WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels, gas builds up your stomach, you get constipated. Your whole system is poisoned and you feel sour, sick and the world looks unkind.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes time and good old Carter's Little Liver Pills to get those two pounds of bile flowing freely and make you feel "up and up".

Remember, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 25c.

Cooperation Asked

"In order that we may overcome

the handicap of lack of income from games which have supported teams in previous years, it is necessary that we have wholehearted cooperation in our advance ticket sale for Sunday's game."

W. H. Gerretsen, committee chairman, said today: "We are asking the baseball fans of Roseburg to turn out en masse Sunday and to buy in advance as many tickets as they can possibly use. We have gone to a great deal of expense to provide baseball training for more than a hundred youngsters of Roseburg and vicinity. We have this year an exceptionally good team, and as a result of baseball training given the younger boys for the past three years, have prospects of outstanding junior baseball material for several seasons to come. We believe this activity is deserving of unanimous cooperation from sports fans, and we are urging a special effort in the way of attendance at the game with Corvallis."

Money Needed Urgent

As a result of this condition, it is necessary that the game be played Sunday attract a good gate, and it will be the last time the team will play on the home field in the state series; but expenses will continue to be heavy, should the local juniors be successful in beating Corvallis.

If the Roseburg players take Sunday's contest, a third and deciding game will be played at Cottage Grove Monday, with each team paying its own expenses and with practically no income from gate receipts. The winner of the three-game series between Roseburg and Corvallis will go to Woodburn to participate in the state eliminations the following week-end.
