Games Next Sunday
Roseburg at Grants Pass,
Glendale at Crescent City,
Medford at Ashland.

Southern Oregon league will see its first crucial game of the season next Sunday when Grants Pass and Roseburg, tied at the top of the heap with two wins and no losses, tangle at the Josephine county fairgrounds in Grants Pass. Other encounters: pit the Glendale Loggers at Crescent City, also undefeated, and Medford's Craters at Ashland.

Phil Griggs, young CCC right-hander who has pitched the Grants Pass Merchants to a pair of wins, will start on the mound for Manager Bud Pernell's outfit with Hugh Hartman, the reformed first baseman, doing the catching. Either Tyman or Little will probably do the Pirate hurling to Goff back of the plate.

At Ashland, Southpaw Lowell Brown of the Lithians will attempt to shake the flux that has dogged him since the opening of the season. He will be opposed by either Ray Erickson or Larry Pepper in the box for Medford. Al Simpson will do the Lithian receiving and Manager Mike Balkovick the Crater catching.

Glendale Spurred
Twice defeated, Manager Jake Gipe will take his Glendale Loggers to Crescent City bent upon getting back into the pennant race and living up to the "team-to-beat" status handed it before the season opened. Alvin Merritt, in case he is recovered from the sore arm that kept him on the bench last Sunday, will do the Glendale pitching, with Frank Thompson back of the plate. For Crescent City, Manager Roy Den will open with his brother, Ralph, on the mound and Henry Malinverno back of the bat.

Crescent City and Medford were rained out of their battle at the coast city last Sunday, and will play it May 30, Decoration day, which is an open date on the schedule.

Medford's Craters will end their three weeks on the road after Sunday. Forced to travel until their newly planted turf field was in playing condition, the Medford nine will open against Glendale May 23 on the only turf baseball diamond, not only in the Southern Oregon league, but in every bush circuit in the state.

Bat Parade Leaders
At Silva, Crescent City's young left fielder, and Manager Balkovick of the Medford Craters batted at a .567 clip in the league opener two weeks ago, and although idle last Sunday as rain postponed the Crescent City-Medford battle, held their position atop the league batting race.

In second position are five hitters, three of them seeing action in two games and all slugging at a .500 average.
Frank Thompson, Glendale's pitcher-catcher, leads his team with 5 safeties in 10 trips; Darrell Leavens, Ashland center fielder, is also hitting at a .500 gallop; Ray, Grants Pass outer gardener, is slugging .500 and Baker leads all Roseburg batters with a mark of .400.

Goff of Roseburg and Ray of Grants Pass have each crossed the plate 4 times to lead in the run-scoring department.
Phil Griggs, Grants Pass right-hander, won his second game of the season last Sunday to top all pitchers.
Roseburgers following Baker in batting percentages are Goff .375 and Avery .333.
