Automobiles

YOU CAN'T FLY OVER THE NORTH POLE WITHOUT A SUPERCHARGER.

The Russian Soviet plane which made the remarkable flight from Moscow, Russia, over the North Pole to Vancouver, Washington, was SUPERCHARGED. The fastest lap in the history of Indianapolis track was made on Decoration Day by Jimmy Snyder driving a SIX CYLINDER SUPERCHARGER. The National A. A. Economy run from Los Angeles to Yosemite was won two years in succession, 1935 and 1937, by a Graham Supercharger. (Never before has the same make of car won this national test twice in succession.) POWER, SPEED, RELIABILITY, ECONOMY.

You may have all four of those features in the same car only through the Graham Supercharger. (Statement supported by National and International Records.) Graham Superchargers are priced here in Roseburg as low as \$1298.00 up to \$1448.00. Other Graham models without Supercharger as low as \$1788.00. Ask about our bonus plan on your used car. Newland Motor Co., 116 S. Stephens.

RED LABEL BEER WAR MARKS TIME

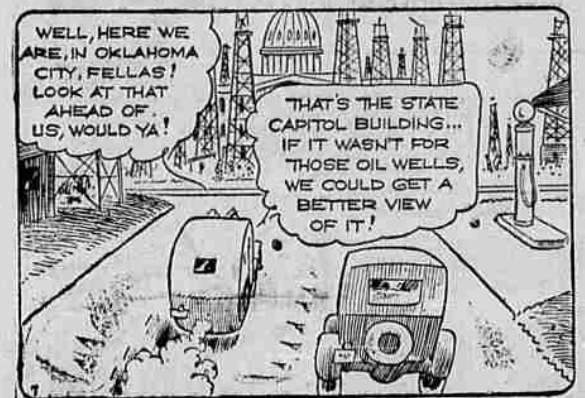

PORTLAND, July 7 — (AP)—Dust continued to gather on Red Label beer today as rival brewery and teamster union forces marked time, pending court action.

Distributors of the Red Label beverage, product of the brewery union, made no effort to force the distribution in the face of threats of teamsters to quit. Teamsters, boycotting the Red Label beer in favor of the rival White Label ale, contend that the brewery union should surrender all control of its delivery units to the teamsters.

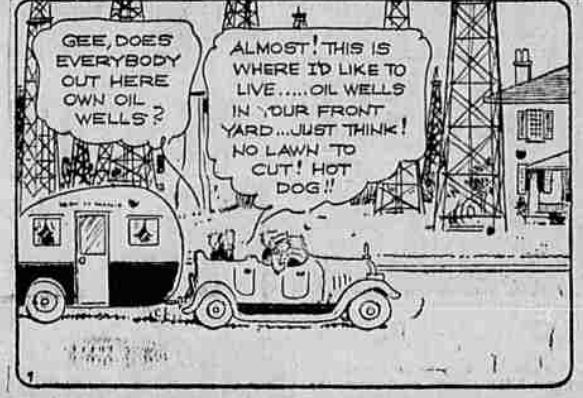

Court action by the brewery union is pending in Seattle for July 14. Tacoma, July 8, and Los Angeles, July 15. Meanwhile a federal court has temporarily enjoined Portland teamsters from interfering with delivery of the Red Label beer but with only teamsters available to deliver it, little of the Red Label has circulated here.

Administration of the Schick test for diphtheria and the Dick test for scarlet fever is compulsory for all pupils between certain ages in governmental schools of Mexico.
