W. G. PAUL GIVES FINE TALK TO PRO-AMERICA GROUP ON FRIDAY

The luncheon was largely attended and Mr. Paul received marked applause for his very fine address. His talk was most inspiring from a patriotic standpoint as well as from a republican standpoint and at the close of his address, he was congratulated upon his splendid talk and many expressed the hope that he would give it a second time.

Pro-America members and friends were provided with this program by Mrs. J. H. Booth, Mrs. Riddle and Mrs. O. C. Brown. Luncheon committee members included Mrs. Broadway, Mrs. A. E. Kent and Mrs. E. B. Stewart.

P. T. A. ACTIVITIES IN DOUGLAS COUNTY

Enrollment Week. October 11 to 17 will be proclaimed by Governor Charles H. Martin as Oregon Parent-Teacher week. Every effort will be made to make the entire state Parent-Teacher minded during that week. Much of the success of the enterprise will depend upon the effectiveness of our publicity throughout the state.

Mrs. James B. Ward, our membership chairman, has stated that the purpose of the week is fourfold: To raise new members, to strengthen the work, to create public opinion in favor of the movement, and to increase subscriptions to the National Parent-Teacher Magazine.

Membership Drive. With 30,000 members as the goal, the Oregon Congress of Parents and Teachers, through its 308 units in approximately every section of the state, is launching Sunday, October 11, a vigorous membership enrollment campaign. Beginning with a proclamation by Governor Charles H. Martin designating the week of October 11 to 17 as Parent-Teacher week, the week promises to be a very busy one, with individual members using their slogan "Every member got a member."

The National Congress of Parents and Teachers, which is an affiliate of the International Federation of Home and School, is devoted to child welfare through parent education. Many of the 20,000 units of the national organization will use as a program theme this year "Character growth—a home and school responsibility."

Parents and teachers are constantly growing in the realization that there must be close cooperation between the home and the school. This fact is evident in the membership growth of the state and national organizations. In the forty nine years of its existence the organization has grown from a handful of mothers to a membership of almost two million in 1935. The growth of the Oregon State branch has been almost as phenomenal, particularly during the depression years, with 19,052 members in 1933 and 24,635 in 1935.

Rivalry between membership chairmen is always keen, each person being very eager to earn one of the various awards which are presented each year for varying percentages of gain.

The incentive for growth will be found in an awakened desire to improve conditions affecting children and youth in their own communities.

State President. Mrs. William Kietzer, state president of the Oregon Parent-Teachers association, will be in Roseburg from noon October 22 to noon October 23 and plans are being made by the Douglas County Council and all P. T. A.'s in the county to meet with her during her stay in this city.

Contract bridge was in play during the afternoon with Mrs. Edmonds winning high score and Mrs. Simmons, second high score.
