

# California U. Surges Toward Conference Title

## BEARS WIN EASILY OVER TROJAN FOES

### Oregon State, Led by Gray, Triumphs Over U. of O. in Annual Battle.

(By Russell J. Newland)  
 SAN FRANCISCO, Oct. 25.—(AP)—The football capital of the country, so far as followers of the great American collegiate sport in this area were concerned, was located on the University of California campus today.

Any lingering doubts were dispelled Saturday by the Bears when they put the well known crusher on University of Southern California's Trojans.

The count was 20 to 6. Three touchdowns were rolled over by sheer power in the first half. More than 75,000 fans left the Berkeley stadium convinced California could have doubled the score.

Substitutes, playing part of the second half, permitted U. S. C. to score a touchdown. Otherwise the team which defeated Ohio State and Oregon on successive weekends before facing the Bears, was no more formidable than previous California victims, including St. Mary's, Oregon State and Washington State.

**4 Hurdles Ahead.**

California supporters already are chanting "on to the Rose Bowl," but before that objective is achieved several difficult hurdles must be cleared. To the three conference victories already attained, the Bears must add those of University of California at Los Angeles, Washington, Oregon and Stanford.

The games follow on successive weekends.

None rate as "pushovers" despite previous defeats. The U. C. L. A. Bruins, nosed out by Washington State last week by the margin of a place kick, 3 to 0, face California next Saturday. No California roster has forgotten last year's game between these two rival institutions. California, the favorite, wound up on the short side of a 17 to 6 score.

While the undefeated California team continues its title drive, the surprising Washington State college squad will try to push Southern California deeper into the rack. The game will be played at Pullman.

A couple of "dark horses" meet in the Palo Alto battle between Stanford and Oregon State. Each have staged fine comebacks since early season disappointments.

**O. S. C. Beats Oregon.**

Stanford upset a lightly favored University of Washington eleven 13 to 7 in Seattle last Saturday, while Oregon State was topping its old rival, Oregon, 14 to 0.

Stanford's win over Washington was accomplished by "breaks" and little else. The yardage went to Washington.

Halfback Joe Gray, one of the best in the west, accounted for the Oregon State victory. He'll be the man Stanford must bottle up if it expects to cling to its position as second place team in the conference.

Only in the closing minutes of the desperately waged grid war did Oregon State batter down resistance and score two touchdowns.

With left half, hurried a pass from the Oregon 17-yard line to Bill Duncan, who scored. Prescott Hutchins kicked the point.

Oregon's defenses appeared to crumble. Three minutes later, Oregon State added a second touchdown.

The score went to Gray, on a brilliant 23-yard dash around right end, after Kolberg recovered an Oregon fumble.

Oregon threatened the Orange goal line only once, when Gray beat caught a punt on his own 38 and raced across for an apparent touchdown. An official called the ball back.

Virtually a one man team, Gray gained 138 yards from scrimmage, averaging four yards per play.

Comparative figures never win games but Stanford lost to Oregon 7 to 6 and Oregon lost to Oregon State by two touchdowns.

Washington meets Idaho in a non-conference game next Saturday and Oregon remains idle.

**Conference Standings.**

California	3	0	0
Stanford	2	1	0

## GONZAGA OUTPLAYS S. F. U., BUT LOSES

### SPOKANE, Oct. 25.—(AP)—"Assistant Coach" Bing Crosby saw his Gonzaga university eleven outgain and outplay a visiting San Francisco University aggregation here yesterday only to lose the game by a score of 7 to 0 on another of the season's "dizzy plays."

A fumble pass interception and an 80-yard run by Bob Anderson, guard, gave the San Francisco Dons their only touchdown.

Anderson snatched the ball as it bounded into the air behind the line of scrimmage when Halfback Haug, unable to get the throw away, was tackled by two Dons linemen as he attempted to toss.

The Bulldogs made 16 first downs to the visitors three and marched to the 2-yard line on one occasion without being able to advance across the peering marker.

**PORTLAND U. WINS OVER UTAH TEAM**

PORTLAND, Oct. 25.—(AP)—Joe Enzler, fullback, sparked Portland University's football squad to a 13 to 10 victory over the Brigham Young Cougars from Provo, Utah, here Saturday.

Enzler made both Portland touchdowns, kicked the single conversion, carried the ball for consistent gains and handled the punting assignment.

Trailing 7 to 10 in the third period, Portland took advantage of a poor kick to get the winning tally.

Waters scored a touchdown for the visitors in the third period on a short pass, and Softe booted a field goal.

**SANTA CLARA WINS OVER LOYOLA, 7-0**

LOS ANGELES, Oct. 25.—(AP)—Loyola's hapless Lions began another "Blue Monday" on the football practice field today, following defeat by Santa Clara's unbeaten Bronchos.

Edged out already this season by Hardin-Simmons and St. Mary's, the Lions saw another game go glimmering yesterday when Bill Gunther, Bronco fullback, intercepted a Loyola pass and ran half the distance of the field to a touchdown.

The successful try for extra point made the score 7 to 0, with less than a quarter left to play.

**LUTHERANS DEFEAT LINFIELD, 12 TO 6**

TACOMA, Wash., Oct. 25.—(AP)—Pacific Lutheran college homecoming crowds saw their football team upset the Linfield Wildcats, 12 to 6, in a night game Saturday.

The Lutherans had things their own way after the first few minutes of the game. Only the exceptional punting of Kenneth Anderson, Freshman end, kept Linfield in the ball game.

A pass from Harold Jaeroux to Anderson netted the lone Linfield tally just before the closing gun.

## MONTAGUE TELLS OF GOLFING FEATS

### Accused Star Takes Time to Discuss Plays That Made Him Famous.

ELIZABETHTOWN, N. Y., Oct. 25.—(AP)—Mysterius John Montague, golfing pal of movie favorites, took time out from his trial for robbery, to discuss his prowess as a golfer.

The broad-shouldered "Monty," apparently unworried about the outcome of the trial in this mountain region that has attracted nation-wide attention explaining to newspapermen just how far he could go with the almost legendary feats and boasts credited to him.

He took advantage of a cold, occasionally snowy Sunday afternoon in the warmth of a hotel lobby to break his silence.

Montague declined, first of all, to commit himself to what part the links game may play in his future. Then the man whom professional shotmaker George Von Elm once termed "the world's greatest golfer" denied reports he claimed he could outdrive by fifty yards Sam Snead and Jimmy Thomson, two lightning members of the professional golfers' association but he added:

"I'll never take a back seat to anybody when it comes to driving." The best game Montague ever put together, he said, was a 58 on a par 68 course at Palm Springs, Calif.

"My average for two years in Los Angeles was 68" he asserted, adding he has played only five times since last February.

He told how at Palm Springs, he and "the mayor" practiced for three days for a match on which \$10,000 was wagered.

"I had three rounds of 61 in the practice," he said, "our opponents didn't show up on the designated day but the mayor and I played anyway and I had that record 58."

**Knocked Bird Off Wire.**

Montague admitted to knocking a bird off a telephone wire with a golf ball and recalled a 500-foot home-run he banged out while with the Buffalo baseball team of the International league.

Montague said he once had aspirations to be a major league baseball player, but changed his mind "because there was too much politics when I was breaking in."

Two years ago, when he was in Arizona, the defendant said he ran five miles each day in the possibility he might seek a major league berth. He would have liked to be an outfielder, he said, although he did considerable pitching in his earlier days.
