MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief Many sufferers believe nagging backaches quickly, once they discover that the real cause is their kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. Most people pass about 3 pints a day of about 2 pints of waste. Frequent or steady passages with smarting, itching, burning, loss of sleep and any pain, arising in the back, chest and stomach. An excess of acids or poisons in your blood, when due to functional kidney disorders, may be the cause of nagging backaches, rheumatism, neuralgia, leg pains, loss of pep and energy, getting up nightly, swelling, puffiness, and the eyes, headaches and dizziness. Don't wait! Ask your druggist for Donat's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 million of kidney tubes that are poisonous waste from your blood. Get Donat's Pills.
