## Daily Devotions

By DR. CHAS. A. EDWARDS

When we think of the matchless Psalm known as "The Shepherd, David," written by David, the "Shepherd-king," it would be to the point to remember that he was a man whose whole life was crowded with conflict and struggle and difficulty. We might think that the man who would write after this fashion would most likely have known a great deal of comfort and happiness and walked along a sunny pathway of life, but the exact opposite was the case with David. The peace and trust and faith that these verses reveal must have been a great achievement with him, and, after that, that probably what they are with any one who really attains to them. We bless Thee, O God, for the grace that makes hard things seem easy and for the faith that is able to smile and be glad even when life is hard and trying. Amen.

**What Two Things Happen When You Are Constipated?**

When you are constipated two things happen. First! Waste swirl up the bowels and press on nerves in the digestive tract. This nerve pressure causes headache, a dull, lary feeling, labored exhalation, loss of appetite and sleep. SECOND! Partly digested food starts its slow journey back, bringing on your stomach (acid indigestion), and heartburn, bloating you up until you sometimes gasp for breath.

Then you spend many miserable days. You can't eat. You can't sleep. Your stomach is full. You feel tired, out, uneasy and miserable.

Get the complete relief you seek you must do TWO things. 1. You must relieve the GAS. 2. You must clear the bowels and GET THAT PRESSURE OFF THE NERVE.

As soon as irritating waste are washed out you feel marvellously refreshed, blue yanks, the world looks better and you're again.

There is only one product on the market that gives you the double action you need. It is **ANTHELIKA**. This efficient stimulant and laxative relieves that awful GAS at once. It also removes bowel congestion in half an hour. No wadding, over reliance. Anthelika acts on the stomach and both bowels. Ordinary laxatives act on the lower bowels only. Anthelika has been used for 33 years. No griping, no after effects. **ANTHELIKA** treatment. Try Anthelika today. It will clear your bowels, give you such an excellent intestinal drainage.
