

HUBBELL DEFEATS DEAN IN DUEL, 4-1

Giants' Ace Pitches 22nd Win in Row; Game Sees Battle of Fists.

By SID FEDER
Associated Press Sports Writer

The pitching argument of the era—Carl Hubbell's brains vs. Dizzy Dean's good right arm—was still a long way from being settled, but for the moment there seems little to offer against the nomination of "King Carl" as the best hurler in the game today.

Despite his all-time high run of 22 straight victories, it was another angle, generally overlooked in the first inning and excitement of the 4-1 beating Hubbell and the Giants pinned on Dean and the Cardinals yesterday, which explains as much as anything why old "squaremate" stands out like a lighthouse in a field of bush leaguers.

When Dean and Jim Rupp started the battle that wound up in a riot, with about everyone remotely connected with both teams taking part, Hubbell wasn't anywhere around. And where was Carl when the fight went out? Way down in the Giants dugout, as cool as a box of leers.

By his own explanation, Hubbell is paid to win ball games. And, since flat-throwing, in his opinion, doesn't come under the head of winning pitching, he kept both his seat and his head when the Giants poured out of their dugout to mix it.

Longest Victory Streak

After it was all over, he calmly resumed his task of leading the Yankees down and wound up with his sixth straight victory of the season. It was his 23rd in a row over a two-season stretch, the longest streak in baseball history.

It may be unfair to compare Dizzy with statistics on the basis of yesterday's warfare, since Dean was given a tough break when a balk was called against him in a tight spot in the sixth, leading to the Giants' winning three-run rally. But the fact remains that Hubbell has demonstrated that when the heat is on he has few equals.

Twice during that game, he showed his stuff in the cut-throat. When Ducky Medwick banged his homer, Hubbell immediately followed with a fast and dangerous Johnny Mize and immediately afterward pitched another of that. When Brown straggled to open the ninth, Hubbell didn't bat an eyelash, but wound up the affair by fanning Medwick and Mize, two of the toughest hitters in the league.

Compared to the Hubbell-Dean "battle of the century," the rest of the big league game didn't stand a chance at the headlines. But there were other things. Not baseball made its seasonal debut in Cincinnati, with between 20,000 and 25,000 turning out to see the Boston Red Sox down the Reds 3-1 behind Fette.

Tigers Blank Leaders

The Philadelphia Athletics' American league lead was cut to a slim percentage margin as they were trampled 9-0 by the Detroit Tigers behind Bridges' five-hit pitching. The Phillies turned tables on the Pirates and came through with a 5-1 win. Dolph Camilli stealing home with the winning run in the ninth. Tex Carleton made his first starting debut and pitched a sixhitter to give the Cubs a 3-1 win over the Brooklyn Dodgers. Everything else was rained out.

Blame Terrorism on Deputies

Refusal to assist sheriff's deputies in the slaying of Bennett Musick, son of a union organizer, brought retribution in the form of an attempted assassination by them, Hugh Taylor (below), former Harlan County, Ky., deputy, charged before the Senate Civil Liberties Inquiry in Washington. David Sullenberger (top), young truck driver riding with Taylor, confirmed the story of the attack in which both were wounded.

COACHES, TEACHERS SET PICNIC FROLIC

Conditions will be reversed Saturday when the high school athletic coaches of the county show their athletic toes, while their pupils will be privileged to sit on the sidelines and witness the events.

The high school coaches and principals, together with members of their families, will enjoy an all-day picnic at the Roseburg Senior high school grounds Saturday. Sports for the day will include volleyball, tennis, shot put, horse-shoe pitching, tennis and ping-pong. The feature event of the day will be a baseball game at 2 p. m., with the principals meeting the coaches in a matched contest. Announced batteries are Poling and Fisher for the principals and Engenstrom and Bliss for the coaches.

The grandstand at Finlay field will be open, without charge, to spectators desiring to witness the activities.

The picnic is sponsored by the Douglas County Principals association.

DEAN AND RIPLE FINED FOR CLASH

NEW YORK, May 20.—(AP)—Dizzy Dean and Jimmy Rippe were fined \$50 each today by Ford Frick, president of the National league, for their fight in the St. Louis Cardinals-New York Giants game at St. Louis yesterday.

Rippe and Dean precipitated the free-for-all fight in the ninth inning. Accusing Dean of attempting to "beat" him, Rippe batted down the first base line safely and tangled with the Cardinal pitcher star after he had crossed the bag.

Behind the Scenes in Washington

By Rodney Dutcher

WASHINGTON, May 18.—The influential administration group which has waged a preventive war against price inflation continues, on the contrary, to prophesy trouble.

These "viewers" (byaham) are encouraged by what they consider the healthy effect of several presidential gestures and measures to discourage price increases. They believe that these and other factors have checked speculative buying and kept down or lowered commodity prices. The price of copper, for instance, has declined and it is widely believed here that what was to have been an other steel price increase has been headed off.

Various white house advisers, however, will continue to urge further action. It is likely that Roosevelt before long will move toward a restriction of certain tariff duties which would affect prices of protected products considered by economists to be "out of line." In this connection, watch for news of the future of the copper import tax which will lapse in June unless something is done about it.

Much Installation Buying

An ending of European war tension, liquidation of foreign-owned securities here and talk of cold price reduction are believed to have had an effect on the commodity markets, as well as administrative efforts.

But there is alarm over a big increase in installation orders, which reached \$9,000,000,000 in

LEAGUE LEADERS TO CLASH HERE SUNDAY

Pirates and Crescent City, Both Unbeaten, Will Top Baseball Program.

By BILLY HULEN
League Secretary

League Standings

Team	W	L	Pct.
Roseburg	3	0	1.000
Crescent City	2	0	1.000
Grants Pass	2	1	.667
Ashland	1	2	.333
Glendale	0	3	.000
Medford	0	2	.000

Games Next Sunday

Crescent City at Roseburg, Glendale at Medford, Grants Pass at Ashland.

Undisputed leadership of the Southern Oregon league will be at stake next Sunday at Roseburg when Manager Buck Taylor's high-flying Pirates entertain the Crescent City club of Manager Roy Deo. Both teams are undefeated, Roseburg knocking over Glendale, Ashland and Grants Pass in its drive to the top and Crescent City holding wins over Ashland and Glendale, with one postponed battle with Medford to be played on Decoration day.

While the league leaders are having it out, Glendale's three defeated Loggers will travel to Medford to help the Grants dedicate the only high school turf baseball field in the state; and Manager Jud Pernoff's Grants Pass Merchants will have a whack at the Ashland Lithians in Ashland.

Tight Battle Expected

The battle at Roseburg should prove one of the tightest and most sensational of the year. Last week, the Pirates' hand-picked Phil Griggs, Grants Pass' star right-hander, his first defeat of the year while Ralph Deo was pitching Crescent City to a 6-4 win over Glendale. Batteries are expected to be Deo to Malinverno for the coast city outfit and "Y" Lynam to Goff for Roseburg.

At Medford, Manager Mike Halvick of the Grants will start young Larry Pepper on the mound with himself doing the catching. Manager Jake Gipe will probably open with Alvin Merritt in the box for Glendale and Frank Thompson doing the catching. After three weeks on the road, during which time the newly planted turf field was growing, Medford opens before a home crowd. Elaborate ceremonies are planned, including a band, prizes for "firsts" and city and league officials taking part.

Ashland, which beat Medford last week 7-5, will present the same battery that did the work—Southpaw Lowell Brown to Al Simpson. Grants Pass will have Phil Griggs in the box and Hugh Hartman back of the plate.

Glendale Off Form

A mystery of the circuit so far is the inability of the Glendale Loggers to show the form expected of them. Last year, they lost only to Klamath Falls for the pentagon in a play-off game, but to date this season, have failed to win a battle. Manager Jake Gipe expects player help with the closing of colleges in a short time, and if he gets what help he needs, the Loggers will be nobody's setup.

Ashland is also expecting help when school is out, with Cliff McLean, catcher and Bob Hardy, southpaw pitcher now doing their stuff with the University of Oregon club, reporting to the Lithians.

Medford will be strengthened at first base with the addition of Bob Smith when he returns from U. of O., and has strings out for Andy Hupney, slugging Webfoot outfielder.

All clubs are expected to present stronger fronts the latter part of the first half and during the second half of the league season.

PRIEST GOES TO AID STRICKEN ESKIMOS

PORTLAND, Ore., May 20.—(AP)—No more "just a gun, a bag of salt and a thumb pointing to Alaska," for Father Bernard R. Hubbard, Santa Clara university's "glacier" priest.

His present trip north is to do something for humanity; to seek a cure for tuberculosis.

He explained to interviewers here while en route to Seattle for his takeoff that the answer might lie in seal oil.

"Years ago there was no tuberculosis in Alaska," he said. "It came after the Russian occupation. Today 90 per cent of the natives up there are afflicted with T. B. If you bring the Eskimo to our climate and our food they gallop right off and die. Up there the adults don't die until they get old."

"What we are going to do is experiment on the 120 Eskimos of King Island and try and see what this seal oil does to them. We have there a vast amount of sunshine, vitamin D, seal oil. Maybe it's the answer."

Dr. Victor E. Levine of the Creighton university school of medicine will be physician to the party and aid in the experiments.

Father Hubbard said he would spend a year at the island, which is between Siberia and America, and incidentally "debunk" the Eskimo legends that Hollywood and New York Park avenue explorers have been dishing out.

Blame Terrorism on Deputies

Refusal to assist sheriff's deputies in the slaying of Bennett Musick, son of a union organizer, brought retribution in the form of an attempted assassination by them, Hugh Taylor (below), former Harlan County, Ky., deputy, charged before the Senate Civil Liberties Inquiry in Washington. Build with LUMBER.

A Lifetime of security at amazingly little cost

Thousands of American families are today realizing their hopes for better homes. There is nothing like lumber for solid comfort in house building. It is durable, easy to handle and inexpensive.

When the Union Pacific was under construction seventy years ago, lumber was scarce in mid-continental America. Methods of logging were tedious and wasteful. Transportation was difficult.

Today, modern methods of logging and lumber manufacture, coupled with fast, dependable railroad transportation, make the choicest lumber available in all markets of America at amazingly low prices. In a frame house of average size the cost of the lumber is only about 15% of the total construction expense—and this includes freight charges to average destinations.

Union Pacific has played a leading part in development of the lumber industry. Steadily through the years, it has bettered its schedules, improved its equipment, to facilitate fast, low cost, dependable delivery of this important commodity. It has recently added 4,500 specially designed cars to its lumber fleet. Progressive steps in pace with a progressive industry.

For better homes—at minimum cost—consult your local lumber dealer.
