## EX-VISITOR HERE VICTIM OF TRAGEDY

SAN FRANCISCO, July 8.—(AP)—The trail led to Oregon today in the efforts of authorities to identify the body of a well dressed man about 35 years old. The body, throat slashed, apparently with a razor, washed ashore yesterday at Fort Funston beach. Five miles down the ocean highway, across the San Mateo county line, sheriff's deputies found an abandoned automobile.

Sheriff's Deputy Emmett Winters expressed the opinion there was a possibility of a connection between the automobile and the body. He said his investigation showed the car carried license plates registered to Hubert Stewart of San Francisco, who formerly lived at (Rt. 1, box 17) Roseburg, Oregon.

Authorities were unable to locate Stewart.

Hubert Stewart, named in the above dispatch, was a temporary visitor in Roseburg several months ago, visiting for a short time with friends east of the city. He was not a resident of this vicinity for any great period of time, it was stated.
