SPEED LIMIT URGED TO CURB TRAGEDIES

SALEM, Aug. 5.—(AP)—Re-
commendations of speed limit re-
visions and rigid law enforcement
to curb "the alarming increase in
fatal motor vehicle accidents"
came today from R. H. Hollock,
state highway engineer.

He pleaded to the public to support
police in enforcing laws, as-
serting that the major portion of
the accidents is caused by the
reckless, the careless and drink-
en.

SEATTLE CAST-OFF WINS FOR BEAVERS

Thomas Limits Padres to
5 Hits, and Portlanders
Go Up to 3rd Place.

(By the Associated Press)
Portland's Beavers were in third
place in the Pacific Coast baseball
league race after a cast-off Seattle
pitcher gave them a 3 to 2 win
over the league leading San Diego
Padres.

Bill Thomas, who was sold to
the Beavers last week by the (title)
limited the Padres to five hits.
Portland scored the winning run
in the last of the ninth on Mraz's
wild throw to first after Trash
Beaver catcher, had hit a two bag
and Tomcarner smashed a
drive to the Padre shortstop
which he could not control in his
loss.

San Francisco's falling Seals
dropped into fourth place after
losing their second beating in as
many days from the second place
Sacramento outfit. The Senators
nipped Cal for 17 hits. The score
was 11 to 2.

Homer by Strange and Hunt,
the latter's coming with one on
the base, gave Seattle a 6 to 2 win
over the San Francisco Mission.
Thirteen hits were enough to give
Los Angeles a 7 to 5 win over the
Oakland Aces.

Solved Boss Fined
Kilifer, Sacramento manager,
was fined \$50 yesterday for flying
a white flag which he said he did
not fly. It all started when Callow
got into an argument with Umpire
Elliott after being called out on
strike. He was waved out of the
game and Kilifer protested and
for his trouble was bounced out
of the game too.

A little later, it was reported,
Elliott noticed what he thought
was a white flag waving above
the Sacramento bench. He went to
the bench looking for Kilifer.
Not finding him, he told the bat-
tle line to tell the 30-foot manager he
was fined \$50 at least that is the
way Kilifer told the story.

"I was not even on the bench,"
said Bill. "And anyway the flag
was not white. It may have been
Callow's sweat shirt. That's the
last time I've ever been fined for
flying a white flag. And I did not
fly it. What do you make of that?"
Garibaldi Going Up
Kilifer announced yesterday
Art Garibaldi, who led both clubs
at last Saturday with three slugs,
a double and a pass in five
times at the plate, has been selected
by Branch Rickey, boss of the
Cardinal chain gang, to report to
the St. Louis training camp next
spring.

West did all the scoring for the
Mission. He lashed out two home
runs and in the ninth blasted a
two-bagger, stole third and went
home on an outfield fly. Hank's
homers was his 23rd of the season.

KIWANIS, LIONS TO
SETTLE SUPREMACY
The Roseburg Kiwanis and
Lions clubs are playing off a series
of athletic events in an at-
tempt, it is asserted, to settle a
long dispute as to physical
preference.

The first event of the triple-
decked tournament was a horse-
show pitching contest last week
which was won by the Kiwanis club.

Tonight at 8:30, Friday night
will be the scene of the first of
a series of three softball games
between members of the two
clubs. At sometime in the future,
club members say, a golf tourna-
ment will be played. It is em-
phatically pointed out that results,
determined by a survey of all
results, will provide refreshments
for the winners.

AIR SURVEY OVER
DOUGLAS FINISHED
The airplane survey of property
owned by Douglas county was
completed yesterday after 18 1/2
hours flying time over a period
of five days. The survey was made
for the county by the Salem Fly-
ing Service, of Salem, Ore. L. Ar-
ney, manager of the flying ser-
vice, stated yesterday that approx-
imately 500 pictures were taken
with a special aerial mapping
camera. Morris Bowler, repre-
senting Douglas county, made the
survey flight with Arney.

Games next Sunday:
Grants Pass at Ashland,
Roseburg at Medford,
Crescent City at Glendale.
(By Bill Hulton, League Secretary)

With only three more weeks re-
maining in the Southern Oregon
league schedule, Ashland's high-
flying Lillians, currently the
Grants Pass Merchants next Sun-
day in the feature game of the
week. A win for the Lillians, who
will have Bob Hardy on the mound,
will practically clinch the second-
half championship and right to
meet Crescent City for the pen-
ultimate. Grants Pass will counter
with Rudy Heyne, undefeated in
three games.

Ledy Mike Koll will open on
the mound for Crescent City at
Glendale in another crucial bat-
tle, while the Loggers will use Lar-
ry Nimsomann on the slab. The
resulting in the game, Crescent City
must beat Glendale.

At Medford, Manager Mike Bal-
boyek will use one of four pitch-
ers in an attempt to hand Rose-
burg's Pirates their fifth straight
second-half defeat. George Barr
will do the Pirate hurling. Last
Sunday Roseburg lost to Crescent
City by only one run, result of an
error, and is expected to cause
trouble from now on.

Framsted Down to .486
Although collecting only one hit
— a home run — in four trips to
the plate against Roseburg last
Sunday, Crescent City's Orville
Framsted remained at the top of
the league batting parade with a
healthy mark of .486. It was the
first time in two months the bril-
liant outfielder has dropped below
.500.

Framsted's 17 hits in 37 trips
was also good enough to give him
the lead in his batting, and his
13 runs scored topped that of
Ostrom of Grants Pass by one.

Ledy Mike Koll, Crescent City
pitcher, got in the middle of the
hurling race by allowing only
three runs to raise his average
to .456, second only to Framsted.
Ledy Baker, Crescent City out-
fielder, holds down third place
with .412.

Melvin McCarthy, Grants Pass
third baseman, ran his hitting
streak to 12, including the line play-
er to hit safely in every league
affair.

Goft tops the Roseburg batters
with .288, closely followed by
Robertson with .282.

ROSEBURG JUNIORS SET FOR TOURNEY

Baseball Squad Will Leave
Friday for Woodburn to
Battle for Title.

The Roseburg Junior Legion
baseball team is having its final
workout today before going to
Woodburn, where it will partici-
pate in the finals for the state
championship. The team will leave
at 8:30 Friday morning. W. H.
Goretzen, chairman of the Legion
post baseball committee, stated to-
day that one more automobile is
needed for the transportation of
the Roseburg team.

The Woodburn American Legion
post will be host to a banquet for
all of the teams Friday night. The
tournament for the championship
will be played Saturday and Sun-
day.

The four teams in the play-off
are: Ontario, Estacada, Roseburg
and Postville Phantoms of Port-
land. Managers are picking the
Portland team as the favorite, but
title is known about the relative
strength of the others, they say.
The Roseburg team will play both
Saturday and Sunday. If it wins
the Saturday contest, the Sunday
game will be for the champion-
ship; otherwise the Sunday tilt
will be a consolation event.

Many Roseburg and Douglas
county fans are planning to see
the championship games. Tickets,
states Goretzen, may be obtained
from him or from Leon McClain,
club manager at the Commercial Abstract
company office.

"GOLDEN" SOX HIT
WINNING STREAK
Yawkey's High-Priced Men
Become Serious Threat
in American League.

(By SID FEDER
Associated Press Sports Writer)
That big money that Tom Yaw-
key threw into the Boston Red Sox
has paid off again.

In fact, it's shouting so loud it's
making nervous wrecks of a lot of
American league nine-arm squads.
How long it can continue re-
mains to be seen, but if past per-
formances are any indication, the
Sox will keep on surging until
their series next week with the
New York Yankees slaughterers,
who are now counting along on an
eight-game lead. Then they'll go
quietly back to sleep for a time,
as usual.

Until then, however, the three-
million dollar investment of Yaw-
key's is going to keep on doing a
lot of damage among the league's
stronger contenders.

Big guns in this drive that has
skyrocketed the Sox to a spot
where they're flirting with second
place have been four of Connie
Mack's big-priced ex-Athletics—
McNair, Jimmy Foxx and Pinky
Higgins with their bats, and Grove
with his baffling soapbox slants,
Bat Marke Soaring.

McNair, snapping out of his
month-long cream-puff hitting dol-
drums, has been belting the ball
for a .405 average in the present
ten-game drive. Foxx and Higgins
are moving along at .352 and .359,
respectively. The three of them
have driven in 29 runs in the
series. Groves is breezing along on
a personal three-game winning
streak. Adding this quartet are
a couple of rookies, outfielder Col-
onel G. Mills and Catcher Gene De-
Sautels, who are paying first-year
dividends with .357 averages for
the ten games.

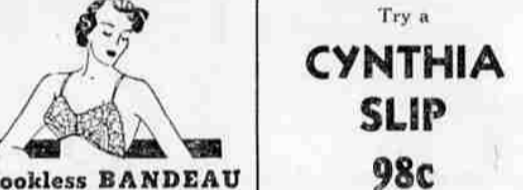

They started out the home stand
by topping the Browns in two out
of three. Then they knocked the
ears off the Tigers in three games
and tied a fourth. At present
they're working on the Indians with
Yanka a 10-9 win, their third
straight over the slipping Sox. The

Nos. 27 and 28.

Yanks Win on Homers.
This twin win left them just a
game back of the second-place
White Sox, who learned first-hand
again from the homer specialists,
the Yanks that there's no come-
back for a circuit clout. Dickey
belted one with the bases loaded
and Gehrig hammered his 23rd
before a single by Powell in the ninth
broke up the game and gave the
Yanks a 10-9 win, their third
straight over the slipping Sox. The

conquest boosted the Yanks' league
lead to eight full games.

The Giants cut their national
league deficit to six games back of
the Cubs by noosing out the Reds,
4-3. The Cubs lost a 2-1 heart-
breaker to Ledy Lamaster and the
Phillies.

The Dodgers pummeled the Pi-
rates 10-7. The Cardinals put on
a ninth-inning five-run rally to top
the Reds, 7-6. The Tigers wallop
of the Athletics, 11-7, and the
Browns beat the Senators, 5-3.
