GO TO TOWN OR "GALA" AFFAIR IN THIS DRESSY SHIRT, WAIST FROCK

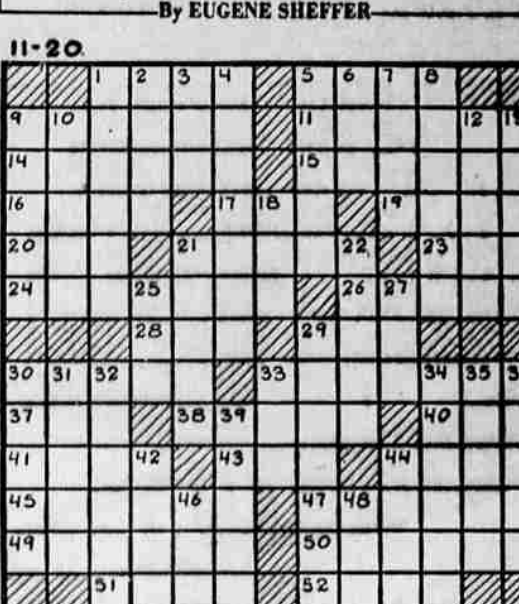

PATTERN 4215

You'll go to town in this dashing style, or just as happily wear it on "gala" occasions! There's new chic in this stunning Anne Adams' shirt frock, with its splashed lines in white, with a "classic" pattern. What more suggestive of winter gaiety than to have Pattern 4215 made up in glistering satin or rough crepe for dress-up, or an everyday version in jersey, or velveteen? "Go gay" with your buttons and choose the brightest you can find! Even though you've never made one single frock before, you'll find this style easy as can be and your budget appreciative of the small fabric requirements. Notice the jaunty turn-back collar, and choice of long or short sleeves.

Pattern 4215 is available in sizes 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38, 40 and 42. Size 16 takes 3 1/2 yards 39 inch.
