Daily Devotions

DR. CHARLES A. EDWARDS

To find life's truest joy and satisfaction in ways of service and deeds of self-forgetful love is an achievement very difficult indeed to many of us, but can we in any real sense say that we are Christians until we have attained unto it. Jesus very definitely and very frequently said that such an attitude toward life, would be the specific markers of his followers, and unless we follow Him in this His one great requirement, how can we be His disciples. We thank Thee, O God, for Jesus Christ, who laid down His life for us and who counted it all joy to go the full length of devotion in His service for the children of men. Amen.

LONDON ASSAILED BY DRY CHIEFTAIN

CHICAGO, Oct. 9.—(AP)—Edward E. Blake, national chairman of the prohibition party, today labeled Gov. Alf M. Landon of Kansas a "wet" and said the republican candidate's recent endorsement by St. Louis wet leaders would cost him thousands of votes.

Blake charged Landon with having "abrogated the constitution" of his state by "permitting the brewers to sell beer all over Kansas without any restriction as to alcoholic content."

"Tearing the dry mask from Landon," he said in a statement, "and definitely placing him as a wet will result in a greatly enlarged prohibition vote for Dr. Leigh Colvin (prohibition party presidential candidate) in November."

Referring to a recent story from Topeka, Kan., that Gov. Landon was "satisfactory" to a group of St. Louis wet leaders, Blake said "any candidate satisfactory to wet leaders cannot be satisfactory to those who believe in prohibition."

He said it was a "matter of record that the Landon forces in the state senate blocked legislation in 1935 to make Kansas really dry."

BILL SAYS:

"Come on, have another cup. This is Hills Bros. Coffee. The finest you can get. We've always used it at our house."

JOE THINKS:

By golly he's right... Bill's got the idea about coffee... I'm going to tell the wife tonight to start on Hills Bros. and stick to it... from now on.

Fifty-eight years ago news traveled slowly, by word-of-mouth. Fifty-eight years ago Hills Bros. Coffee was introduced, and by word-of-mouth, one friend recommending it to another, it became known as the finest coffee. Today news travels more quickly. By plane. Wire. Radio. But friends still tell friends about the goodness of Hills Bros. Coffee... unchanged throughout the years.

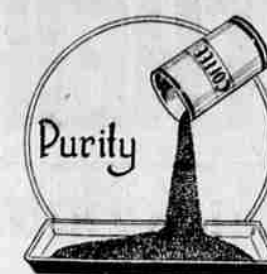

GOOD COFFEE DESERVES CARE IN BREWING

The Correct Grind of Hills Bros. Coffee is a standard set by a knowledge of coffee acquired through more than half a century of roasting and packing coffee. The Correct Grind is as fine as coffee should be ground. Finer grinding sacrifices flavor and aroma, as well as keeping qualities after the can is opened. Hills Bros. Coffee should not be reground. The Correct Grind is guaranteed to produce the finest-tasting beverages in any type of coffee-maker. Directions for making coffee by the method you use will be sent on request.
