Sunday at the Churches

Daily Devotions

DR. CHARLES A. EDWARDS

It has been said often enough, but it cannot be said any too often, for it is a truth that we so easily forget, that there really is no other kind of Christianity but practical Christianity. The religion that we do not live has no real value, no matter how beautifully we may be able to talk about it or how sincere our profession of it may be. Christians might have been excused for not seeing it quite that way if Jesus had not made the strong statements that He did in this connection, but after His saying what He did and saying it most emphatically, we are left without any argument. We ask Divine wisdom, our Heavenly Father, that we may know the truth, but especially we ask for honesty of spirit and courage of soul that we may live it from day to day. Amen.

When the bolsheviks came into power in Poland during the war, they built a scaffold and actually hanged a noted Arabian stallion because they associated the royal line of horse heritage with that of kings.

QUIZ OF DEMO YEAR BOOK SALES BLOCKED

WASHINGTON, Aug. 12 —(AP) — The house rules committee voted today against recommending a congressional investigation of the democratic national committee's sale of 250 copies of its yearbook autographed by President Roosevelt.

Chairman O'Connor (D-N.Y.) said "no action" was taken but other committee members said they had voted to table the resolution introduced by Republican Leader Snell (R-N.Y.) calling for the inquiry.

Representative Martin (R-Mass.) ranking minority member of the committee, said:

"They voted us down."

He said the vote was strictly on party lines, although not all the republican members were present.

Martin predicted before the hearing the resolution would be defeated 10 to 4. There are 10 democrats and four republicans on the committee.

The vote came after Snell had presented voluminous evidence to support his contention the sale of the autographed books to corporations had violated the law governing political campaign contributions.

Snell told the committee the sale of the president's personal autograph "at the exhorbitant price of $250 presents, of course, an incalculably great shock to public morals."

He said $18,000,000 in fines was collectible under federal law for the sales, which he described as "disgraceful and demoralizing political racketeering."

DRIVER IN PHILLIPS TRAGEDY IS HELD

COQUILLE, Aug. 11 — J. A. Ditter of this city, 16, who reportedly drove the car that killed J. P. Phillips in North Bend Saturday, was remanded to the Coos county circuit court by Judge Hugh McLain in juvenile court. Bail of $500 was not posted and he was lodged in the county jail here.

Ditter will face a charge of leaving the scene of an accident, a felony on which sentence up to five years in the penitentiary is legal.

OREGON EVENTS FLASHED FROM WIRE SERVICE

ALBANY, Aug. 12 — (AP) — Helen Murray of Portland was taken to a local hospital with cuts and bruises received when her car turned over on the Pacific highway six miles north of here last night. She was en route to the American Legion convention.

LAKEVIEW, Aug. 12 — Operators of pinball devices in Lake county will face prosecution after 6 p. m. today if their machines remain in operation, District Attorney Charles Combs announced last night.

ASTORIA, Aug. 12 — The city of Astoria purchased from the county the old Astoria savings bank building and will convert it into a city hall to replace the present structure which was built in 1904.

The county received $1304.04, the amount it had paid to the state in taxes on the property, for the real property, and $750 for the furnishings.

SALEM, Aug. 12 — A native of Hawaii may hunt in Oregon without a gun license, but must have a hunting license, Attorney General I. H. Van Winkle ruled today in an opinion for F. B. Wire, state game supervisor.

A 1935 law required that unnaturalized residents must obtain a gun license for hunting, but the attorney general pointed out that Hawaiians are citizens.

RIPPER COLLINS WALKS ON CRUTCHES

CHICAGO, Aug. 12—(AP)—Jim (Ripper) Collins, the Chicago Cubs' disabled first baseman, expected to leave the hospital today on crutches.

His right leg from heel to halfway to the knee was encased in a cast to hold in place a bone fractured in the first inning of Tuesday's game with the Pittsburgh Pirates, but he said he would be back in the battle within a month. Dr. John F. Davis said the cast probably could be removed in three weeks. He wasn't so certain that Collins would be able to play before late September.
