Sheer Fabrics Popular for Summer Formals

Summer sheers of chiffons, nets and laces carry the fashion banner for this season's evening attire. They are not only delightfully cool but are easy to pick. And for daytime wear sharkskin suits are the last word. Julie Carter models a swanky outfit for the garden party or informal country dance. It is a printed chiffon with a peppermint red cross-striping. The very short, kimono sleeves and ruffled collar are most fitting. Gloria Stuart's smart gown is of sheer black net with a large chenille embroidered dot worn over a slip of black satin. The only note of color is the flesh pink inset. Sharkskin was the material chosen by Lucille Ball for her summer suit! A mannish jacket styled with a tailored collar and revers has a back laid in wide pleats from shoulder yoke to the half belt. A tucked linen blouse with turtle neck and white sports hat complete the ensemble.
