LOCAL AUTHOR WINS PLACE IN RECENTLY PUBLISHED BOOK

Delton W. Miller, 423 Pitzer street, Roseburg, is one of the writers whose work is included in the Yearbook of Contemporary Poetry, 1937, a poetry anthology which has just been published. The volume contains mainly the work of worthwhile but obscure authors who should receive greater recognition for their literary efforts, and the publishers through this collection are introducing their writings to a large and important audience of readers throughout the country. For several of those included in the volume it may mean the beginning of an outstanding literary career and world-wide fame. Early this year, in preparing the book, a nationwide search for talented writers was conducted. Manuscripts were submitted by more than 9000 authors, but the work of only 500 of these was selected for inclusion in the volume. The publishers, pleasantly surprised by the amount of excellent poetry submitted by unknown writers and by the success of previous efforts, are now compiling a similar volume to be issued later this year. Again they are engaging in a widespread search for writers of talent who might otherwise remain forever obscure.

Re Sure to State Size When Ordering Pattern.

by Anne Adams IT'S SMART BECAUSE IT'S SIMPLE PATTERN 4466

The pattern the style—the smarter the frock. It is a good rule for the Junior girl to follow in choosing her wardrobe. And sprightly Pattern 4466 is just the frock for late summer and early fall days. Just the frock, too, for the one who sews at home. For it's easy to run up. Full-cut yoke panels, flattering Eton collar with matching cuffs, and a snug-fitting tie-sash are details to melt the heart of every "Eight-to-Sixteen." Choose any of the gay new wash cottons for now; then try a version in a cotton tweed or wool plaid for colder days, and purchase one of taffeta for parties. Pattern 4466 is available in girls' and junior sizes 8, 10, 12, 14 and 16. Size 10 requires 2 1/2 yds 36 inch fabric and 3/8 yard contrasting. Illustrated step-by-step sewing instructions included. FLORAL GIFTS MARK NEW BANK OPENING

The opening of the new quarters of the Roseburg branch of the United States National bank was featured by many nice floral contributions, including some from considerable distance from town. They included three unusual offerings from members of the 4-H club corn growing group, which consisted of several exceedingly long stalks of fine corn. In town for the occasion were Paul S. Dick, president of the United States National bank, and Walter M. Cook, vice-president, both of whom journeyed to Roseburg especially for the event. They expressed themselves as highly pleased with the completed building, remarking upon the fine work, much of which had been done by local contractors, including the Douglas County Farm Bureau, Ritzman Plumbing Co., and the Kelly Sheet Metal works. An interesting feature of the opening was a short broadcast by direct wire from the lobby of the bank through radio station KRNR. As previously announced, Saturday, banking quarters will be open to-night from 7 to 9 p. m.
