

UNION MANS SHIP ON FEDERAL O. K.

PORTLAND, Oct. 21—(AP)—The steamer Oregon, with a full cargo of grain for the Al-Pacific coast, sailed out of the Portland harbor late last night after a week's delay because of a labor dispute.

The sailors' union of the Pacific, withdrawing a previous decision and accepting the judgment of federal investigators that the Oregon was both sanitary and seaworthy, supplied a full crew.

Sailing was held up last week when six men refused to sign, demanding changes in the living quarters and asking transportation back to Portland if the vessel was tied up on the eastern coast.

George B. Milner, Portland representative of the bulk carriers corporation, and the owners had agreed to make whatever changes were possible without putting the ship into drydock. Further changes were promised at the next regular drydocking, he said.

Milner stated that no concessions had been made on the transportation request.

GLENDALE HIGH TO STAGE CARNIVAL

GLENDALE, Oct. 21—The student body of the Glendale high school will hold its third annual carnival and high jinks Thursday evening, Oct. 23, in the school auditorium. The present plans call for the usual concessions, including a beam game, nail driving contest, nigger baby booth, fish pond and fortune telling booth, and they will

sell candy, popcorn, noise makers, balloons, serpentine and confetti. The planning and work for the carnival is done by the students and supervised by the faculty. Chairman of the different committees are Margaret Logan and Louis Brady, decorations; Jannice Craddock, donations; Lola Straube and Curtis Nichols, booths.

Money raised will be used for student body activities during the year.

Friday there will be a football game between Glendale and Camas Valley at the local school field.

COP CAN'T EXPLAIN "FORTUNE," OUSTED
SAN FRANCISCO, Oct. 20—(AP)—Lieut. Thomas Roche of the San Francisco police department, was dismissed from the force last night because his explanation of an alleged \$75,000 fortune didn't click with the grand jury and police commission.

Roche told jurymen a gambling father-in-law, now dead, left him the greater part of the money. Friends of John Williams said he was a poor man and did not gamble.

TRACTOR BACKFIRE SETS WOODS AFIRE
GLENDALE, Oct. 21—Fire totally destroyed a "cat" owned and operated by "Jimmie" Conaster, Monday morning. While at work in the woods near Fernvale, the "cat" backfired and stalled at the same time, starting a grass and brush fire in logging slashings which was put out almost immediately, but the "cat" was destroyed before it could be moved. Conaster is in the employ of Collesker and Seames, logging contractors.

PACIFIC COAST FOOTBALL NEWS

PORTLAND, Oct. 21—(AP)—A scoring rally in the second half yesterday protected Commerce high's position as an undefeated leader in the Portland interscholastic league.

The Penmen defeated Franklin, 12 to 6, after trailing 6 to 0 at the close of the second period.

SALEM, Oct. 21—(AP)—Casualties struck at the power of the Willamette university football team today as Coach "Spec" Keene gloomily surveyed the possibility of losing three or four players for the Linfield game here Friday night.

Bill Stone, blocking half; George Erickson, veteran end, and George Utely, reserve fullback, are on the sidelines. Utely injured his back and will not be permitted to play again this year.

Vern Urell, center, and "Bunny" Bennett, freshman backfield star, are uncertain material against the Willcates because of injuries.

ALBANY, Oct. 21—(AP)—The Albany college Pirates found a soft spot in the football schedule last night and turned in an easy 27 to 9 triumph over Oregon Tech of Portland.

PALO ALTO, Calif., Oct. 21—(AP)—Stanford's Indians faced another lesson on the art of pass defense and offense today as Coach Thornhill groomed his forces for the invasion of Southern California Saturday.

Thornhill said he will use every able-bodied man to halt the Trojans. With two weeks of secret practice behind them, Thornhill hinted, the Indians may be in their old time prime by Saturday and spring a surprise.

LOS ANGELES, Oct. 21—Southern California's chances of ending a three-year victory "famine" in its gridiron relations with Stanford apparently rest with an array of sophomores.

Out of 25 men Coach Howard Jones is depending upon to defeat the Indians Saturday, 15 are serving their first season on the varsity.

PULLMAN, Wash., Oct. 21—(AP)—The kinks from their first California invasion of the season gone, Washington State's football team buckled down today for the first of three days' strenuous drill for a game with the University of Oregon at Eugene Saturday.

No sooner had the Cougars gotten off the train yesterday than Coach C. E. Hollenberg put them to work perfecting a new offense.

"Don't let anybody tell you that Washington State is the team that 'died' the Trojans," he declared. "They're the team that 'died' us. They never produced a scoring threat, and we threatened several times."

Ed Goddard, Escondido, Calif., quarterback, and Rodger Dougherty, Portland, fullback, suffered knee injuries in the U. S. C. game, and Bob Campbell, big guard from Enumelaw, Wash., was badly banged up. Goddard and Dougherty probably will play Saturday, but Campbell may be on the bench for two weeks.

SANTA CLARA, Calif., Oct. 21—(AP)—A broken ankle suffered in scrimmage yesterday will keep William Bruce, Santa Clara quarterback, from competition the rest of the season.

EUGENE, Ore., Oct. 21—(AP)—The uncertain condition of Fullback Tommy Blackman's leg was delaying the selection of an Oregon backfield to meet the Washington State Cougars here Saturday. Col. Bill Hayward, trainer, gave

the sophomore star a 50-50 chance to get back into the game. Coach Callison said he would not name his combination until he knew definitely whether or not the youngster could start.

If Blackman plays, Arleigh Bentley will go back to quarter. Bob Braddock and Jimmy Nicholson, the touchdown twins of the Idaho victory, appeared first choice at halfbacks.

CORVALLIS, Ore., Oct. 21—(AP)—Oregon State today experienced the greatest football boom in ten days with the positive announcement Johnny Alexander, 147-pound chunk of ball carrying dynamite, would be back at his regular halfback job for the UCLA game at Los Angeles Saturday.

Yesterday afternoon the slippery tow-head from Pasadena ran reserves and freshmen.

The Beavers go south tonight, wild in scrimmage against the Bruins.

BERKELEY, Calif., Oct. 21—(AP)—After a final two-hour scrimmage, University of California's football players entrain tonight for Seattle, where Saturday they take the field against the powerful Washington Huskies.

Coach Leonard Allison said good progress has been made in three days' intensive practice and many of the faults evident in California's 17 to 6 loss to U. C. L. A. have been cured. Passing and pass defense were stressed.

CLIFF COLLINS IS O.S.C. FROSH STAR

CORVALLIS, Oct. 21—(AP)—Football coaches seem to have a habit of making idle pre-game forecasts of passing attacks but Coach Howard Maple vows he is in earnest when he says the Oregon State rooks will take to the air in the "little civil war" tussle with the University of Oregon frosh on Bell field Friday night.

Maple has selected Frank Chase, 155-pound quarterback, to do most of the throwing.

Jim Rogers, former Klamath Falls star, Cliff Collins, reserve quarterback from Roseburg, and John Wallis were listed for backfield action. Collins sparked the team to one touchdown in the 13-12 tie against Southern Oregon normal last week.

O'GRADY WINS NOD OVER TINY COOPER

PORTLAND, Oct. 21—(AP)—Fight enthusiasm in Portland slipped to a new low point here last night when a handful of spectators saw Gene O'Grady, Ashland heavyweight, slip out a ten round decision against Tiny Cooper of Hubbard.

Eddie Norris, 135-pound Salem boxer, knocked out Young Lato, Filipino, in the second round of the windup.

INDIANS DRILL FOR EUGENE OPPONENTS

The Roseburg senior high school Indians have been drilling this week in preparation for the football game Friday night against University high school of Eugene. The game will start promptly at 8 o'clock. It is expected that the Indians will be back at full strength as injuries have healed.

The team has been working on a number of new plays in an effort to obtain strategy to overcome the powerful Eugene squad.

TOWNSEND CLUBS' DOINGS IN DOUGLAS

MELROSE—The Melrose-Eugene Townsend club has postponed its meeting set for Friday, October 23, in order to meet with the Roseburg club.

RAIN LACK WORRIES GROWERS OF WHEAT

THE DALLES, Oct. 21—(AP)—continued lack of rainfall in eastern Oregon is making planting conditions for wheat growers desperate, grain buyers and ranchers said today.

Thus far this fall precipitation has been insufficient for seeding, with the result that almost the entire district has been forced to delay autumn planting. Some seedings have been done "in the dust," as ranchers put it, but most growers have held off in hope of rain.

The danger lies in the fact that wheat, if seeded too late in the fall, does not grow much before the cold winter sets in, growers pointed out. Thus tender grain, unless protected by a blanket of snow, is aptly frozen out.

Unless substantial rainfall occurs shortly eastern Oregon will be forced to plant a tremendous acreage of spring wheat—always a hazardous undertaking in this region, or risk a winter kill, the growers said.

STERILIZATION OF CONVICT UPHELD

MCLESTER, Okla., Oct. 20—(AP)—A district court jury decided today that sterilization would not harm the health of a convict who attacked the law permitting it, while Warden Roy Kenny disclosed six convicts had fled a state sub-prison in fear of the operation.

Jack Skinner, third-term convict, sought to avert the consummation of a sterilization order by contending the operation would be additional punishment and detrimental to his health.

Claud Briggs, defense attorney, immediately announced he would appeal.

The law's constitutionality was not before the jury.

LUTHERANS ADHERE TO ANCIENT TENETS

COLUMBUS, O., Oct. 20—(AP)—Clinging to a basic church principle dating back to Martin Luther, convention delegates of the United Lutheran church today steam-rollered efforts of liberal leaders to force a stand on social and economic issues.

Twice the convention tottered near a fall from the conviction that the teaching of internal purity was the work of the church and that external regulation was a state problem—but both times a thundering vote of conservatives defeated liberal measures.

OREGON EVENTS FLASHED FROM WIRE SERVICE

HILLSBORO, Oct. 21—(AP)—The sheriff's office is investigating the shooting of two horses belonging to Fay Mead, farmer in the Buxton district.

McMINNVILLE, Oct. 21—(AP)—McMinnville had a birthday yesterday. The community celebrated its 60th year as an incorporated town.

PORT ORFORD, Oct. 21—(AP)—The 1000-acre burn on the Brush prairie section owned by McDufee and Gorman, California investors, will be re-seeded as the first step in the development of an ex-

Conquering of deadly carbon monoxide fumes from automobile exhausts is claimed by a Winnipeg garage mechanic who says his invention is a "can of solidified chemical," connected with the intake manifold, which transforms the exhaust gases into carbon dioxide.
