LITTLE ANNIE ROONEY

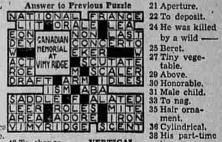

By Brandon Walsh

John Martarella's moving tale of living for two weeks in the New York City subways with his wide moved Manhattan's hardbolled cope, who raised eight dollars among them to feed him and his wife, who is about to become a mother. Relief officials claim that Martarella and his wife lived at the home of his mother, and that they are entitled to relief if Martarella would take the trouble to claim it. They are shown as they were refused an audience with Mayor LaGuardia at City Hall.
