more than \$25 per month! It's easy to see why more people buy Dodge cars than any other make, with the exception of the three lowest-priced cars!
