Today's Pattern

MAKE THIS FROCK FOR EVERY DAY—YOU'LL LOVE ITS CHIC DETAILS. PATTERN 4052.

by Anne Adams

You'll find out—if you haven't already—that when Anne Adams designs a frock, it's certain to be the last word in smartness and ever so easy to make—and this holds true of this delightful afternoon style, Pattern 4052! There's a bit of the unusual about the cool sleeve, for you may omit the cute cuff-effect and wear the sleeve a trifle shorter if you like. The yoke is clever, too, and most becoming cut on rounding lines, while the simple bodice provides shapely fit with generous gathers. How would you like it in dainty dotted swiss, percale, pique, crepe or linen? Each one's ideal, especially if novel buttons are chosen.
