

LEGION JUNIORS SPLIT TWO GAMES

**Douglas County Nine Takes
First, 11-5, Eugene Wins
Second, 8 to 7.**

The Douglas county and Eugene Legion junior baseball teams have evened in games played here over the week-end, the home team taking the first game 11 to 5, while Eugene won Sunday's battle 8 to 7.

Playing errorless ball, the Douglas county team cracked out 11 hits off two pitchers to win handily. Elliott, who started the ball game, let Eugene down with two hits and two runs during his six innings on the mound.

The home team landed on Cox, starting pitcher, for two hits in the first inning, while three walks loaded the bases as King came in for a relief twirler and stayed on the mound for the balance of the game, being rapped for nine hits.

The Douglas County Huskies scored in every inning except the fifth.

In the seventh inning, Curley McLean tossed off his catcher's gear and ran Elliott off the mound to try his hand at pitching for three innings. He yielded six hits, which went for four runs, but was given excellent support.

The home team showed real form, despite the fact that the lineup was badly shifted.

Ball was out of both games with a sprained ankle and Neal took his place at third base, playing a good game. Roberts went into Neal's right field position.

Igoe Hits Homer
An eighth inning rally, in which three hits, one a home run by Igoe to clean the bases, were abetted by three errors, gave Eugene a victory in Sunday's game.

The Huskies began loafing after pounding out five runs in the first two innings and Eugene took advantage of their lethargy to eke out a win.

Sorenson, starting for Eugene, had a poor beginning, loading the bases with walks and a fielder's choice, and then proceeded to walk in a run. A slow play on Holbrook's infield drive and a wild pitch brought in two more runs, as Igoe, Eugene's star twirler, came onto the mound.

In the eighth inning, a hit and two errors accounted for two more.

Andrews, pitching for the Huskies, allowed only one hit in each of the first two innings, but was rapped twice in the third and one run scored on a wild pitch. He was pulled out of a hole by a fast double play.

Up to the fifth inning Eugene was not able to hit the ball out of the infield, but in the sixth a single past third and a hit batsman put two on bases to score when Holbrook misplayed a long fly to center field.

In the eighth inning, with two down the home team blew up like a powder house as Cox and King singled and scored on errors by Andrews and Neal in handling easy infield balls by Bailey and Sorenson.

Igoe came to bat to win his own game by driving a home run into the left field grove.

The Huskies awoke from their sleep in the last of the inning to drive in two runs on singles by Vleck and Elliott, who had replaced Andrews in the eighth, and Crouch, but Lewman made a beautiful catch of Morgan's long drive to left for the third out and the tying run died on base.

Both teams were held scoreless in the ninth.

**BROWN FAVORED TO
WIN OVER SPINA**

PORTLAND, July 6.—(AP)—An old argument in northwest fistic circles will take the shortest way to an answer tonight when Al Spina and Buzz Brown meet in a featherweight bout over the 10-round route.

Spina, flashy Portland boxer who has cut a spectacular path through the fistic ranks of the featherweights in recent months, defeating such topnotchers as Speedy Dado, Young Tommy, Frankie Castillo and Tuffy Pierpont, will go into the ring the underdog.

The boys who risk their money on such things are betting 3 to 2 that Brown, Minneapolis product, comes out with the fame, although large amounts of Spina money made even money possible by late time.

Brown was given the edge in early betting because of his experience, with Spina supporters counting on the young Italian's punch.

Each must scale 126 pounds or forfeit 25 per cent of the purse.

**AMERICAN ALL-STAR
TEAM GIVEN EDGE**

BOSTON, July 6.—(AP)—The National league will concede about 22 points in batting to the American league sluggers when the pick of both circuits line up tomorrow for their annual all-star baseball game.

Manager Joe McCarthy has at his disposal an array of American league sluggers hitting the ball for about .324.

The question seems to be whether Manager Charlie Grimm's senior circuit representatives, butting for .312, have the pitchers to subdue such clobberers as Lehigh, DiMaggio and Dickey of the Yankees, Fox of the Red Sox, Averill of the Indians, and Gehring of the Tigers.

The starting pitching berth for the National leaguers seems to rest between St. Louis' Dizzy Dean or

CUBS STAY IN LEAD ONLY SINGLE DAY

By SID FEDER

For the second time in a week, the National league lead lasted just a day. Yesterday the Pirates knocked Chicago off the top again with a 4-3 victory, while the Cardinals slugged the Cincinnati Reds 8-4 and 17-7 to move in.

With the Cards' double victory stopping at least momentarily the forward surge of the rampaging Reds, the supposedly lowly Phillies gave the loop something else to talk about by entering their longest victory streak of the season, stretching their run to five straight yesterday over the Boston Bees, 7-6.

As if that was not enough, the Brooklyn Dodgers apparently forgot they were in the Polo grounds, where they are supposed to be jinxed, and clubbed the Giants 3-1, despite Mel Ott's 15th homer.

The Washington Senators, too, did some forgetting. It must have slipped their minds that they were facing the murdering New York Yankees, that Red Ruffing was pitching, and the betting boys had just made the odds on the Yanks 1 to 4—highest in history—to take the pennant.

With Jimmy Doherty, a Yank cut-off, on the mound for them, they fanned in a 9-3 victory. The triumph didn't put the Senators above fourth place in the league, because the Red Sox, finding the Athletics easy, came through with a doubleheader decision, 16-2 and 8-2, to hold onto third place.

The aroused Detroit Tigers stayed in second by walloping the Browns 18-9. The up-and-down Cleveland Indians were up in the first game of a twin bill with the White Sox, 11-4, and then lost the nightcap 4-2 before Johnny Whitehead's seventh pitching.

The aroused Detroit Tigers stayed in second by walloping the Browns 18-9. The up-and-down Cleveland Indians were up in the first game of a twin bill with the White Sox, 11-4, and then lost the nightcap 4-2 before Johnny Whitehead's seventh pitching.

MAPLE, PALMBERG TO COACH AT OSC

FORVALLIS, July 6.—(AP)—

Oregon State college called back one of its greatest athletic heroes, Howard Maple, to take over freshman sports next year.

Just to make the combination a stellar one so far as athletic fame is concerned, the new intercollegiate athletic board appointed Wally Palmberg, Oregon's basketball star for the past three years, Maple's assistant.

Maple will assist with spring football practice, leaving most of the training of future basketball talent to Palmberg.

It was seven years ago that Maple left school after a career in which he won all-star fame in football and baseball, playing quarterback and catcher. He played on two grid teams which defeated Oregon and was a star in the upset victory over New York University in 1928.

Maple left school to play professional football and basketball, getting major league tryouts with the Chicago White Sox. For the past few years he has been assistant coach at Willamette university.

Palmberg topped off a brilliant basketball career by winning an all-American berth last season.

much of the south and "the drought is now effectively relieved rather generally from Mississippi, Louisiana, central Texas and southern Missouri northward over the southern Ohio valley and central Appalachian mountain section."

Mercury Soars
The bureau said the highest temperatures were reported "generally from Illinois, northern Missouri, and northern Kansas, northward, some of them being the highest on record."

The bureau reported these maximum temperatures for July 5, 4 and 5, respectively: Des Moines, Iowa, 102-108-106; Omaha, Neb., 110-116-104; North Platte, Neb., 104-106-102; Valentine, Neb., 106-108-108; Rapid City, S. D., 104-100-106; Sheridan, Wyo., 102-102-104; Miles City, Mont., 106-108-108.

HISMARCK, N. D., July 6.—(AP)—Records of more than 58 years standing were exceeded today as the mercury soared to 116 degrees at one North Dakota point, 112 at another and 109 at a third.

The 109 degree temperature, set here at noon, was the highest ever recorded since establishment of the local weather bureau 62 years ago. Napoleon, in the south central portion of the state, reported the 112-degree reading, highest there in 47 years.

**RAINIER YOUTH
COMMITTS SUICIDE**

RAINIER, Ore., July 6.—(AP)— Bud Timmonney, 26, was fatally injured by the discharge of a rifle in his room at the home of his parents, Mr. and Mrs. Tom Timmonney, early today. Investigating officers said the youth had attempted to take his own life after a dispute with members of his family.

He was rushed to a Portland hospital by ambulance. His face was badly mangled by the bullet, and he died later.

**AMUSEMENT CO.
DATED IN ROSEBURG**

The Browning Amusement company will be a feature of the entertainment provided for the state convention of the American Legion in Roseburg August 12 to 15. In addition, the convention commission reports, the commission has contracted with the company, which is an Oregon concern, having headquarters in Salem, to bring its shows and riding devices to this city for the convention period.

Use of the parish property at Kane and Washington streets has been donated by the Catholic church, and the city council has granted permission for the closing of Kane street for one block to furnish additional space for the concessions.

A percentage of receipts will be donated to the commission to be used in defraying a part of the convention expense.

Denver, July 6.—(AP)—Modern science has doomed the canary and mule in the coal mining industry.

The storage battery locomotive and a carbon monoxide gas indicator are replacing the mule and canary, the Mine Inspectors' Institute of America was told at its annual convention here today.

Thomas Allen, Colorado state mine inspector, said the day of the mule, long a beast of burden in the mines, is at an end. Electric locomotives powered by storage batteries are rapidly coming into use.

As for the canary, life never extraordinary, his future is dimmed, the institute was told, by the use of an instrument to detect the deadly carbon monoxide gas within the mine.

Heretofore the canary has been used exclusively to warn miners of the presence of the deadly gas, but now an instrument has been devised which will automatically register the presence of gas in amounts as low as one-tenth of one per cent.

MULE, CANARY NO LONGER MINE NEEDS

DENVER, July 6.—(AP)—

**SAYS MANCHURIA
DISAPPOINTS JAPS**

PORTLAND, July 6.—(AP)— Manchuria is a "very great disappointment to Japan," Vernon Nash, noted journalist, said today, when on a visit here.

Nash, who went to China to teach in 1921, said the Japanese forgot that "transplanted" things die quickly "so Manchuria instead of being a lifeline for Japan has become a millstone."

He said he thought it inevitable that Japan would attempt to take over eastern Siberia but that ultimately it would lose Manchuria to China.

**McNARY TO REACH
OREGON TOMORROW**

SALEM, July 6.—(AP)— Reports here stated Senator Charles L. McNary, republican floor leader, would arrive in Portland tomorrow and would proceed immediately to his ranch home five miles north of Salem.

Mrs. McNary and their small daughter will accompany him.

The senator will maintain offices here from where he will conduct at least part of his campaign for reelection.

**ROOSEVELT, LANDON
MAY VISIT OREGON**

PORTLAND, July 6.—(AP)— The possibility that Oregon may entertain the nation's two major party presidential nominees, Roosevelt and Landon, was seen today by Representative William Ekwall (rep.) and Governor Charles Martin (dem.).

Governor Martin said at Baker Saturday that he had invited the president to attend the Yaquina bridge dedication and believed he would accept.

Ekwall visited Landon enroute home from Washington and said it was possible he might come here this fall.

YONCALLA

YONCALLA, July 5.—Mr. and Mrs. Fred Smith are visiting relatives in Klamath county.

Mr. and Mrs. Noland, Mrs. Rada, and family and Mrs. Sam Watkins have transacted business in Roseburg Tuesday.

Mr. and Mrs. Elmer Tandy of Salem visited friends and relatives here Wednesday. Mr. and Mrs. Tandy are enjoying a short honeymoon. Their marriage took place in Salem June 28. Mrs. Tandy was Miss Hazel McElroy of Salem. Mr. Tandy is well known here, having lived here a number of years, and has hosts of friends who congratulate the happy couple and the best wishes of their many friends are extended to them. Mr. and Mrs. Tandy will make their home in Salem, where Mr. Tandy is employed.

Tom Miller visited here Saturday en route to Canada from his home in Los Angeles.

Miss May Gross is attending the N. E. A. convention in Portland this week. Her mother, Mrs. Alice Gross, stopped off at Clatskanie and will visit her daughters, Mrs. Devine and Mrs. Dear, for a few days.

Mrs. Ruth Lawman and Miss Bertha Stuberlin spent the week-end visiting friends in Portland.

Joseph Vogt of Oroville, Calif., is visiting at the Fred Sehon home for a couple of weeks.

Mr. and Mrs. Edward Duncan of Eugene have rented what is known as the Ramsey place, just south of town.

Miss Bob Cronk of Portland visited relatives here Sunday.

Mrs. Gave Kinney, Durie, Molly and Bonnie Kinney left Thursday for Corvallis and Rockaway, where they will visit relatives for a week.

Miss Helen Pundt of Newport, Washington, is visiting relatives here for the summer.

Mrs. Pennington left Thursday for her home in Grants Pass after a visit at the Tom Holloman and M. M. Shields home for several days.

Enjoy Trip.—Mrs. Bertha Parrott, Miss May Fisher and Mr. and Mrs. A. E. Kent enjoyed a trip to Marshfield, North Bend, Florence and Newport and back by way of Corvallis over the week-end.

CRATER LAKE SETS NATURALIST TREAT

CRATER LAKE NATIONAL PARK, Ore., July 6.—(Special)—

Plans for the summer naturalist program to be offered Crater lake visitors during the current season were announced this week by Park Naturalist John E. Doerr Jr.

As in the past, the primary destination for park visitors is the Sinnott Memorial Orientation station in the rim area to gain simple knowledge of the past, present and future of Crater lake through the medium of high powered glasses trained on important rim points, supplemented by interesting displays, cases with geologic specimens in place. Informal lectures are presented daily in the station at 10:30 a. m. and 3:30 p. m. Programs are offered nightly at the Community house and lodge.

The station, along with the information bureau, is the starting point for guided field trips, including the daily rim drive caravan, leaving at 8:15 a. m. and returning by noon. The Garfield peak hike leaves daily at 9 a. m. for the summit of Garfield peak, fourth highest rim elevation, returning by noon.

The Crater Wall trail trip may be taken at any time, covering a 1½ mile walk down the inside of the crater to the lakeshore, where rowboats and launches are available for trips and fishing. Short or long launch trips are available daily from 9 a. m. to 3:30 p. m. with the early trips accompanied by ranger-naturalists.

A self-guided trip follows the Discovery point trail for a distance of 2½ miles along the edge of the lake rim, offering impressive views of Skell's channel. Self-guided trips will be available through the Castle crest wild flower gardens in early July when mountain flowers will be in bloom. A number of early flowers are now available, including scarlet gilia and anemones.

GLENDALE

GLENDALE, Ore., July 1.— Mrs. W. P. Tate and Mrs. R. B. Gardner accompanied Mrs. B. C. Huntington and Mrs. C. W. Ingham to Medford Thursday evening to the recital given by the pupils of Sebastian Apollo.

Mr. and Mrs. Donald Holden and daughter, Helen, and son, Donald Jr., of Portland, have been visiting the past week at the Wm. Wunsch home.

C. L. Normoyle left Monday for a business trip to Chico, Cal.

W. S. Price was a business visitor in Medford Monday.

Mr. and Mrs. Wm. Wunsch had as dinner guests Sunday, Mr. and Mrs. George Olson and daughter, Eleanor, and Clifford Bromley, of Ashland.

Mrs. Donald Holden, and daughter, Helen, and Mrs. Wm. Wunsch attended the piano recital given by students of Sebastian Apollo Thursday evening in Medford.

Mr. and Mrs. Ray Wright, Miss Helen Howard, Mrs. N. S. Woodruff and children and Mr. and Mrs. Ted Johnson spent the week-end at Sweet Home.

Mr. and Mrs. W. L. Dobyns and son, Billie, left Tuesday for Medford where they expect to visit over the 4th.

Ira Lewis and children, Bob, Harold and Beverly and Mr. and Mrs. R. M. Ehrle visited Sunday in Gold Hill and vicinity.

Mr. and Mrs. W. P. Greenough were business visitors in Glendale Monday. Mr. Greenough is a mining engineer, and manager of the Benton mine, operated by the Lewis Investment company, near Glendale.

P. A. LaGrande, of Los Angeles, left for his home Monday, after visiting the past week with Mr. and Mrs. J. H. Peabody.

Morris Svank returned home Sunday from the Grants Pass hospital where he has been confined for the past two weeks.

A party of young people from Glendale and Grants Pass spent the day at Crescent City Sunday. Those from Glendale were Gene Pickett, Edna Humphrey, Bruce Woodruff, Glen Kiefer, Orville Dyer, Dorothy Dyer, Jim Craddock, Ernest Pickett, Odell Miller, Rodney Pell. From Grants Pass were Lois Dyer, Edna Harper, Ila Hercherberger, Patricia Holmes, Ruby Stiger and John Fauette, of Roseburg.

Mrs. G. B. Dickinson, of Portland, spent Thursday with her brother, J. H. Peabody.

Francis Nelson returned to his position in the office of the Ingham Lumber company Monday, after an absence of several weeks.

Mr. and Mrs. Thomas E. Lawson and son, Edward had dinner Sunday at the Wolf Creek tavern at Wolf Creek.

TENMILE

TENMILE, July 5.—Mr. and Mrs. Joe Krivsky of Chicago have been visiting with Mr. and Mrs. James Homolka for the past two weeks.

Mrs. Krivsky and Mrs. Homolka are sisters. This is their first visit together for twenty-three years.

The Tennille orchestra boys are giving a dance at the Rowell hall on Saturday night, July 4.

Miss Frances Smith of Camas Valley has been visiting with Miss Katherine Rowell for the past two weeks.

Farmers of this vicinity are almost through with their haying. The crop is unusually good this year and not damaged by the recent heavy rains.

Mr. and Mrs. J. F. Brown had as guests over the week-end, Mrs. Brown's sister and brother, Mrs. Munford and C. Z. Mawhinney, both of Banks, Ore.

Miss Blanche Barnes and Miss Mildred Coats are in Portland this week attending the N.E.A. convention.

Miss Betty Ball is spending a few weeks visiting her sister Marguerite, at Eugene.

Among Riddle people, who attended the funeral services of Mrs. Hattie Matthews at Myrtle Creek, Sunday were Mrs. C. P. Stauffer, Mrs. Grace Becker, Mrs. J. R. Lawrence, Mrs. G. L. Grant, Helena Riddle, Mrs. H. A. Crow, Mr. and Mrs. Elbert Ball, Mr. and Mrs. G. N. Riddle and Mrs. May Pate.

Mrs. Charles Burkhardt, of Charlotte, South Carolina, is a guest

ment and broke several agreements to surrender.

The rebellion finally collapsed when the 1,000 enlisted men heeded the government's appeals and promises of leniency and laid down their arms.

The officers were arrested, and since February 29 most of them have been lodged in the military prison at Sibuya, on the outskirts of the capital.

**CELEBRATION TOLL
IN OREGON EIGHT**

(Continued from page 1)

after the fuse apparently went dead. It exploded.

Jim Fox, 79, of Selma, cut the fuse on a stick of dynamite too short and the explosion lacerated his scalp and back. Alvin Anderson, 8, of Portland, suffered deep cuts in the cheek and fingers from an exploding firecracker.

Portland's only death occurred when somebody lit a firecracker

at the home of her niece, Mrs. Venita Starnes, in Missouri Bottom. Mrs. Burkhardt was formerly Miss Ena Parsley and made her home at Canyon
