

# RAILWAY HEARING OPENS IN PORTLAND

Rival Groups Seek Permit for Line From Southern Oregon to Ocean.

PORTLAND, Oct. 11 — (AP)—Oregon and California groups are pitted before Examiner R. E. Molster of the Interstate Commerce Commission today in competition for permission to construct a railroad from Josephine county in Oregon to the Pacific ocean.

Grants Pass, the Crescent City, Calif., harbor district and the California & Oregon Coast railroad united forces in seeking a rail route from Grants Pass to Crescent City. The opposition came from the Gold Coast railroad, a corporation already possessing ICC approval for a road from Leland, north of Grants Pass, to Port Orford in Curry county.

"We are ready to proceed with the building of the Gold Coast road," said Gilbert E. Gable of Port Orford.

He asserted that New York company had "no particular problems" in financing the road. The delay, he said, was the result of uncertainty of federal aid in developing the Port Orford harbor as an outlet.

It asserted that New York capital was available with a bond issue taking care of 60 per cent of the cost and the remainder coming from private sources.

In offering what he called a solution for a right-of-way dispute, Gable suggested building the route down the Rogue river gorge with a spur going south to Crescent City at Gold Beach and one going north to Port Orford.

Neil R. Allen, Fred R. Brown and W. T. Miller are appearing for Grants Pass. Brown, Allen and J. L. Childs represented Crescent City, and H. E. Norton of Oakland, Calif., is counsel for the California & Oregon Coast road.

Testimony will continue through Thursday.

## LEGION AUXILIARY HEAD IS STRICKEN

PARIS, Oct. 13 — (AP)—Miss Malcom Foucaud, national president of the American Legion auxiliary, has been in the American hospital for several days, but will be out of bed within a week, her doctors predicted tonight.

She is suffering from what is believed to be food poisoning combined with heart trouble. Doctors said no complete diagnosis of the illness had been made and that her condition "never was considered critical."

## U. O. ENROLLMENT TOPS ALL MARKS

EUGENE, Oct. 12 — (AP)—A new all-time enrollment record at the University of Oregon was reached today when registration figures revealed that 3,102 students were enrolled. The figure exceeds the previous record of 3,095 by seven.
