

Pirates Down Lithians, 4 to 3

GAME DECIDED BY FUMBLE IN FIFTH

Ashland Outfielder Fails to Grab Taylor's Drive With Bases Loaded.

An error by Balding, Ashland outfielder, on Taylor's long drive down the left field line with the bases loaded, gave the Roseburg Pirates a 4 to 3 victory over the Lithians in a baseball game here Sunday. Taylor's home run in the last half of the first gave Roseburg a tie with the visitors until the fifth when the Lithians scored twice on a walk and error, followed by a single by Brown. In the last of the fifth, an error, single and walk put three Pirates on base, one run coming in on Pletcher Tynan's single, and the tying and winning runs coming when Taylor's drive dribbled off Balding's finger tips.

Ashland scored the first run of the game in the opening inning as Hess singled and stole second, romping home, after two were out, when Leavens lashed a single into right field.

In Roseburg's half of the inning, Taylor, leadoff hitter, drove the first ball pitched out of the lot for a home run to tie the score.

Two errors put Ashland runners on base in the first of the second inning, but neither advanced as the side was retired on fast infield plays.

Tynan, the Roseburg pitcher was in a bad hole again in the fourth inning, when Brown walked and went to third on Ager's single, but again three outs in quick succession saved the day.

In the first of the exciting fifth inning with one down, Balding drew a pass. Patterson fanned, making the second out, but Levens slapped a line drive at shortstop and the ball bounced off Neas' glove. Both runners scored when Brown dropped a fly into short right field.

In Roseburg's half of the inning, Shinn's hot ground ball got away from the Ashland shortstop. Will Neas singled and Goff walked, filling the bases. Shinn scored on Tynan's hot grounder between first and second, leaving the bases populated. Taylor drove a long fly down the left field line and Balding was barely able to reach the ball, but it fell off his fingertips as Neas and Goff crossed the plate.

Ashland had runners on base in both the seventh and eighth innings but was unable to score, a double play, with two runners on base, cutting off a hot eighth inning rally.

Only three Roseburg batters faced Brown, the Ashland shortstop, in each of the last three innings. Brown, pitching superb ball, limited the Pirates to three hits, struck out six and gave one walk. Tynan had his fast breakaway curves cutting the corners in good style, but lacked control on his first ball. He yielded six hits, struck out six and issued three walks.

Next Sunday the Pirates play at Grants Pass.

GRANTS PASS, May 10.—(AP)—The Grants Pass Merchants collected their second Southern Oregon league victory at Glendale Sunday, defeating the Loggers 11 to 5.

MEDFORD, Ore., May 10.—(AP)—The scheduled Southern Oregon league game yesterday between Medford and Crescent City, Calif., was postponed on account of rain at the coast city.

HIGH SCHOOL, ASSN. HAS NEW FEE RULE

PORTLAND, May 10.—(AP)—Members of the Oregon State high school athletic association designated Troy Walker of Baker full-time secretary and made a new ruling on school fees at their meeting here.

COUGARS WIN TRACK MEET FROM U. OF O.

SCHERNER MAKES GOOD IN TEAM TRY

Bill Scherner, former Roseburg high school athletic star, and leading hitter last year while playing with the Glendale team of the southern Oregon baseball league, has won a place on the Sliam Springs, Arkansas, team of the Arkansas-Missouri league, according to word received here today.

Scherner was among 300 youngsters trying out for positions in the league at the spring training camp and his shoveling has won him a berth on the squad. He was sent to the league from San Francisco, where he was given a try-out at the Seal's spring camp.

Scherner has been assigned to third base on the Sliam Springs team and is also serving as utility catcher. He has been purchased by the St. Louis Browns, it is announced, but will remain in the Arkansas-Missouri league for seasoning.

Out of the 300 players who tried out for positions, only 14 were retained. It was learned.

The league with which Scherner is playing started its schedule May 6.

TRAIN-AUTO CRASH KILLS 4 PERSONS

(Continued from page 1)

early today. Coroner Virgil E. Hull, investigating, said he understood White fell from a moving car on the Redwood highway.

Mrs. G. H. Garner, 81, died Saturday evening, one week almost to the hour from the time she was struck by a car as she crossed the street in front of her home here. She never regained consciousness.

Robert Fritchett, 38, driver, said Mrs. Garner stopped in front of his car from behind one which was going in the opposite direction.

TWO MORE ADDED TO PORTLAND'S DEATH TOLL

PORTLAND, May 10.—(AP)—Two persons were added to Portland's death toll early Sunday in separate accidents, bringing the total of fatalities to 24 since the start of the police fiscal year December 1.

Margaret McCamey, 19, Portland, died instantly when she was struck down by a delivery truck while crossing at a street intersection. Fred Webster, 25, driver of the vehicle, was held on a charge of involuntary manslaughter.

R. L. Lindley, 25, Portland, was killed while crossing the street a short distance from his residence. Raymond F. Bauman was the driver of the car which struck Lindley, police said.

Twelve other persons were injured in a series of automobile accidents. Clayton Henry, 24, Portland, was in a critical condition as the result of being struck by a machine on Union avenue.

7 FIREMEN HURT IN S. F. PIER BLAZE

SAN FRANCISCO, May 10.—(AP)—Dense clouds of smoke rolled along San Francisco's south waterfront today as firemen battled a stubborn under-pier blaze which Chief Charles J. Brennan said "may smoulder for days."

Seven firemen were injured, the most seriously hurt receiving a dislocated hip, and 25 of 30 were treated at the scene by ambulance crews after being nearly overcome by smoke.

Brennan said the fire was confined to cross-piled piling under piers 58 and 59A, leased by the States Steamship company.

He estimated damage at \$200,000. This included water and smoke damage to a large quantity of general cargo on the piers.

SALEM, WITH 51, WINS TRACK MEET

Duncan, of Roseburg High, Loses 440-Yard Sprint by Only Inches.

Scoring seven firsts and scoring in all but three events the strong well balanced track team from Salem walked away with the Willamette valley track meet in Eugene Saturday with a total of 51 points. Eugene was second with 27, Corvallis third with 24, Chemawa fourth with 17, Cottage Grove fifth with 15, Albany sixth with 12, Roseburg seventh with 6 and Springfield and University high last with one point each.

Some very fast time and marks were made. The closest race and one of the best was the 440-yard run. Some of the judges wanted to call it a dead heat, it being so close. It was won by Hamer of Eugene over Duncan of Roseburg by inches, both runners touching the tape at almost the same time, in the very good time of 53 flat. Trials were held in the morning in many of the events.

Roseburg scored in three events, Duncan taking second in the 440-yard run, Carter taking third in the high stakes and Campbell taking fourth in the broad jump.

Next Friday at Eugene will be held the district meet for this district. Any boy placing either first or second in this meet will go back to Eugene the next Friday and Saturday for the state meet. Those competing in this meet will be Eugene, University High, Cottage Grove, Springfield and Roseburg. Any other schools in Lane or Douglas counties are eligible to compete in this meet for the right to go to the state meet.

ACTORS, PRODUCERS REACH AGREEMENT

(Continued from page 1)

Unless we get an answer from the producers by twelve o'clock noon today," Lessing said, "we will call nationwide boycott of motion picture theaters. We will concentrate that boycott in the industrial centers of the country."

S. F. HOTEL OPERATORS SUBMIT PEACE PROPOSALS

SAN FRANCISCO, May 10.—(AP)—A basis for possible settlement of the strike of 3,500 employees of 16 of San Francisco's "luxury" class hotels was submitted to union officials today by hotel operators.

The operators said they were ready to resume negotiations, but Walter Cowan, president of the strike board, stated no meeting would be held until the data provided by the operators had been studied.

The operators submitted data on wages and hours schedules for all workers involved in the strike demands. The major issue is a demand that hotel clerks and office workers be granted a 40-hour week and preferential hiring.

Other workers involved in the 10-day walkout are waiters, waitresses, bartenders, cooks and miscellaneous workers.

ATLANTIC FLIERS LAND IN ENGLAND

(Continued from page 1)

Weald, but found that actually the supply was plentiful.

The pair took off from Floyd Bennett field Sunday at 3:36 p. m. E.S.T. The elapsed time to Weald airbase was 20 hours 34 minutes, they were grounded there ten minutes, and required 18 minutes for the hop to Crofton.

ICKES FAVORS ONE BONNEVILLE RULER

(Continued from page 1)

the committee that control of the hydroelectric development at Bonneville dam be lodged in a civilian administrator with power to fix uniform rates.

He said the bill introduced by Representative Pierce (D-Ore.) is the only one pending which would "give to one administrator effective control over an unpartitioned, integrated power development at Bonneville."

The proposed administrator, Ickes asserted, should have discretion to charge the same rates for power at a distance from the dam as near the switchboard in the interests of developing a wider market.

"A wise national policy requires," he added, "that the administrator be given adequate power to treat transmission costs wholly, or partly, as an overall charge so as to develop the widest possible markets for power in the great north-west."

Discord Hazard Seen

Ickes told the rivers committee that to put installation and operation of generating facilities at the dam under one branch of government and construction and operation of the transmission lines under another "is to divide responsibility and invite discord and trouble."

The secretary was called by the committee to express his views on three different bills proposing administrative set-ups for the project.

His testimony was construed as striking at attempts by the army engineers to gain control of the physical property of the dam.

Each of the bills before the committee provides for a civilian administrator. They vary, however, in the degree of authority to be vested in him.

CASCADE LOCKS ACCUSES PIERCE OF CHANGING STAND

PORTLAND, May 10.—Cascade Locks citizens denounced Representative Walter Pierce, Saturday, charging that the Oregon congressman had reversed his stand on the sale of Bonneville power and now stood for the blanket rate.

The chamber of commerce said it intended to express its resentment to Pierce and notify congress of his pro-rotation statement in which they said he advocated a switchboard rate for power.

A switchboard rate would set a price for power at the dam, while a blanket rate would fix one price for all purchasers regardless of distance.

G. E. Manchester, Cascade Locks mayor, said Pierce's program would rob the entire state of Oregon of any dam benefits.

STRIKE IN LUMBER INDUSTRY ENDED

(Continued from page 1)

global labor relations board promised immediate investigation. The atmosphere cleared in

Marshfield when loading of vessels resumed after a day of idleness occasioned by a longshoremen's dispute. Officials said the Coos Bay Lumber Co. mill would reopen today. Curtailment of activities was caused because of inability to move lumber from the dock.

RICHARD DIX FACES DRUNKENNESS COUNT

HOLLYWOOD, Calif., May 10.—(AP)—Richard Dix, one of the main men of the movies, put up \$20 bail and was released from jail early today after having been arrested for drunkenness.

Radio patrolmen said they found the actor asleep in an automobile last night.

They said he told them he had attended the strike vote meeting of the screen actors' guild at the Hollywood Legion stadium. Afterward, they said he explained, he started for the home of actor Freddie March, but went to sleep before he got there.

He was scheduled to appear tonight at night court.

RELIEF MORTGAGE POLICY DENOUNCED

KLAMATH FALLS, May 10.—(AP)—Willa Mahoney, former mayor of Klamath Falls, flared county relief committees yesterday at the Mother's day program of the Fraternal Order of Eagles. He declared that the boards are "violating every decent code of ethics" by taking mortgages on the homes of aged persons receiving old age assistance payments.

He said the legislature did not intend such action and that the state committee had not ordered it. The law, he declared, intended reimbursement if possible after death but did not contemplate mortgages on the property of the aged while they lived.

ED WYNN'S WIFE SUES FOR DIVORCE

RENO, Nev., May 10.—(AP)—Charging that they have been separated for more than five years, Mrs. Hilda Keenan Wynn filed suit here today to divorce Ed Wynn, noted New York radio comedian.

Mrs. Wynn asked the court to restore her maiden name, Hilda Keenan, and asked that Wynn be ordered to provide her with "reasonable" future support and maintenance.

They were married Sept. 5, 1914, in New York City and have a 21-year-old son, Frank. Mrs. Wynn is the daughter of Frank Keenan, noted former stage actor.

RHEBA WITHDRAWS SUIT AGAINST AIMEE

LOS ANGELES, May 10.—(AP)—The \$1,000,000 slander suit of Rheba Crawford against Aimee Semple McPherson today was taken off the court calendar by Judge Fletcher Bowron, Joseph L.

Fainer, attorney for Miss Crawford, said he would have a "complete statement explaining the situation" later in the day.

Fainer said there had been a number of conferences between attorneys for both sides. The postponement was asked to allow further time for the lawyers to get together on a possible settlement out of court.
