"The Voice of Experience"... the man with the million dollar throat insists on a light smoke

"My voice is my career. It has inspired more than five million people to confide in me their personal problems. During 25 years, first on the lecture platform and then on the air, I have never missed a single engagement because of my throat. I am a steady smoker, and because my throat and voice are vital to my career I insist upon a light smoke. In Luckies I find a light smoke plus the enjoyment of fine tobacco... and that's why Lucky Strikes have been my choice for 14 years."

An independent survey was made recently among professional men and women—lawyers, doctors, lecturers, scientists, etc. Of those who said they smoke cigarettes, more than 87% stated they personally prefer a light smoke. "The Voice of Experience" verifies the wisdom of this preference, and so do other leading artists of the radio, stage, screen and opera. Their voices are their fortunes. That's why so many of them smoke Luckies. You, too, can have the throat protection of Luckies—a light smoke, free of certain harsh irritants removed by the exclusive process "It's Toasted". Luckies are gentle on the throat.
