

RAIN HALTS SEALS, PORTLAND IN SIXTH

Score Stands 1-All When Old Man Weather Goes to Bat and Tallies.

(By Associated Press)

Portland and San Francisco, of the Pacific Coast baseball league, were rained out yesterday in the sixth inning with the score tied one all. The game will be played off later. San Diego defeated the Missions for the third straight time, 4 to 1, and two home runs helped the ninth Sacramento Solons beat Los Angeles for the third straight time, 3 to 2.

Wen Flowers, southpaw sent to the Seals from the Chicago Cubs in part payment for Joe Marty, made his debut, pitching one inning after Ballou had been pulled in the fifth for a pinch hitter. He got rid of Frederick, Bedore and

Steve Coscarart of the Beavers on easy chances. The game was called in the sixth after a half hour wait saw it raining just as hard as ever.

Portland scored in the second inning and the Seals tied things up in the fifth.

Manager Billy Meyer of the Oakland A's protested today to league president Tuttle against the action of Umpire Valerio in calling yesterday's game with Seattle in the eighth in the midst of an Oakland rally because of rain.

Because of Valerio's action the game was awarded the tie by a score of 8 to 5. Meyer said Valerio called a five minute halt and then backtracked to the seventh inning and killed further proceedings without the wait of a half hour as stipulated in the rules.

League Standing.

Team	Won	Last	Pct.
Seattle	4	2	.667
Sacramento	4	2	.667
San Diego	4	2	.667
San Francisco	3	2	.600
Portland	3	2	.600
Oakland	2	4	.333
Los Angeles	2	4	.333
Missions	1	5	.167

BALL LEAGUE ENTRY OPEN TO ROSEBURG

Directs S. F. Probe Of Graft Charges

Roseburg has an opportunity to participate in the Southern Oregon Baseball League for the 1937 season as the result of the withdrawal of Cave City. It was announced today. A number of players and fans are interested, and steps to organize a team and enter the league will be taken immediately, it is announced by George Barr, member of last year's independent team who has been in communication with officials of the league, which has headquarters at Medford.

The league, which opens the season May 2, is composed of teams representing Grants Pass, Medford, Ashland, Glendale and Crescent City made application to join the league, but later withdrew because of inability to complete an organization.

Barr reports that ample player material is available and it is believed league participation can be financed if sufficient funds can be secured for equipment and other expenses prior to the start of the season.

CARSON ASKS AID IN RAP AT CALIFORNIA

Govt. of Toronto Backs GMC in Strike

PORTLAND, April 9.—(AP)—Mayor Joseph K. Carson of Portland called on the state to aid in his fight to prevent Oregon participation in the Golden Gate bridge fiesta in California.

In a letter to the Portland chamber, the mayor said that California officials refused to permit the Hill military academy football team to take Oregon fruit through the state en route to Honolulu, and had once subjected Bishop Benjamin D. Dagwell to "indignities" at the border.

He urged the body to cancel the proposed caravan to the fiesta "until you are assured you can enter that state with the status of ladies and gentlemen, and with the further assurance that the people of our good state will be treated with like consideration."

In a telegram to Mayor Rossi of San Francisco, Carson said he could not "again subject myself to the unwarranted and insane inspection at your state boundary. It is an indignity to which our people are being subjected which I bitterly resent."

San Francisco's stirring grand jury investigation of charges of police graft in vice conditions is now being directed by Superior Judge James G. Conlan, above, who took over the duty when his colleague, Judge Steiger, withdrew, after dismissing the original jury.

REBELS REPULSED BY MADRID ARMY

ONE YEAR PHEASANT BAN IN LINN ASKED

ALBANY, April 9.—(AP)—The Salmon Fish and Game Association, meeting at Lebanon, asked the state game commission in a resolution to close the season on Chinese pheasants in Linn county for at least one year.

The group will seek cooperation of other Willamette valley counties to secure the ban.

A fund of \$200 was voted to build and equip a holding pen for 500 birds near Lebanon.

Wipe out national unity for more than a generation.

Dr. Frank praised the Roosevelt administration for a "vast amount of good" but criticized the proposed reorganization of the courts, asserting:

"If the president succeeds in establishing as complete personal control over the supreme court as he has . . . exerted over congress, he may go down in history as a president who did more good and more harm in a shorter time than any chief executive in the 150 years of the republic."

Their jobs after the plant reopened.

Premier Hepburn said General Motors had not requested protection with the view of opening the plant before a settlement was reached.

"The company has not expressed any desire to set the wheels going despite the strikers, but it may come," he said.

A special force of mounted police and constables, estimated at 300, massed in Toronto, ready for an emergency.

There was no indication when negotiations would be resumed in an effort to return the workers to their jobs.

Premier Backs GMC

The United Automobile Workers of America, an affiliate of the John L. Lewis committee for industrial organization, reiterated demands for recognition of the union.

General Motors remained adamant in its position that it would not deal with the C. I. O.

Premier Hepburn, charging the C. I. O. had "brought the United States almost into the state of anarchy," concurred in General Motors' position, and declared "if

10 cents an hour boost.

Thirteen thousand members of the Columbia river council of the Lumber and Sawmill Workers' union complete a referendum Sunday on the Columbia Basin Loggers' association offer to increase wages 10 per cent with a 7 1/2 cent minimum.

Negligence Charged

Charles W. Hope, regional director of the national labor relations board, charged that the Oregon Worsted company, involved in a labor dispute with the textile union, has failed to comply with recommendations made by Dr. T. Wayne Nylander of Los Angeles, the examiner who conducted the company's trial. Nylander upheld the union contention that the firm intimidated its employees.

Hope informed Abe Eugene Rosenberg, Worsted attorney, that the matter will be referred to board headquarters at Washington.

Drain Ball Team Defeats Wilbur

Seven walks and three hits in one inning gave Drain a 10 to 2 victory over Wilbur in a baseball game at Wilbur Wednesday afternoon. Although Wilbur secured 10 hits, as compared with 6 for the visitors, the 5th inning lapse in pitching control gave Drain the victory. Wilbur plays at Myrtle Creek today.

BANK PREPARES FOR TEMPORARY CHANGE

The Roseburg branch of the United States National bank will be moved over the week-end into the L. O. O. F. building diagonally across the street at Cass and Jackson streets. The bank will occupy the temporary quarters for several months while the bank building is being completely reconstructed. G. W. Young and Son, who have been located in the L. O. O. F. building, are moving into the Cass street quarters recently vacated by Ott's Music store.

REV. JONES TO HEAD GLENDALE MEETING

GRANTS PASS, April 9.—(AP)—Rev. Murray Jones, pastor of the First Presbyterian church of Pendleton, has been chosen dean of the First Point summer young people's conference in place of Rev. John W. Hoyt whose death occurred shortly after his selection several weeks ago, Dr. H. S. Reichard, chairman, announced today.

The conference, conducted by Presbyterian churches, will be held at the grounds near Glendale June 23-30. The committee will soon inspect the buildings, two of which were reported damaged by last winter's heavy snows.

ST. LOUIS, April 9.—(AP)—A cablegram from China has informed relatives here of the death Wednesday of Brig. Gen. Thomas H. Jackson, U. S. A., retired, noted flood control expert. He was 63 years old.

Gen. Jackson was making a world cruise with Mrs. Jackson. The cablegram stated that he had been stricken with a cerebral hemorrhage at an unnamed point on the North China coast.

Gen. Jackson served in the Philippines and in 1920 he took command of the twelfth United States engineers at Camp Grant, Ill. Later he was made corps area commander at San Francisco. He retired only recently.

Thomas Gainsborough painted his famous "Blue Boy" to disprove the theory that blue cannot be used, successfully, as a predominating color in a portrait.

Five hundred workers at the General Motors plant in Windsor were laid off because of the Oshawa strike. They decided to picket the Windsor plant, pending a settlement at Oshawa.

Hits Back at Hepburn

In Oshawa, officials of the United Automobile Workers of America telegraphed members of parliament protesting against the calling in of police reserves. They said "we are maintaining perfect discipline here."

Thompson particularly attacked Premier Hepburn's assertion that "the government completely concurs in the attitude of the company that it is going to remain clear of the domination of professional labor profiteers of the C. I. O."

"Hepburn is trying to crush you for trying to sell your labor at the best possible price," Thompson told a mass meeting of 2,500 strikers.

Thompson also shouted that General Motors could not win even "if you bring 10,000 red coats in here."

Long Debate Forecast

The committee will recess tomorrow, but will hear opposition witnesses for several more days beginning Monday.

Dissuaded yesterday from offering a resolution to close the hearings, Senator Hughes (D., Del.), said he would bring the question up again next week unless an agreement was reached meanwhile.

Once the hearings end, the committee is expected to debate the issue for two weeks or more before making recommendations to the senate. Then the real struggle will begin. One widely known senator has been telling friends the senate debate may run for months.
