

BASEBALL TALENT TO VIE FOR PLACES

Legion Juniors of Eugene and Roseburg to Play in Selective Bill.

More than 40 boys from Lane and Douglas counties are expected to participate Sunday in vital doubleheader Legion Junior baseball games at Finlay field.

The second teams representing Roseburg and Eugene will start the doubleheader promptly at 1:15 p. m., and will play a seven-inning contest, to be followed by a full nine-inning game between the two first teams.

The Legion Junior baseball activity in Oregon has been greatly handicapped this season by unfavorable weather and neither the Lane nor Douglas county squad, limited to 15 players, has been definitely chosen and birth certificates and photographs of team members must be filed at state headquarters not later than June 30.

Lots of Good Material. "Douglas county will be represented by one of the best teams it has ever turned out," W. H. Gerretsen, chairman of the baseball committee of Umpqua post of the American Legion, said today.

"Much of the credit for the unusually large amount of material available goes to those who for the past few years have been coaching the Midcoast boys from 9 years of age up to those of Junior age. This training is now showing its results and we have three or four boys trying out for nearly every position on the team.

K. Falls May Enter. From present appearances, Gerretsen said, Roseburg and Eugene are the only towns in the district supporting Legion baseball this season, and one of the other of the teams will go to the state championship finals at Woodburn. It is barely possible that Klamath Falls may enter the picture and contest for the district honors, but so far no team has been organized there, the chairman said.

At a meeting of Mr. Gerretsen's committee last night, arrangements were made for a game with Vancouver, B. C., boys' team. The game will be played in Roseburg either July 18 or 20. The Canadian team, which corresponds in age to the American Legion Juniors, is starting a coast tour under the sponsorship of the Vancouver chamber of commerce.

STATE LABOR MEET RAPS GOV. MARTIN

(Continued from page 1)

Wagner Act Defended. Miss Strayer also defended the Wagner labor relations act, asserting that if it were lost it would be because labor was "not well enough organized, and not because of the assaults of the United States chamber of commerce and other organizations."

The convention pledged its support to the woodworking unions in their campaign against the industrial employes union, which was described as a "company union," and scored Corvallis city officials for alleged "cooperation" with a lumber firm in strengthening the I. C. U.'s position in the plant.

LOGGING ACCIDENT KILLS A. H. HANEL

(Continued from page 1)

of nine months. He was married at Medford, Wis., June 29, 1926, to Miss Helen Schöning. He came to Douglas county from Wisconsin in December, 1929. He was a member of the Lutheran church.

Surviving are his wife; two daughters, Josephine and Theresa Hanel, Wilbur, and a sister, Mrs. Freda Mahner, Medford, Wis. Funeral services will be held in the chapel of the Douglas Funeral home at 2 p. m. Monday, with interment following in the Wilbur cemetery.

AUTO BLOW KILLS CARRIER PIGEON

A banded carrier pigeon was found today by C. O. Crittiser of Melrose after it had been struck and killed by an automobile. The bird bore a metal band, EPC-1956, Aug. '36, and a rubber band, 518-G.

MARTIN RAPS PLAN FOR EXTRA SESSION

(Continued from page 1)

society upon need of the recipient. "In view of the sound condition of our state, and the excellent work of the last session of the legislature, I can certainly see no reason for being stampeded by this newly manufactured hysteria."

Political Suicide Feared. Other state officials, likewise opposing a special session, said it would be political suicide to call the legislature back to enact the proposed transaction tax to finance the pensions.

They said the transactions tax is a disguised sales tax, which was rejected by the voters in 1932, 1934, and 1937. The opposition to the tax rained at each election, the vote last year being 187,339 against to 32,196 for.

STEEL MILLS REOPEN UNDER HEAVY GUARD

(Continued from page 1)

Observers touring the plant gates along both sides of the Ma-honing river, reported no visible evidence of the steel workers organizing committee trying to maintain picket lines against the back-to-work movement for loose by Gov. Davey's order to use the state troops for reopening of the steel mills.

Troops on patrol duty within a block of the mill entrance kept all persons moving. Military passes were demanded of anyone standing near the gates.

CIO On Defensive

CIO chiefs, finding themselves suddenly on the defensive, called upon the strikers to re-energize their lines. "The strike goes on unbroken," CIO leaders said. Steel wrote its answer with belching smoke from lance-pokeholes stacks.

At Columbus, CIO filed suit asking a court injunction preventing use of Ohio national-guardians in reopening of steel mills.

Gov. Davey said he had received nearly 1,000 telegrams congratulating him on his ordering troops to "protect the sacred right to work."

CANTON, O. - Militia joins local officers in enforcing injunction regulating picketing at Republic Steel Co. plant.

WASHINGTON - Republic Steel, in federal court, argues that "if CIO has power to control the postal system, then the time has indeed come to involve the aid of the government's military forces."

NEW YORK - Senator Wagner (D-N.Y.) charges "a few large corporations" with "fighting labor and labor's right to organize, ... fighting every enlightened employer, ... and undermining all the proposals for economic betterment for which the national labor relations act would serve as a foundation."

BARN, HAY, HORSE TAKEN BY FLAMES

MEDFORD, Ore., June 26.—(AP)—Spontaneous combustion of hay in a 50-year-old barn on the A. Belle Anderson farm near Talent late Friday destroyed the structure and fifty tons of hay, belonging to D. R. Smith of Talent.

Clarence L. Smith, one of the firefighters, fell from an electric light pole near the barn while attempting to cut an electric wire, and sustained severe lacerations. An artery in his left arm was cut.

Beside the barn and hay, a horse and farm implements were burned. The loss was placed at \$1,000. Partially covered by insurance.

MEDWICK, GEHRIG STILL TOP HITTERS

(Continued from page 1)

NEW YORK, June 26.—(AP)—Big league hitters, with their eyes on a prospective bid to the coming all-star game, turned on the heat this week, but although several climbed way up in the standings, none was able to come close to Ducky Medwick or Lou Gehrig.

Medwick, continuing one of the hottest batting paces in years, collected 13 hits in 20 chances to beat his average three points thereby howling a .416 season mark after two months of play.

Gehrig, the Yankee clown, hit for just under .400 for the week ended with yesterday's games and remained far out in front in the American league with a .392 mark.

Notable sluggers of the week were Charley Gehringer, Detroit's classy second-sacker, with 12 hits in 27 chances, boosting himself from eighth to third place in the American league with a .356 mark; Paul Waner, Pittsburgh's "big poison," with 14-for-29 for the week, climbing from eighth to second in the National league with .364;

YANKS BOOST LEAD IN BEATING TIGERS

By SID FEDER (Associated Press Sports Writer)

The Yankees yesterday handed Tommy Bridges and the Detroit an 8-1 setback, as Dickey's revived power hitting clouted his sixth homer in five days. The win left the Yanks four games in front in the American league and dropped the Tigers into a second place tie with the Chicago White Sox, who outlasted the Senators and Wes Ferrell for a 7-6 decision.

Boston's Red Sox made it three straight by topping the Browns 4-2 as Buck Newsom pitched a four-hitter. The Phillies pounded the Pirates 10-5. The Indians and Athletics were not scheduled.

The Cardinals, entertaining the Giants, gave Gastonman a 14-hit going over and finished on top 2-1 to drop the New Yorkers two full games away from second place. The Cubs retained their one game league lead by walloping the Dodgers 11-2 on Galan's two homers and Carleton's five-hit pitching. Cincinnati defeated the Boston Bees 6-2.

COURT KEEPS OUT OF UNIONS' FEUD

(Continued from page 1)

SAN FRANCISCO, June 25.—(AP)—Federal Judge Michael J. Roche refused today to interfere in what he termed a jurisdictional dispute involving two unions seeking recognition as the bargaining agency for California brewery workers.

He dismissed the petition of the California state brewers institute for a ruling whether the institute should bargain with the brewery workers union or the international brotherhood of teamsters.

The court said it "recognized the right of the American Federation of Labor to adjust jurisdictional disputes." Both unions are affiliated with the A. F. of L.

"The court of law, therefore, will not interfere with the decisions of the A. F. of L., with its internal organizations or its methods in making or enforcing awards," the court ruled. "That higher body to which the two labor organizations belong . . . must determine the matter and render and enforce a binding decision between them."

Gregory Harrison, attorney for the institute, and Matthew Toblener, attorney for the teamsters, took exception to the ruling, and Harrison said he would appeal.

Harrison also asked a ruling on a petition he presented Wednesday for an order to restrain Dave Beck of Seattle, international officer of the teamsters, from interfering with delivery of California beer in Oregon and Washington.

The attorney said he had an affidavit from Paul B. Malone, brewery administrator, relating Beck had threatened to stop delivery of California beer to the states unless the brewers discharged brewery workers union employees. The court also denied this petition, but Harrison said he would renew the motion tomorrow pending his appeal on the jurisdictional dispute.

BICYCLE PARADE PRIZES AWARDED

(Continued from page 1)

Art, humor and originality were combined yesterday in the largest and best bicycle parade ever scheduled here by the Montgomery Ward company store.

More than 100 riders on decorated bicycles participated. They were led by the Junior drum corps in full uniform and created much interest.

The first prize was awarded to Eleanor McNeill, second prize to Harold Cacy, and third prize to Shirley Jean Carter, all of Roseburg.

All participants were given tickets to the Indian theatre by the theatre management, and also five milk shakes by the Roseburg News-Review.

MARKET REPORTS

WOOL

BOSTON, June 26.—(AP)—The Commercial Bulletin today says: "There is hardly any wool or by-products moving out of the Boston wool market in consequence of the strike of the wool handlers in the locks, with whom the longshoremen's union is co-operating to the extent of tying up wool shipments at other ports, as well as the wool merchants, and warehousemen have granted all demands of the unions except the closed shop. The unions refuse arbitration."

"There is some wool being moved direct to mills from country points, more especially from the mid-west, where prices are firm on the basis of 40 to 40 1/2 cents paid for medium merchantable clips in Ohio and Michigan. In the far west, there is no marked activity reported. Prices generally are unchanged to so far as they are quotable at all."

"Foreign markets are firmer in consequence of a slightly stronger tone in the Brisbane wool auctions. "With the backlog of orders at the mills slowly dwindling and some chain stores reducing prices on clothing, it would appear that the manufacturers are much distressed for wool supplies. "Mohair is quiet but steady."

The Bulletin published the following quotations: Scoured basis: Oregon: Fine and f. m. staple 97-98; fine and f. m. clothing 90-92. Mohair: Oregon, 65-67. WHEAT: PORTLAND, June 26. SAN DIEGO WINS 6TH STRAIGHT GAME

(By the Associated Press)

All at-home clubs counted victories in the Pacific coast league today, with Sacramento, San Francisco and San Diego holding to their one, two, three margins in the standings.

Oakland, which also treated the hometown fans by defeating Los Angeles 10 to 8 last night, remained next to the bottom-place Missions.

San Diego's Padres, aided by a terrific homerun drive by Williams, 18-year-old outfielder, turned in their seventh straight win as they shellacked Portland 6 to 1.

Manager Lefty O'Doul's punch hitting gave the Seals a 4 to 2 victory over Seattle, while Sacramento's fence busters defeated the Missions 5 to 3.

William's circuit blow at San Diego, which traveled 470 feet, was unofficially reported to be the longest wallup ever hit inside Lane field. It was Williams' third homer of the series.
