THE DALLES, June 9.—(AP)—The state grange voted down a proposal today to invite Governor Charles H. Martin to address the convention which will close Friday.

The organization elected Glenn L. Adams, Polk county secretary over Charles Harth of The Dalles. This was the only office voted up on today.

Hen T. Osborne, secretary of the state federation of labor, addressed the convention and said the state federation had no desire to organize farm labor on a union basis.

Klamath Falls was selected for the 1938 convention, receiving 222 1939 convention. Eugene was selected for the 1938 convention.

WAY TO CONTROL TOOTH DECAY FOUND

CHICAGO, June 9.—(AP)—Science has found a way to control tooth decay.

Reporting the results of a four-year study, the "Caries research group" of Northwestern university's dental school announced today the discovery of a chemical test by which, coupled with a program of dental care, they said "tooth decay can be practically eliminated."

The newly-found test determines within five hours a person's susceptibility or immunity to dental caries (tooth decay), said Dr. Arthur C. Black, dean of the school and head of the group of seven scientists. The test has been made successfully on 750 cases, he reported.

Powdered human enamel is placed in a test tube with saliva from the person being examined, and the susceptibility is determined by the amount of calcium dissolved, Dr. Black said.

Once the degree of susceptibility has been determined, a dentist will be able to work out an individual program for building up immunity to decay in cooperation with medical and dietary consultants, Dr. Black said.

SOCIAL SECURITY GRANTS ANNOUNCED

WASHINGTON, June 9.—(AP)—The social security board announced today approval of federal grants totaling \$14,495,969 for public assistance in 37 states.

All but four of the grants will go for old age assistance, which totaled \$13,599,947. One grant of \$10,260, to New Mexico, was for dependent children.

The board also approved state public assistance plans for aid to dependent children in Oregon.

It said this brought to 28 states and the District of Columbia the numbers of participants in the three public assistance provisions of the social security act.

Addition of the individuals covered in the newly-approved program was said to have brought to 1,823,790 the number of persons covered by assistance plans in 43 states taking part in one or more of the programs.

Most of the old age grants covered the period up to the close of the fiscal year on June 30.

The old age grants included: California, \$896,658; Oregon, \$268,352; Washington \$416,135, and Idaho \$102,559.

A new plane, not much larger than a bath tub and built by a Los Angeles man, is expected to be the fastest close course racing ship. It is expected to travel at least 325 miles per hour.
