Where Nation's Top Turkeys Are Shown

The Northwest Turkey show held annually at Oakland and now in progress is housed in a building especially designed for that purpose. The building, pictured above, was built by the Oakland Gobblers, a group of business men organized originally to aid in the turkey show, but which has developed into an active and enthusiastic civic organization.

Designed to house all departments of the show, the building, erected five years ago, has already been outgrown by the display, which has become the largest exclusive turkey show in the world.

You'll say it is—with your first taste of Crab Orchard.
It's Top-Run distilled, and that means top quality at bottom price—golden bourbon—straight as any that ever came out of old Kentucky—18-month age—riper, richer, smoother than ever—full 93 proof—genial and warm as a close friend.
You could shop and shop, and never find another whiskey value to match up with Crab Orchard.
Wouldn't a pal go for this as a gift!

"It's great to Own the No. 1 CAR"

That's why so many thousands are changing to TERRAPLANE

Just read Terraplane's "No. 1" features below... a list unmatched by any other low priced car. You'll find many more when you visit your Hudson and Terraplane dealer.

- No. 1 in Driving Ease**, with new Selective Automatic Shift, an optional extra. You need no hand gear lever... need push no clutch pedal. The car almost drives itself! Front floor all clear of gear or brake levers.
- No. 1 in Size**, with wheelbase increased to 117 inches... longest by nearly 5 inches of all four low priced leaders.
- No. 1 in Roominess and Luxury**. 55 full inches of front seat comfort for three... at least 3 1/2 inches more than any of the others. And interior richness always thought "too fine" for a low priced car.

No. 1 in Power, increased to 96 and 101 smooth horsepower... greatest of the four by at least 11 horsepower. With proved performance, certified by Contest Board, American Automobile Association.

No. 1 in Endurance and Economy. Eight official A.A.A. Contest Board endurance records smashed by a 1937 Terraplane! 1,000 miles at 86.54 miles an hour in the most punishing "torture test" a stock car ever endured. And top economy proved in official tests made at everyday driving speeds.

No. 1 in Safety. Body all of steel, with roof of solid steel... pioneered by Terraplane. Duo-Automatic Hydraulic Brakes... two separate braking systems from the same pedal. Safety proved in official tests, stopping in half the legal distance.
