Six of Nation's Top Teams May Pass From Picture in Saturday's Card.

By SID FEDER
NEW YORK, Oct. 22.—(AP)—For the second straight week-end, the nation's list of undefeated major college elevens figures to take a terrific beating with this Saturday's gridiron program.

Harring the possibility of ties, at least six of the top elevens from coast to coast will pass out of the picture in half a dozen meetings bringing together unbeaten outfits on both sides, topped by the Midwest collision of Minnesota's Gophers and Purdue's Boilermakers and the Fordham-St. Mary's inter-sectional clash in New York.

Too, the slate is studded with at least nine other battles in which undefeated combinations will tangle with teams which, although already beaten, may turn the trick.

Along with the Purdue-Minnesota, Fordham-St. Mary's clashes, the all-beaten contests bring together Tulane's mighty green wave and North Carolina's Tar Heels in a southern standard; Michigan State and Marquette in a feature meeting of two independent midwestern winners; Villanova and Boston U. in the east; and the Utah-Utah State game in which may lie the Rocky Mountain conference championship.

Notre Dame Faces Pitt
Heading the list in which one unbeaten eleven faces a strong threat on its continued run from an already defeated outfit is the Notre Dame-Pitt classic at Pittsburgh, where the all-victorious "fighting Irish" may find the Panther on the warpath after his tuckered by little Duquesne a week since.

Holy Cross' eastern hopes rest on the Crusaders' performance against Carnegie Tech's beaten but still tough Skibos; Georgetown's three-game streak is threatened by an old rival, N. Y. U.; western Maryland, although undefeated, looms as a hard one for undefeated St. Mary's of Texas to pass, while Baylor rates about the same against Texas A. & M. in the southwest. Out on the Pacific coast, Southern California paces Stanford and Washington State takes on Oregon.

Gophers Face Test
The Minnesota-Purdue warfare looms as the standard of the undefeated rivals anywhere. Sporting a 20-game winning streak, the pressure is undoubtedly on the Gophers, while Purdue, a "surprise" outfit in the Big Ten race, is primed for the battle.

At New York, Fordham and St. Mary's feature a clash of two great flugs in an inter-sectional east vs. far west, battle that is more important than any previous get-together in the rivalry between the Iams and the Gasls.

Utah and Utah State remain the only unbeaten and undefeated teams in the Rocky Mountain conference and may be battling it out for the title.

FARM SUIT TANGLE FACES NEW ROUND
HILLSBORO, Oct. 22.—(AP)—Litigation cut another notch today in a tract of Washington county farm land which has made legal history in Oregon courts.

The newest dispute in a legal controversy which has tossed the question of possession of the land in and out of courts for several years centered upon the conviction of Martin J. Bernards, of Aloha, for assault and battery.

Bernards filed a petition for a writ of review of the justice court decision fining him \$15.

He was arrested last summer on the complaint of Mrs. Kate Burselon, of Orenco, that he forcibly stopped her from harvesting apples on the land. Bernards contended that the property at that time, July 17, was under jurisdiction of the federal court awaiting a United States supreme court de-

CREAMERY BREAKS BUTTER LAW; FINED
PORTLAND, Oct. 21.—(AP)—The federal court imposed fines totaling \$200 against the Klamath Falls creamery after receiving a plea of guilty to charges of transporting adulterated and misbranded butter in interstate commerce.

United States Attorney Carl Debaugh said the creamery was charged with sending the butter from Klamath Falls to California. Four counts were alleged and a fine of \$50 was imposed on each count.

More than two-thirds of the total 1935 commerce at Gulf of Mexico ports was handled through Texas cities.

WATCHMAN DODGES DEATH IN EXPLOSION
SALEM, Oct. 22.—(AP)—Samuel Brice, night watchman, miraculously escaped serious injury when an explosion at the Oregon Packing company smashed a desk, upset chairs and shattered windows.

Brice, sitting ten feet away, received only minor scratches about the face. Glass from the windows was found 100 feet away.

Heavy pieces of iron were driven into the window casings and through the side of a desk.

Police said they believed the explosion resulted from a defective boiler fired Tuesday for the first time.

PACIFIC COAST FOOTBALL NEWS

PULLMAN, Wash., Oct. 22.—(AP)—With their goal line crossed only twice in four coast conference games, Washington State college Cougars aimed for increased offensive spark today in their final workout for Saturday's Oregon game at Eugene.

Coach Hollingbery said he expected to start the same lineup which opened against Southern California. The "Babe" made it no secret that he thought his team should have beaten the highly favored Trojans in their scoreless tie.

Carl (Iron Man) Littlefield, a junior college transfer from Plymouth, Calif., won his cleats as a regular fullback against the Trojans. He was the only man on either team to play the full 60 minutes, and he will line up with Ed Goddard, Rodger Dougherty and Sophomore Bob Fletcher against Oregon.

LOS ANGELES, Oct. 22.—(AP)—The Bruin pack at U. C. L. A. have been running riot the past two days, performing against a "root" team dubbed the "Beavers." In honor of Oregon State's impending gridiron visit here this week-end.

Coach Spaulding's UCLA's decision on the validity of farm moratorium legislation.

The land, once owned by a nursery which became bankrupt, was purchased by Bernards on contract sales and subsequently foreclosed by M. R. Johnson, Forest Grove, and the United States National bank, Portland.

Mrs. Bernson contended that Johnson gave her permission to gather the fruit. Bernards alleged that error was committed by the justice court because the woman was a trespasser upon lands in his possession under authority of the Frazier-Lemke act.

The question of possession has cut a legal path through state and federal courts, before a Frazier-Lemke conciliation commissioner and a long series of restraining orders, writs and special hearings.

MORRIS LEADS IN VOTE FOR TROPHY
NEW YORK, Oct. 22.—(AP)—With the preliminary voting already in its final month, a pair of Olympic champions and world record holders, Glenn Morris and Jesse Owens, are leading the way in the balloting for the 1936 James E. Sullivan trophy award.

More than half of the 600 national sports experts and leaders already have cast their vote for the award which is made annually to the athlete "who by his performance, example and influence as an amateur and a man has done most during the year to advance the cause of sportsmanship."

The 600 have until Nov. 15 to nominate three candidates each for the honor. From the names thus voted, the special committee assigned by the A. A. E. chooses 10 and resubmits them to the 600 for final balloting.

Returns thus far show Morris, the Fort Collins, Colo., all-around athlete, who dominated the Olympics in his deathblow specialty, is slightly ahead of Owens, Ohio State's three-crown winner at last summer's international games.

WILLAMETTE GIVEN EDGE OVER LINFIELD
(By Associated Press)
Determined to prove which has the better football team, Willamette and Linfield, coclaimants to the 1935 Northwest conference title, clash tomorrow night at Salem in the conference's feature game of the week-end.

Willamette emerged from the 1935 campaign with a perfect record so did Linfield, although it was tied once. Neither has suffered a loss this season, but Linfield again has been tied.

Friday night's game will see resumption of athletic relations between the two schools, relations having been broken in 1934 after a free-for-all between students of both colleges after a football contest.

Willamette will be at full strength, with the return of Art Gallon, speedy sophomore blocking half, who has been out be-

CARR RESTORING BANDON BUSINESS
A truckload of stock and fixtures left Roseburg today for the Carr Variety store at Bandon. Installation of the store will be in charge of D. E. Carr, owner, who was accompanied to Bandon by Mrs. Charles V. Stanton and Mrs. Everett Wilmer, clerks from the Roseburg store, who will remain in Bandon until the business is in operation.

The store, which replaces the business recently destroyed by fire, will be located in a temporary building furnished by the city of Bandon.

FREDDIE STEELE WHIPS MATTHEWS

Decision Over Negro Goes to Middleweight King After Hard Bout.

By FRANK G. GORRIE
SEATTLE, Oct. 22.—(AP)—Tossing another challenger out on his ear, Champion Freddie Steele of Tacoma, had his middleweight headquarters in ship-shape today as he prepared to leave on an invasion of the south and east.

In a sensational 10-round, non-title battle here last night, Steele knocked down Allen Matthews, touted St. Louis negro, for an eight count to win the unanimous decision of the two judges and referee. Steele weighed 158 3/4 and Matthews 162.

Steele had the negro groggy four different times but only after he had taken a barrage of heavy artillery himself.

The Associated Press score card gave Matthews the first and fourth rounds, showed the second even, and gave Steele the rest.

After getting tagged with probably the hardest punches he has ever felt, Steele finally began to find the range of Matthews' jaw in the fifth. He knocked most of the power out of the negro's blow in this round, and then battered Matthews to the canvas with a vicious right in the sixth. The negro took a count of eight on one knee.

In the eighth Steele hit Matthews so hard he split open his right glove and the fight had to be stopped for three minutes to change mittens. Steele came out of the battle unscathed except for a bloody nose, while Matthews had a lump under his left eye and bled badly at the mouth and nose.

Meyer (Wildcat) Rowen, New York negro, 137 1/2 and Indian Bill Lee, Portland, 141 3/4, drew in six rounds; Frankie Lembo, Fresno, 136 1/4, won over Young Corpus, Seattle, Filipino, 138, in four; Billy Buxton, Victoria, B. C., 124, knocked out Buddy Ambrose, Portland, 127 3/4, in the first four rounds; Vern McGraw, Edmonds, 152 1/2, defeated Mike Thornley, Portland, 150 in four; and Dusty Jones, Baltimore, 141 1/2, and Tenny Tabbot, Seattle, 140 1/2, drew in four.

CANTOR JOINS IN ANTI-NAZI CRUSADE

Seventeen men died following mine accidents in Oklahoma in the 1935-36 fiscal year.

LOS ANGELES, Calif., Oct. 21.—(AP)—Defying what he said were threats to harm him and his family if he campaigned against nazism in America, Eddie Cantor, comedian, addressed a rally in Shrine auditorium last night.

Under the auspices of the Hollywood Anti-Nazi League for Defense of American Democracy, Cantor joined with an array of speakers in urging action to curb a purported spread of anti-Semitism.

"If you believe in the things that I do—believe in America, love your country—then join in the fight for civilization and for humanity," he declared.

The Rev. L. M. Birkhead of Kansas City told the audience, estimated by league officials at 7,000 persons, that 119 nazis groups in the United States are "seeking to settle discontent on the Jewish race."

He urged that all Jews unify their protest with that of negroes and Catholics in fighting the "nazi monster." He has obtained proof, he asserted, that the Hitler regime is directing from Germany nazi propaganda in this country.

A resolution demanding that Dean Cromwell, University of Southern California track coach, apologize to the league for a speech made recently to a German-American gathering was adopted by acclamation.

The rally was told Cromwell had expressed sympathy for the Hitler government's aims. The coach, a member of the American Olympic team staff, declared recently his remarks had been made in a joking spirit.
