Tying a ribbon may be simple enough for you, but Yvonne finds it a real job in which to sink one's teeth. At least that's the impression of this striking picture as Yvonne, her eyes squinting, maneuvers her tiny fingers to adjust the ribbon on dolly's bonnet. Dolly, incidentally, is the perfect picture of impassivity.

Well, that cameraman again! Wide-eyed, her tiny mouth expressing feigned amazement, Marie appears to be smiling just that. Well, anyhow she's ready for action. Arms buried to the elbows in nurse's mittens, her legs crossed theatrically, Marie strikes a stunning pose. Meanwhile, her three sisters register different interest. Cecile, for instance, standing behind the chairs, takes this as just another picture. Yvonne looks up from her nursery rhymes but seems a bit impatient. Only Emilie shows more than casual interest. But after all it's an old game for the quins, this photo business. "Really we've had our pictures taken hundreds of times."

"Let me see." Annette appears to be counting, "how many times does this make my picture's been taken today? Well, I'm just going to sit right here in this chair for the rest of them." And so it goes with Annette. Utterly indifferent, she goes about her own affairs, letting the shots fall where they may.

### Webfoots Now Crowding Washington State for Conference Lead.

EUGENE, Ore., Feb. 8.—(AP)—University of Oregon basketballers eyed the conference division top rung hungrily today and were firmly of the opinion it was obtainable, following their second consecutive victory over the hard-fighting Oregon State Beavers.

The Webfoots, winners 41 to 31 in Saturday night's fracas with their state rivals, have won seven games—as has the division-leading Washington State five—and dropped three. The Cougars have lost but two.

Seen as possibly all-decisive factors in the conference race were games scheduled Friday and Saturday of this week—Idaho at Oregon and Washington State at Washington. Idaho showed plenty of power Saturday night even in losing. The Cougars beat them 29 to 26 but were outscored 23 to 12 in the final frame.

**Tuttle Wins Duel**  
Saturday's game here, which left Beavers with six losses against two victories, presented a spectacular brand of ball.

Tuttle, Oregon State forward, just couldn't be stopped. He and Lewis, Oregon forward, staked a scoring duel all evening with the former finally emerging on top with 17 points. Lewis had 15. But Tuttle was the only Beaver hitting consistently. Harris, losing guard, was the Staters' next high scorer with 4 points.

The Beavers clung to a slender lead early in the game but after Bob Aue's howitzer put the Webfoots in the lead 7 to 6 the Eugene quintet never was headed. Half-time score was 24 to 18.

Thirty-two fouls were called, almost equally divided. The score was the largest Oregon ran up over the Beavers in 20 years and the victory marked the first time the Webfoots have won twice consecutively from the Corvallis five since 1922. The Webfoots won at Corvallis previously this season 35 to 34.

### BASKETBALL SCORES

TACOMA, Wash., Feb. 8.—(AP)—Willamette university's Beavers left little more than remnants today of College of Puget Sound hopes for Northwest conference basketball honors.

The Salem five swept the two-game series by winning Saturday night 43 to 28 in a game which saw lineups so depleted by fouls and injuries that the small CPS squad had no substitutes available in the final three minutes.

Robert Morris, Puget Sound forward, fell so heavily he dislocated his shoulder.

ST. HELENS, Ore., Feb. 8.—(AP)—The Oregon State Rooks dominated the smaller St. Helens high basketball team to the tune of 38 to 17 here.

McMINNVILLE, Ore., Feb. 8.—(AP)—Linfield college basketballers spurred ahead in the second half to defeat Ellensburg normal 51 to 35, after being held on almost even terms in the first frame. Half-time score favored the winners 21 to 29. Stranz, Linfield forward, tallied 27 points.

CALDWELL, Idaho, Feb. 8.—(AP)—The Pacific University basketball five evened its two-game

series with the College of Idaho here by coasting to a 38 to 19 victory in the final contest. The Idahoans took the first game 42 to 29—their first Northwest conference victory of the season.

## INDIAN HOOPSTERS BEATEN BY SALEM

The Roseburg and Salem high school teams put on a weird exhibition of basketball at Salem Saturday night with Salem winning 22 to 9. Neither team could connect with the basket with any accuracy. The Indians took 14 shots at the hoop in the first half and failed to connect for a single field goal. Salem held the lead 9 to 2 at half time.

The third quarter saw Roseburg playing a little better brand of ball, creeping up to 14 to 9 as the teams entered the final period. The Indians, however, then returned to their slump and did not register a counter in the last quarter, while Salem tossed in enough shots to pile up a good lead.

**Lineup:**  
Roseburg (9) (22) Salem  
Rutter (2) F (4) Lowe  
Baker (4) F (4) Maynard  
Campbell C (1) Hill

## PAPOOSES DEFEAT ST. MARY'S QUINTET

Roseburg junior high's fighting band of basketball tossers scored a 26 to 22 victory over a previously undefeated St. Mary's academy of Medford team here Saturday night.

The game was a headache to the referee with both teams using a rough attack that caused numerous fouls to be called. Neither team could cash in on the free throws, however, with Roseburg missing seven out of 9 and Medford making 2 out of 13.

In the first half the game was close, with St. Mary's ahead 6 to 5 in the first quarter and Roseburg holding a 12 to 10 lead at the half-way mark. The Papooses broke loose in the third frame with a shower of baskets by Finlay and Wiard, while the Saints were being held to 3 points. St. Mary's came back with a wild rush in the final period, but were 4 points shy of knocking the count when the gun sounded.

Finlay played a great game both on offense and defense, garnering four field goals and converting two free throws to hold high scoring honors for the evening.

**Lineup:**  
Roseburg (26) (22) Medford  
Sanders (6) F (6) Boddy  
McLewell (2) F (6) Jensen  
Wiard (6) C (2) Grisen

Rutter (4) G (4) Lemire  
**Substitutions:** Roseburg, Atterbury, Thompson, Byrd, Medford, Widmer, Referee Pengra; scorekeeper, Dishman; timer, Wimberly.

## SOLDIER FIELD FOR TITULAR BOUT URGED

CHICAGO, Feb. 8.—(AP)—The Chicago force seeking to bring a world's heavyweight title battle here next June began their "big push" today toward their current major objective—Soldier Field.

Acquisition of the huge stadium on the Lake Michigan shore as a site for the 15-round battle June 15 between Champion James J. Braddock and Challenger Joe Louis was seen as a final clincher in solving the dizzy heavyweight battle puzzle. Officials were confident they would have the stadium rented within three or four days.

A letter from Sheldon Clark, wealthy Chicago sportsman who offered Braddock \$500,000 to meet Louis, was in the hands of the Chicago park board, the Soldier field governing body. Clark asked the board, which meets Tuesday, to arrange a conference to discuss rental terms.

Ordinarily, the stadium rental is 15 per cent of gate receipts but a sizeable concession may be made for a Braddock-Louis battle because civic officials want the bout as an attraction at Chicago's centennial celebration next summer.

## COACHES FAVOR OFFENSIVE RULES

DETROIT, Feb. 8.—(AP)—Sympathies of football coaches, as reckoned today from their annual post-mortem on the late season, favor the offensive.

The coaches' week-end huddle over grid rules left the impression that the offensive got the large share of any "breaks" in the tutors' attitude toward revamping the rules.

Three of their four major proposals for rules changes—involving lesser penalty for the illegal shift, the forward pass, and the grounded punt—were definitely pro-offensive.

The fourth, concerning forward

pass interference, while favoring the defense, was only to be expected in view of the demand for clarification of the defensive team's rights.

Convening as the rules committee of the American Football Coaches' association, the mentor recommended a new wording of the interference rule to the National Collegiate Athletic association which implies greater leeway for the defense.

But in other proposals the coaches recommended reduction of the illegal shift penalty, enforced for violation of the "offensive half" rule, from 15 to five yards; favored the return of the ball to the offensive eleven if a forward pass strikes an ineligible man or behind the line of scrimmage and suggested the downed punt no longer be classed as a foul.

The suggested passing rule would apply particularly to the shovel pass, an offensive weapon still growing in favor. The coaches,

when the ball hits the ineligible player, would have it returned to the offensive team instead of given to the position, as the rule now orders. It would be simply an incomplete pass, with loss of a down.

The punt rule recommendation would circumvent adherence to the policy that "one foul equals another." Should a team down its own punt in an advantageous position, it would not be forced to kick over in the event the opposition had committed a violation of the rule.

Armstrong county, S. D., is the only county in the entire United States which does not have a post-office.

## ARNT OFSTAD TOPS N. W. SKI JUMPERS

LEAVENWORTH, Wash., Feb. 8.—(AP)—A 26-year-old virtual unknown, Arnt Ofstad, Spokane, ruled northwest ski jumpers today after defeating the best of the west's leapers in the Pacific Northwest Ski association championship.

Ofstad, possessed of plenty of

nerve, jumped 192 and 186 feet here yesterday in snow so blinding none of the jumpers could hardly see the takeoff from the start. His score was 222.3 points.

Second place in the class A competition went to Einar Fredbo, Anacosta, Mont., with jumps of 190 and 169 feet and 221.4 points. Helge Sather, Leavenworth, placed third with 291 and 160 feet and 213 points.
