

SWEENEY'S HOMER WINS IN ELEVENTH

Beavers Increase Lead to 2 Games; San Diego Ties Seattle in 2nd Place.

(By the Associated Press.)
An 11th-inning victory today moved Portland into a two-game lead in the coast league race, while four other teams struggled for three remaining first division berths were separated by only the margin of two contests.

Aided by Manager Bill Sweeney's deciding homer with one on base, the Beavers trimmed the San Francisco Seals 5-3.

San Diego went into a tie for second with Seattle as its 3-2 victory over Oakland was decided by another home run. The Indians took their second licking in a row from Los Angeles, 8-4.

San Francisco's Missions took undisciplined possession of fourth place by defeating Sacramento, 7-4, for their sixth victory in a row.

3 Ousted From Game

Umpire trouble, which has been frequent all season, and which is more than ever likely as six clubs struggle to get into the Shaughnessy playoff, struck in Seattle and San Diego last night. Hurst and Reese were bounced out of the Los Angeles lineup for arguing a decision with Umpires Kogeln and Powell, while Hald, Oakland coach, was ejected in San Diego. First Baseman Anton of Oakland has been assessed \$25 for his argument in San Francisco Wednesday with Umpire Snyder.

Portland had to come from behind in the ninth to tie the score with the Seals. Utility infielder Eddie Taylor was the player who came through with a single to score two runs and tie the score.

CUBS TIE CARDINALS IN SECOND PLACE

National League Race Goes Into Final Month, With Giants in Lead.

(Associated Press Sports Writer.)
The big league baseball campaign heads into its last month today, and it's still a case of "pay your money and take your choice" on the chances of a subway series in New York or a Yankees-Cubs classic for the big prize.

While the Yankees have just about pulled the American league pennant to their flagpole, the galloping Giants and the Chicago champs are digging in for a final fight for the National league hunting.

Although Bill Terry's crew is three games in the lead at the moment and a short-cut shot to come through as a climax to the greatest winning rush of the season, it's still anybody's ball game, particularly because, (1) the Giants have been getting the breaks, and those things can't last forever, and (2) the Cubs' pitching is back in form and they're battling on their home lot.

That the burlesque of the Cubs' bowlers is tons again has been demonstrated since their return home. They've won five straight, wind-ing up with a 1-0 decision over the Phillies yesterday as Henderson, recalled from hell-on-earth exile, pitched a six-hitter, his first victory since July 2. He was the fifth hurler in a row to go the route for the Cubs.

The win boosted the Chicago crew into a tie for second place with the crippled Cardinals who bowed to the Bees for the fourth straight time, 1-0. Parmelee pitched a no-hit ball for seven innings, and allowed but three hits altogether, only to lose when "Coco" Art's triple broke up the duel between himself and MacFayden in the tenth inning.

Even the weather man seemed to have stirred up on the Giants' side, raising out the last game of the Cincinnati series to give them a day off when the whole outfit showed signs of weakening under the boiling western heat.

The postponement forced the playoff onto the Giants' home grounds later, where the New Yorkers have a decided advantage.

Yanks Maintain Lead
The Yanks maintained their 12½ game edge in the American league by knocking off the Browns 7-1 behind Branca's three-hit pitching, while the second-place Cleveland Indians had to go ten innings to overcome the Senators 10-9. Bridges chalked up his 18th best-inning victory, pitching a four-hit, 4-2 win for the Tigers over the Red Sox.

MERRILL, RICHMAN BEGIN TEST FLIGHT

BROOKLYN, N. Y., Aug. 27.—(AP)—Dick Merrill and Harry Richman took off in their twin-engine "Lady Peace" from Floyd Bennett airport today on a non-stop test flight to Newfoundland.

The plane was loaded with about 900 gallons of gasoline, almost as much as the pair intended to use on their proposed round-trip flight to London.

Richman said he hoped the actual flight to London could be started Friday afternoon, weather permitting.
