**4 Years of Stomach Misery—Food Soured Quick as I Ate It—Van-Tage Made a New Woman of Me!** Testifies Prominent Oregon Lady.

Day after day, some of the best-known people of Oregon come forward with warm statements, praising and endorsing the Amazing Formula known as VAN-TAGE. Which is being introduced to crowds daily, here in Roseburg, by Florence Rexall Lutz, Roseburg. For instance, just a few days ago, Mrs. Katherine Simpson, of 1215 N. E. Alder St., Portland, made the following statement about VAN-TAGE: Mrs. Simpson has lived in Portland for years, where she is very widely known.

"I suffered so from neuritis pains that I couldn't raise my hands... I am so grateful for Van-Tage," writes socially prominent Mrs. Katherine Simpson of Portland.

ness from my stomach organs, and now my hands don't sour in my stomach as before! and it gave my bowels a great cleaning and regularity and they are perfectly regular now. Even my neuritis pains are relieved, due to the way it cleansed my system. I am full of new energy and am like some other person altogether, and I gladly give this statement, endorsing Van-Tage to all who suffer as I did."

**Is Like Taking Several Medicines at Once**

VAN-TAGE contains over 30 ingredients, including THE 21 GREAT NATURAL HERBS. So it is like taking several medicines all at once. Some of its ingredients clear gas and build from stomach; others cleanse bowels; still others help sluggish action, liver and kidneys; and others relieve rheumatic and neuritic pain, caused by transverse aortitis and bowels, and other things—due to the immense volume in which it sells, the price of Van-Tage is reasonable. So don't hesitate. Get Van-Tage—TODAY! It is sold at Fulkerson's Rosall Drug Store.—Adv.

**Quick, Blessed Relief—Now Like a New Woman**

"I had tried everything that I heard about or read about during these last 4 years, but I never got any real relief from anything that I took; and then, recently, a friend told me about Van-Tage and what great results she got from it, so I made up my mind to try it myself. I can say that this great medicine turned out to be just what I needed. I feel like a new woman now. It cleared the sour

## Daily Devotions DR. CHARLES A. EDWARDS

It is possible to have achieved stability, and to have developed adequate resources of courage, without having attained into the fullness of the excellent life as it is understood by the psalmist. For him the excellent life was one which had a capacity for manifesting itself in a way which proclaimed its excellence, but without any ostentatiousness of personal conceit, or spiritual pride. That is a lacking in a really great soul. Such capacity is found only in those who are capable of seeing life in a big way. Open our eyes we pray. These "that we may see wonderful things out of Thy word." Amen.

## CCC FIRE FIGHTERS SHOW THEIR SPEED

**CRATER LAKE, Aug. 7.—(AP)—**A test of the organization Uncle Sam has created to save his forest treasures from their worst enemy—fire—showed that a serious five-acre fire could be controlled in two hours after first reported.

In a practice fire drill complete with everything but the flames, a crew of 50 CCC fire-fighters under the direction of Chief Ranger J. C. Cronch constructed 2500 feet of fire trail, two feet wide, in 70 minutes, utilizing a new system of trail building.

## CANTALOUPE TRADE SHOWS EASY TREND

**PORTLAND, Aug. 7.—(AP)—**There was a slightly better feeling in cantaloupes during the Friday session of the East Side Farmers' Wholesale market.

The Dallas cantaloupes were quoted around 90¢ generally with a few higher and Wapato stock around 70-75¢ and Spears at the higher figure.

## Are You an Outdoor Man?

—then there's a Bergmann Outdoor Shoe for you

If you care about comfort—if you care about economy—if you care about a really good looking, solid grain leather shoe, buy a pair of Bergmann's. They cost a little more than some, but they wear so much longer that they're the cheapest shoe to buy.

**Do you know what Grain Leather is?**

"Grain leather" is made from the outside of the hide—where the hair grows. It costs more than inside splits, and, of course, there are good and better grades of grain leather. Bergmann uses only the best quality of full stock real grain leather.

**Your feet can keep the difference.**

"Keep your feet warm and your head cool" was the advice of old Gorgon Graham. To keep your feet warm you must keep them dry—and to keep your head cool, you must keep your feet comfortable. "Bergmann Outdoor Shoes" is the right answer!
